Division III — The Alphabetical Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Alphabetical Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form. It is our hope that we can present a more detailed as well as an accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

—The Conference Secretary

Symbols used *before* each name denote the category of conference relationship: AM—Associate Member; F—Full Time; FM—Full Member; FLP—Full Time Local Pastor; P—Part Time; PLP—Part Time Local Pastor; PM—Probationary Member; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member; OM—Member, Other Conference; ROM—Retired Member, Other Conference; OD—Other Denomination.

* = No Record of Attendance (from the Registrar's Records)

The minister's spouse's name is listed in parentheses following the minister's name.

H: designates Home phone number; O: Office phone number.

The symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and LFS (Less than Full Service)—Part Time Minister (one who has other employment); LP-NA—Local Pastor with no appointment.

NOTE—Service years listed with each person are “years under appointment” until retirement, *NOT* years of pension credit. If you need information about pension credit, please contact the Pensions Officer of the Board of Pensions.

—The Conference Secretary

CONTINUING EDUCATION CREDITS

Only those persons who are ordained are required to get continuing education. Those working toward ordination or retired (whether serving as Supply or not) are not required to get credits. Those who are required to get credits are required to get four (4) credits every two (2) years. Credits start counting at the beginning of a quadrennium and are shown in the *Journal* for two years at a time. Counting started with the 1992 *Journal*; therefore it will show for 1992 and 1993, then it will begin again for the next two years and be shown for each two year period thereafter.

Board of Ordained Ministry

Johns moved adoption of No. 3 of the Church and Society report. Ms. Ruth Fuller, Darlington UMC, Marianna-Panama City District, moved an amendment to delete No. 3. Rev. Jamie Pickard spoke against the amendment. Dr. William Pickard, retired clergy delegates, Frazer Memorial CC, spoke against the amendment. COMMITTEE ON RESOLUTIONS AND PETITIONS — Mrs. Jean Sublette, President of the UMW, made an informational statement and clarification about the Re-Imagining Conference, a mid-decade event for the Churches in Solidarity with Women. It was not a United Methodist event, she said. Our Conference did not send a representative to the workshop on scholarship (though two women went using their own funds). The UMW did send a statement to the UMW leaders, ministers and key leaders in the districts and churches, affirming their support of three orthodox doctrines: the Trinity as Father, Son and Holy Spirit; the Atonement; and the stance against practicing homosexuality. They also addressed the use of undesignated funds as scholarships: \$31,357 total had come from the budget for Spiritual and Theological concerns. Our UMW have objected to this use of funds by the Women's Division, and have called upon the Division to keep them informed of such future events, particularly heretical ones, so that hopefully these problems can be avoided. The Women's Division at the national level has replied: 1. they have not, and will not, engage in Sophia Worship; 2. they have supported no stance in opposition of the church's doctrine on homosexuality; 3. they are proud of their past stewardship, and feel that in general they have an excellent track record in this regard. Our Conference UMW asks the Annual Conference to: 1. continue to support missions via UMW unless the Women's Division fails to be responsive in the future to our concerns; 2. pray that God will be our guide in making decisions regarding this issue; 3. ask that women write or call the Women's Division regarding their concerns or questions. Mrs. Sublette also added that no apportionments or other funds are given to UMW other than those freely donated in the local chapters. Her report was voted to be included in the Journal in toto.

Chairperson Perry Dalton brought the consensus of the Resolutions Committee to the floor:

RESOLUTION NUMBER 2 — This resolution protested the recent "Re-Imagining" Conference (sometimes called "Re-Imaging") in Minneapolis, with specific reprimands. The Committee recommended concurrence. The Conference voted to approve concurrence.

RESOLUTION NUMBER 3 — This resolution protested the recent "Re-Imagining" Conference, specifically Sophia Worship and the condoning of homosexuality, asking for a public apology and other measures in response to the workshop, including a withholding of funding. The Committee recommended concurrence.

Mr. David Phillips, Andalusia District, First UMC, moved an amendment to remove the third paragraph from the bottom of the resolution (regarding excommunication). Amendment passed. Rev. Paul Belardino, Pastor, Honeyville UMC, spoke for the resolution. Mrs. Elouise McGucken, against the resolution. However, the Bishop noted that she was actually speaking for the resolution. She attended the workshop and said that we should not condemn everyone at the workshop with a broad brush. Therefore, she proposed these amendments: delete the third paragraph regarding a description of the worshippers, delete last paragraph regarding the removal of funding to the Women's Division. The McGucken amendment was defeated. Rev. James Claunch, St. Luke, Enterprise, spoke strongly for the resolution. Rev. Louise Stowe Johns, Dexter Avenue UMC, spoke against the resolution. Ms. Ann Kline moved an amendment to paragraph 4, to add the phrase "be encouraged to" before the word "apologize." Amendment passed. Mrs. Dorothy Sarver, Pensacola, spoke for the resolution. Rev. Robert Wingard, clergy delegate, spoke against the resolution. Ms. Ruth Ann Powers, Jurisdictional Delegate who had attended the workshop, spoke against the resolution. Rev. Si Mathison, Gulfview UMC, Panama City, called the question, and a vote sustained his call. The resolution was then approved.

Rev. Bill Pickard, Frazer Memorial CC, tried to offer a substitute amendment, but by the time he reached the microphone, the question had been called and he was out of order.

RESOLUTION 4 — This resolution, similar to the previous ones, called for repudiation of the beliefs represented at the Re-Imagining workshop.

Bill Brooks, Gulf Breeze UMC, moved an amendment to strike the sentence regarding "sex with friends," stating that "my wife is a friend." In the confusion that followed, a Motion to Table the resolution until Wednesday was made by Rev. Bob Wingard. The motion carried.

RESOLUTION NO. 1 — A resolution to support Earth Day, which came from Church and Society, received concurrence from the Resolutions Committee. Jeff Price, Springfield UMC, spoke against the resolution. The resolution did not pass.

RESOLUTION NO. 5 — A resolution to establish a network to work for the protection of unborn life. The resolution passed.

Rev. Jim Claunch and Mrs. Jean Sublette asked for a clarification of Resolution No. 3, the last paragraph, regarding funds to the Women's Division. The point in reply was that funds for the Women's Division do not go through the Annual Conference, but are given directly through UMW chapters. Thus, the resolution does not have any legal effect upon Women's Division funds.

COMMITTEE ON EQUITABLE COMPENSATION — Chair Fred Fuller reported that, with the cooperation of the churches, we were able to make an 8% reduction in funds request, but 3% increase in salary support. The report was approved as given in the brochure.

Greetings to Mr. Harry McDavid were extended from the Conference. He could not attend due to an illness in the family.

BLUE LAKE ASSEMBLY GROUNDS COMMISSION — Rev. Thomas Sowell, reporting for Chair Harry McDavid, spoke with affection for the "fine success" of Blue Lake, and warmly introduced Dr. Linwood Lewis. Rev. Lewis offered a Resolution from the Commission to amend the charter (rules were suspended to make an editorial change straightening out some inconsistencies in the wording of the Charter). Resolution passed. Linwood further reported that they will be making long-range plans, particularly with the gift of one million dollars coming to Blue Lake in the year 2000. The report was adopted, with the editorial change of the debt amount to \$350,000. In keeping with the Charter changes, Rev. Syd Lock moved Standing Rule changes as given on page 34 of the Brochure.

He said that the aging of our society presents a real need for more homes in the future and more beds immediately in the current homes. He also reported on the establishment of Halcyon Terrace as a Methodist ministry. Randy Harris shared with us about Halcyon Terrace. Rev. Tom Sowell spoke on behalf of the Conference Golden Cross program, which supports needy elderly in our Methodist Homes (see p. 60 of brochure). Nominations were approved for the Children's Home, as given on pages 72 and 74 of the Brochure. These were elected, including Tom Sowell to continue as chair of the Golden Cross program.

COMMUNICATIONS/ADVOCATE — Rev. Walter Albritton, Chair of the Joint Board of Communications and the *Advocate*, thanked Editor Charles Rountree for his good work, and the Conference gave the Editor a standing ovation. Albritton then presented the Resolution to Establish our own Conference newspaper, explaining that both Conferences have agreed to cease producing the current joint publication. Dr. Langdon Garrison, District Superintendent, Pensacola, moved to delete the last sentence regarding naming the new paper *The Encounter*. The amendment was approved. The Resolution was then approved unanimously. Another motion by Ms. Elia Dawes was made to name the new paper *The Alabama-West Florida United Methodist Christian Advocate*, and it, too, passed. Reports of Boards and Agencies

CONFERENCE COUNCIL ON MINISTRIES

Report No. 1

The Conference Council on Ministries (CCOM) continues to coordinate the plans and activities of the program agencies of the Annual Conference. The year began with a very effective Planning Retreat at Blue Lake for the boards and commissions. We express appreciation to the members who serve faithfully in planning and directing the programs of our Annual Conference.

The Council is fortunate to have the guidance and encouragement of our episcopal leader, Bishop William W. Morris, our conference lay leader, Mr. Duane Keck, and our CCOM executive director, Dr. William E. Calhoun. We have a most outstanding CCOM Program Staff and an efficient Support Staff. We are deeply indebted to all of them for their enthusiasm and service.

The Council is involved in events related to Vision 2000 as the Annual Conference enters its third year with this unique approach to ministry. Intensive Training Workshops were held February 12 in Pensacola, February 19 in Montgomery, and February 20 in Dothan. Participants totaling approximately 2,280 represented a majority of the local churches in the conference. Intensive Training Events are scheduled for the weekends of February 11 and 18, 1995. CCOM staff members work with the Vision 2000 Committee in planning and conducting these events. Your Council on Ministries gives full endorsement to Vision 2000 as the primary emphasis of this quadrennium and asks the Annual Conference to continue its strong support to the local churches involved in this exciting ministry.

By action of the 1993 session of Annual Conference, we now have in place the Commission on Small Membership Church, with representation on CCOM. This commission, under the capable chairmanship of Dr. Belman Maddox, takes seriously its commitment to address the needs of the small membership churches of our conference and has established a time-lined plan of specific action to strengthen these congregations on local, district, and conference levels.

New Congregational Development continues to be a priority for the Council. The Commission on Congregational Development, under the leadership of the Reverend Norman Carr, is giving superb direction to this work. The CCOM continues to give its full support to the Vision For the 21st Century campaign to increase the funding for new congregations. Individuals, churches, Sunday School classes or other groups are encouraged to make a pledge to this most worthy cause.

It is the responsibility of the CCOM staff to coordinate the dates and events planned by the program boards, commissions and committees at the Planning Retreat. The calendar for the year is approved by CCOM. The date of any event scheduled by a program agency must be submitted to CCOM for approval.

Please know that your CCOM Program Staff is available to assist in any way possible with conference, district and local church needs. The staff will accept as many invitations as their schedules will permit. When extending invitations, please allow as much lead time as possible. If we can be of any assistance, please call us at (205) 222-3127, or write us at P.O. Drawer 700, Andalusia, AL 36420. Fax messages may be sent to (205) 222-0469.

Charles Langford — Chairperson

William E. Calhoun — Executive Director

Report No. 2 — VISION STATEMENT

The Alabama-West Florida Conference, as a community of faith, is reaching out in the spirit of Christian love to all persons to bring them into a meaningful relationship with Christ.

As the servant people of God, we take seriously the mandate of Jesus Christ to make disciples. Through the several components of Vision 2000, we are motivating and equipping the laity for ministry.

Under the leadership of the Holy Spirit, by the year 2000, the Alabama-West Florida Conference will organize at least four (4) new congregations, one of which shall be ethnic minority. By the year 2000, we will have at least one ethnic minority congregations within the bounds of each District.

Congregational revitalization is a priority as we challenge each congregation to reach its potential. At least one congregation will be selected to receive program and financial assistance, for revitalization, each year.

Through the year 2000, the Alabama-West Florida Conference will increase its church membership, worship attendance, Sunday School attendance, attendance in other classes, groups and short-term classes, and giving to our connectional ministries (apportionments) by at least 1% annually.

Report No. 5 — DISTRICT COUNCILS ON MINISTRIES

ANDALUSIA DISTRICT

The Andalusia District Council on Ministries, chaired by Judge Marion Brunson, planned and enacted the following acts of ministry during the Conference Year 1993-94:

- (1) A number of Vision 2000 events were carried out:
 - a. A second District Vision 2000 Day Apart for ministers and spouses was held on Saturday, Nov. 6, 9:30 A.M.-2:00 P.M. The theme for the day was "Sabbath-Time." Activities included worship (communal and solitary), music, skits, study, brief lectures, and discussion groups.
 - b. During Super Sunday, January 23, 3:00 P.M.-6:00 P.M., held in the First United Methodist Church, Andalusia, Alabama, five Vision 2000 Workshops were led by pastors and/or people of the Samson: First, Crestview: St. Mark, Crestview: Frisco City, and Heritage (Enterprise, AL) United Methodist Churches. These churches shared their activities in (1) "Extending Your Congregation's Welcome," (2) "Growth Plus," (3) "Stewardship," (4) "Volunteers in Ministry," and (5) "Your Church can Grow." With the exception of the Rev. Ron Baugh, all leaders and workshop participants were from the Andalusia District.
 - c. Three Vision 2000 Billboards were posted for a couple of months in 1993 in Crestview, Brewton, and Elba.
 - d. A successful Vision 2000 Worship/Sunday School Attendance Campaign was held from January 30 through April 3, 1994.
 - e. Participation in all Conference Vision 2000 Events was promoted vigorously and our

- churches were represented in Pensacola, Montgomery, and Dothan. The geographical spread of our District made more convenient such diverse participation.
- (2) Throughout the year, 93-94, a **Disciple Bible Study Group** was held for District Ministers on Tuesday nights, 6:30-9:00 P.M., in the Conference Headquarters building and in the churches of participants. Mrs. Diane Lothrop was the lead teacher, occasionally assisted by the District Superintendent.
 - (3) The District Evangelism Work Area has called for each church in the District to work for goals in a **5-Star Church Program**. These include: 1. **Hold Confirmation Classes**; 2. **Use children to minister in worship services** (greeters, ushers, readers, acolytes, choir members, etc.); 3. **Increase average Sunday School attendance by 10%**; 4. **Use the Invitational Curriculum for Children (Cokesbury)**; and 5. **Start a new Sunday School Class**. Churches achieving these goals will be recognized at the District Conference.
 - (4) A new plan for organizing Lay Work in the District was begun through a **Lay Council** (District Lay Leader, District President of United Methodist Men, District President of United Methodist Women, District Director of Lay Speaking, and five geographically strategic Associate Lay Leaders from all areas of the District). The Council meets semi-annually (more often if necessary) to develop a program of Lay Ministry/Mission.
 - (5) The **DCOM** met quarterly and **District Preachers Meetings** were also held once a quarter.

Plans being made:

- (1) A **District Revival** on four successive nights in four different churches is being planned for next year. Churches will be encouraged to go to as many nights as possible. Outstanding preaching and singing will be arranged.
- (2) A **Mission Saturation Week-end** will involve several Mission Interpreters scattered across the District.
- (3) A two-hour **workshop on Mission funds and Conference Benevolences** will be held in an accessible district church. The presenters for the evening will include persons who can speak to the conference benevolence program and the mission funds of our denomination (World Service, UMW Pledge to Mission, and the Advance). The aim will be **UNDERSTANDING**.

DEMOPOLIS DISTRICT

The first among the stated purposes of the district council on ministries is to help local churches "establish and provide more effective ministry." Everything else listed under the responsibilities of the council simply notes other facets of that basic function.

In keeping with this, the Demopolis District was provided with a training event for workers in the local church. This was held at the First United Methodist Church in Demopolis on January 9 of this year. More than two hundred attended the event to receive training for their work in their local church.

While this training was taking place, the youth of our district were offered a time to gather. They met Ed and Nancy Deabler, our coordinators of youth ministry in the district. Ed is the pastor at McCann's United Methodist Church in Jackson. Another rally was held on March 20 at which time the district youth caucus was also held to name district representatives to the CCYM.

We hosted a Christian Education Opportunity at Demopolis on April 23, sponsored by the conference board of education. This was designed to help our Sunday School teachers and workers in Vacation Bible School.

The ministers of the district and others, who wished to attend, were offered a workshop on stress management on April 30 at the First United Methodist Church in Jackson. The workshop leader was the Rev. Mr. Ken Taylor, Pastor of Jackson, First.

A Mission Saturation Event is being planned for the Spring of '95. The committee has been named and members are meeting on a regular basis in order to move forward with plans for the event.

The district council has set its schedule for meetings for the current year and will be setting its 1995 schedule in time for the publication of the next conference program calendar.

Respectfully,
Ed Cotten, Chairperson

DOTHAN DISTRICT

The Dothan District Council on Ministries has a number of ongoing projects to report for 1993:

1. The Annual Super Sunday Training Event at Dothan's First United Methodist Church was held January 10, 1993, with good attendance.
2. The District's Television program entitled "JOY" continues to air Saturday mornings at 6:30 a.m. on WTVY-Channel 4 in Dothan.
3. The Laity Rallies continue to provide opportunities for fellowship and sharing within the District.
4. Fun Day at Landmark Park was held May 31, 1993, in which a "sending forth" ceremony was held for the "To Russia With God's Love" participants. On September 21-October 4, 1993, the Dothan District hosted a group of Russians from Kirov.
5. Sunday School Saturday was held February 6, 1993, at Dothan's First United Methodist Church.
6. Dedication ceremonies for Dothan's Habitat House were held June 5, 1993, with Bishop Morris presiding.
7. We are continuing to enjoy good support of Vision 2000. The Dothan District had excellent participation with 381 attending the training event at Frazer Memorial in Montgomery.

Additionally, preparation is being done on the following new programs which are scheduled for 1994:

1. The Annual Super Sunday Training Event at Dothan's First United Methodist Church will be held January 16, 1994.
2. The Here-We-Are-Lord Crusade at Dothan's First United Methodist Church will be held April 17-20, 1994. Dr. William Hinson of FUMC, Houston, Texas, will be the guest speaker. Mr. Joe Pat Cox from Frazer Memorial UMC in Montgomery will lead the music. A Kick-Off Banquet is scheduled for March 14, 1994, at Dothan's First United Methodist Church.
3. The Dothan District is scheduled to host an Intensive Training Event for Vision 2000 in 1994.
4. A Mission Saturation Weekend entitled "Planning for Harvest" will be held throughout the District on October 8-10, 1994. A Pre-Saturation Banquet is scheduled for May 23, 1994, at Dothan's First United Methodist Church.

Dr. Imogene Mixson, Chairperson

MARIANNA/PANAMA CITY DISTRICT

The Marianna/Panama City District Council on Ministries, acting on plans for 1993, filled The First United Methodist Church in Marianna. It was determined that a district retreat center and nature trail be planned for the future development of the district's land at Moss Hill. This district center would be for the use of the district's United Methodist Women, United Methodist Men, Council on Ministries and Youth planning retreats, etc.

Super Sunday was held at The St. Andrew United Methodist Church in Panama City on Sunday, January 16, 1994. Bishop Morris gave a stirring sending-forth message to over 600 United Methodists that had attended one of the instructional offerings.

Progress continues in the district's two newest congregations, Emmaus and Aldersgate (formerly Bayou George). The District is waiting for the results of the Percept study before beginning a new congregation on the coast in south Walton County.

Dean Allerheiligen is the new Vision 2000 Chairperson of The Marianna/Panama City District.

The District Superintendent's decision to also keep office hours in the south end of the District at Panama City First Church's "Trinity Center" has filled a pressing need and received a positive response from both the laity and the clergy.

The 1994-1995 District Council on Ministries is chaired by Jud Stinson. Don Brill is appreciated as the Conference representative to this district.

Several training sessions for leaders are planned for the remainder of 1994, including:

- 1.) training in relational evangelism with the goal of having a high net gain in the coming year,
- 2.) stewardship seminars, emphasizing the "Consecration Sunday" approach, in two locations,
- 3.) emphasis will be placed on the life and growth of Small Membership Churches, defined by our conference commission as churches with under 150 members,

- 4.) training in United Methodist Doctrine and Policy for Part Time Local Preachers,
- 5.) it is also a district goal to give Noah's Ark more visibility and support by every church in the district.

The District Council on Ministries will soon adopt a Vision Statement and a Mission Statement in support of other specific and attainable goals.

MOBILE DISTRICT

The DCOM is composed of a large group of able, progressive leaders who attend the six meetings held each year with regularity.

We have had good results with activities and services that have lifted the theme of Vision 2000.

The DCOM has been very supportive of the ministries of the United Methodist Inner City Mission, the Dumas Wesley Community Center, and the local unit of the United Methodist Children's Home. We have been very involved with the district group who traveled to Vyksa, Russia with God's Love. The group was composed of fifteen laity and four clergy. A number of DCOM members were active in the group.

Strong support has been given to the searching for a ministry outreach program for the discontinued St. Francis Street United Methodist Church. A called meeting was held to work on missional ideas.

An outstanding Super Sunday leadership training experience was conducted this year with a large attendance of some 650 persons. A wide range of courses were offered numbering some twelve classes. In addition, a Christian Enrichment School was conducted in September at Christ United Methodist Church with four courses taught over a three evening span.

Cluster meetings were held in three locations to share information about the connectional items of our church. These were well attended and appreciated.

Consultations have been conducted in a number of churches through the Growth Plus program and the Conference Council Office. Others are scheduled for this year.

A retreat for clergy will be held in March, 1994, as an outgrowth of the Vision 2000 Clergy Effectiveness emphasis.

The USA Wesley Foundation has been active in the promotion of their program. Their goal is to raise necessary funds to construct a building on the USA campus from which to focus ministry.

The District Conference held in November was very different in that emphasis on the district was intentional with all district committees reporting.

The DCOM is a vital, important link in the connection of the Mobile District to the denomination and to the local church.

MONTGOMERY DISTRICT

The ministry of the Montgomery District has reflected the strength of the individual churches in the District as well as the combined efforts of all its churches. The District Council on Ministries has been active informing, planning, coordinating, and implementing District-wide work area ministries that provided resources, training, and spiritual focus.

1. The Montgomery District held the Conference in connectional giving through appointments in 1993. Ninety-five percent of the churches responded.

2. Our membership statistics show an increase over the previous year. 650 persons came into membership by profession of faith, with the year ending in a net membership gain of 447. The District membership now stands at 26,397.

3. A total of \$149,503 was given to the Methodist Children's Home through the White Christmas offering.

4. Several mission teams went out from the District to share the love of Christ through witness and service. Groups went to Russia, Illinois for the flood relief, and a medical team to Guatemala. One group opened a new door of service in Cuba. Eleven persons, including our District Superintendent, went to the first UMVIM mission in Cuba. For 10 days they worked on the Santa Fe Methodist Church building. The Montgomery District UMVIM team carried in 444 pounds of medicine, personal gift items, five bicycles, bibles, and work tools. The Guatemala medical team consisted of eight doctors, dentists, and nurses. Each day was filled by streams of people receiving medical care. Twenty persons from the Montgomery and Troy Districts went to Russia in January 1994 to assist local Methodist pastors and churches. Bible distribution was a large part of their ministry.

5. Super Sunday was held at First United Methodist Church with 300 persons attending. The workshops were designed to address the key functional areas of ministry: Evangelism and Membership Care, Education, Lay Leaders, Missions, Pastor-Parish Relations, Stewardship, and Worship.

6. The Montgomery District was host to Vision 2000, as 2,500 people packed the Frazer Memorial sanctuary for the launch event. The District's Vision 2000 Attendance Campaign was a special focus for building worship and Sunday School attendance.

7. Gambling is an issue that affects every citizen of Alabama and is being promoted by strong influences. This is a moral issue and the Montgomery District took a strong stand against any consideration for legalizing gambling. Letters stating our position in precise terms were sent to the Governor and leaders of the Legislature.

8. The District continued its emphasis on participation in the Ten Dollar Club for Church Growth and revitalization both in our District and beyond to the Conference.

9. Bill Williamson has been leading the Lay Speaking Ministry for years and works with 40 lay speakers to fill speaking engagements throughout the District. Their services are invaluable to the life of so many churches.

PENSACOLA DISTRICT

The Pensacola District Council on Ministries maintains many projects and programs for continuing emphasis within the district. Six issues have been targeted for primary concern.

The DCOM continues to build support for a replacement building for the Little Zion congregation near Tensaw, AL. A task force from within the district is working to finalize all property matters on behalf of the congregation, raise the needed funds, organize volunteers, and monitor the construction.

Two churches have been targeted for revitalization. The district will sponsor consultations to determine the condition and potential for revitalization as a basis for an action plan. The district lay speakers will assist in the plan implementation.

The district will encourage local churches who have notable success with a particular ministry to share their programming with the district church in a workshop or seminar setting.

The district churches are encouraged to raise their visibility and involvement within their communities.

The district plans a calendar of events to meet the specific needs of small membership churches. When specific topics or needs are not met by jurisdictional or conference events, the district will sponsor learning events in these areas.

The district will cooperate with all invitations to open the paths to ordained ministry to qualified candidates in the district.

Clay M. Carnathan, Chairperson

SELMA DISTRICT

1993 has marked a very good year for the Selma District. Highlights include:

1. The dedication of the White Water Campground in Autauga County and its continued development and use by United Methodist Men's groups and youth groups. This facility promises to be a place of gathering for church groups and district events for years to come.
2. Our promotion of the work of the Children's Home continued with a banquet held at the home in Selma. This effort has helped boost overall giving during the year.
3. Work continues on developing a corps of trained and certified lay speakers for the District. This is a vital need among the small membership churches of the area especially. We appreciate the leadership Mr. Rod Manning has given to this effort.
4. A mission work team was sent to Jamaica in February under the leadership of Doug Newton. Another is planned in June.
5. Our District training event highlighted the work of the small membership church and of providing leadership in the Sunday School. Once again we had an excellent and well attended youth rally as a part of this under the leadership of Alan McBride.
6. Our District experienced a historical event this year in the organizing of the Selma District Historical Society. The Society is composed of laity and clergy from across the District who will seek to gather information that will cause us to more fully appreciate those who have gone before us in the work of the Church. It will give us cause to rejoice and be

encouraged in our work as we see the faithfulness of those who have labored for the Lord in our District across the years.

TROY DISTRICT

The Council planned, executed and supported various events which were designed to assist local churches to carry out their programs and helped local churches be more effective.

- (1) Encouragement of executing programs related to Vision 2000 emphases.
- (2) Encouraged participation at training events connected with Vision 2000.
- (3) Getting churches to participate in the Attendance Crusade.
- (4) Held a District Pastor's Retreat. 24 hours at Blessed Trinity Retreat House in Ft. Mitchell, AL.
- (5) Held Welcome Picnic and Dinner for Clergy families.
- (6) Held Children's Home Dinners in three sub-district areas. Total more than 200 people attended. Over 11,000 Campbell labels were collected.
- (7) Held sub-district Finance Committee Workshops. Attended by over 125 people at four different locations.
- (8) PPRCommittee Workshops are scheduled for late January 1994. There will be four workshops held in various parts of the District.
- (9) Annual Conference Lay Member Orientation sessions will be held in late May in two different locations. This was a special request to have two sessions (one in each end of the District).

ALABAMA-WEST FLORIDA CONFERENCE VISION 2000

The 1992 session of Alabama-West Florida Conference gave enthusiastic endorsement to Vision 2000 by choosing it as a program emphasis for the 1992-1996 quadrennium and as the program theme for the 1990's. A Conference Vision 2000 Task Force was named by the Bishop in consultation with the Conference Council Director, Cabinet and Conference Council on Ministries Staff representatives. Every local church was asked to organize a Vision 2000 committee and a Vision 2000 committee was appointed in each district.

This AWF Conference Task Force was given authority to enter into covenant with the Section on Evangelism of the General Board of Discipleship for the four year emphasis and its components.

Vision 2000 is bringing new life and focus on ministry, a new awakening and response to the work of the Holy Spirit in our midst in small, medium and large membership churches. We are grateful for the excellent planning, leadership and support of Bishop William W. Morris and Conference Council Director Dr. William Calhoun.

The components and highlights of our progress at this time are as follows:

The AWF Vision 2000 Launch Event, October 1992 and the Intensive Training Event in February 1993 were historic events. They brought together approximately 2500 United Methodists from across the conference for each event. Both were powerful, energetic and inspiring — a great sense of anticipation and openness. Frazer Memorial United Methodist Church in Montgomery hosted the two events with remarkable expertise and gracious hospitality. Outstanding music, under the direction of Joe Pat Cox, leadership of the highest quality and a challenging address by Bishop William W. Morris ensured a deeply meaningful experience.

Seven Evangelism Models were enthusiastically received: Extending Your Congregation's Welcome; Faith Sharing; Reaching Baby Boomers; Mobilizing Volunteers For Ministry; Reaching out Through The Sunday School; Evangelism in the Small Membership Church; Stewardship, the Key to All Spiritual Growth; Dr. Joe Harding spoke on "The Pastor's Role in Vision 2000" in the Launch Event.

Under the leadership of Dr. Robert McKibben, chairperson, the 1994 Intensive Training Event was held in three locations, Pensacola, Montgomery and Dothan, in order to offer training for more persons with less travel. The response was excellent with more than 2200 United Methodists in attendance for the three events.

A new model, Reaching Youth Today, taught by Rev. Gregg McKinnon was added for 1994. One hundred twenty-three leaders of youth were trained in these three events. Rev. Allen Newton chairs the Youth Leadership Committee for Vision 2000 Task Force.

Laity Transformation 2000 chaired by Mr. Charles Holston, a program to train emerging leadership among the laity, was held at the same time as the Intensive Training Events. Mrs. Jean Henderson and Dr. Robert Wingard were leaders. This format of meeting in conjunction with the Intensive Training Events was effective and will be presented in this format in 1995. Laity Transformation 2000 is designed to develop a new lay leadership for the local churches.

The Promotion and Publicity Committee chaired by Rev. Joe H. Bullington, Jr. designed a Vision 2000 billboard for the districts of the conference. Thirty billboards were ordered. The districts assumed responsibility for mounting these billboards in strategic locations.

The Spiritual Foundations Committee chaired by Rev. Gary Miller and assisted by Mr. Jimmy Scruggs, organized 24-hour prayer vigils involving more than 800 United Methodists during the Launch and Intensive Training Events. Rev. Miller initiated District Day Apart For Clergy scheduled in each district. They were well attended and response of the clergy was very positive.

Dr. Michael Watson, Chairperson, directed **The Worship Attendance Crusade** in 1993 which was held during the Lenten season. Churches throughout the conference participated in this campaign to increase attendance at worship services with great success. Conference-wide, there was an average worship attendance increase of 7.5%. However, some districts actually had an increased attendance of 11% to 14.9%.

In 1994, the emphasis was a **Sunday School/Worship Attendance Crusade**. At this writing, the returns are not yet in and tabulated. A very strong response is anticipated.

Rev. Douglas Newton chairs the **Clergy Proficiency Events Committee**. The events are to be held annually for three years. Two hundred thirty-nine clergy attended the 1993 event on August 28, "Making The Vision A Reality," which featured Bishop Robert Spain. It was an outstanding event.

A conference-wide **School of Evangelism** is scheduled for 1996. Mrs. Ann Hinds is chairperson of this committee.

In consultation with pastors and congregations, each district superintendent will nominate congregations in their district each year to become **Growth Plus Congregations** under the direction of a Growth Plus Consultant. By the 1994 session of Annual Conference, Alabama-West Florida Conference will have between 40-50 trained Growth Plus Consultants. Rev. Bill Curtin is chairperson of this committee.

A regular feature of the United Methodist Christian Advocate and The Connectional Link, entitled "It Worked For Us," edited by Rev. Don Brill of the Conference Council staff highlighted many Vision 2000 success stories from clergy and laity in local churches. AWF Vision 2000 is indebted to Debbie Stanley, Conference Council support staff, for her expertise and great spirit in executing the clerical work for this complex program.

The first National Vision 2000 Leadership Event was held in Nashville, TN this past August. Our Alabama-West Florida Conference Vision 2000 Task Force was represented by Mr. Charles Holston, Dr. Robert McKibben and Mrs. Mary Ellen Bullard. It was very informative and inspirational to share Vision 2000 experience with representatives from 44 conferences and 31 states throughout the nation.

As we move forward planning for ministry into the next century, we concentrate on the next steps for continued training:

1994 Clergy Proficiency Event, August 30, will feature Dr. George Morris with the theme "Discovering The Mind and Mission of Jesus Christ"

1995 Sunday School/Worship Attendance Crusade, February 12-April 16 (Easter Sunday)

1995 Intensive Training Events, February 11 and 18 (an additional day to be announced);

1996, February 3 and 10 (additional day to be announced)

1995 Laity Transformation 2000

1996 School of Evangelism. Exact date to be announced.

AWF Vision 2000 Task Force

COMMISSION ON NEW CONGREGATIONAL DEVELOPMENT

Report No. 1

In keeping with the Standing Rules, page 199 of the 1992 Conference Journal, [The Commission shall develop standards and guidelines for congregational development and annually establish the conference priority(ies) for new congregational development. It shall administer the funds made available to the commission from all sources.] The commission has worked through at least four meetings to look at new property, discuss at length priority possibilities, and follow through with grants. A 'thank you' goes to the persons serving on this commission. They are: Mrs. Laura Edwards, Vice Chairperson; Rev. Tim Trent; Rev. Norman Carr, Chairperson; Rev. Jeff Spiller, 500/1000; Rev. Doug Pennington; Rev. Charles Avery; Rev. Luke Bell; Rev. Bruce Gagle, Secretary; Mrs. Jennie Norton; Rev. Ed Sells, Cabinet; Rev. Grant Parker, Missions; Dr. William Calhoun, Conference Council; Mr. Al Bruner, Conference Staff; Rev. Naomi Brown, Equitable Salaries; Mrs. Terry Turner, Foundation; and Bishop William Morris. These persons, as well as our District Superintendents, have been most helpful to the commission in the progress which has been made.

Accomplishments have been noted in the three areas of our sub-committees which are: 500/1000, Site Selection, and Floor Planning. These areas were set four years ago. We did not reach our goal in the 500/1000 effort, but funds which have been received in this area are most appreciated. We strongly urge you to join in the effort to raise these funds to provide an endowment for the building of future congregations. To date we have received \$57,411.82 through this program. We received \$28,778.20 in 1993, and \$3,474.34 in 1994. It is so important for the future life of our conference to support the development of New Congregations.

The Commission meets four times per year. The November meeting is designed for district committees to present their requests so that new priorities for the coming year can be set. We must aggressively pursue the establishment of new congregations in order to reach people for Christ in new and changing areas.

The established goals for the commission are: (1) assist in the establishment of at least one new congregation per year, (2) continue raising funds for both Fund I (grant monies) and Fund II (Endowment) through the 500/1000 plan and other means, (3) to seek new areas and new leadership in these areas, (4) to sponsor one pastor working the new congregations to attend a National Church Development Seminar, (5) and continue overseeing the various areas of service in progress.

Report No. 2 — FINANCIAL

We had a very progressive grant program in 1993. The following grants were allotted and paid: New Style in the Selma District — \$15,000; Orange Beach in the Pensacola District — \$25,000; Emmaus in the Marianna/Panama City District — \$20,000; and Woodbine in the Pensacola District — \$60,000. The total of grants given for 1993 was \$120,000. We can applaud our conference efforts in these areas.

Our grants for the 1994 year are: Orange Beach in the Pensacola District — \$45,000; Bayou George in the Marianna/Panama City District — \$15,000; and \$10,000 for the demographic procedure (Percept) which will assist us greatly in the location of vital new areas for the future. A part of these grants has been paid. We are prayerful that a vital 'new' area will be ready to launch by the end of the year. The balance in Fund I (the grant account) is \$29,283.98 at the time of this report.

Report No. 3 — PERCEPT

Through the efforts of Bishop William Morris and his Cabinet, the Conference Council leaders, and the Commission on New Congregational Development we have begun an ambitious task in securing the services of Percept. This company offers us a thorough demographic study of our annual conference revealing where people are located. This study can be broken down in five square mile increments and less. It can be made available to the Conference, the Districts, as well as local churches. The Commission has requested funds from the Districts, the Commission on Evangelism and Missions, as well as support from this Commission to underwrite the cost of this program. We know that this requires extra work from our District Offices, as well as others, but it should give us a 'bird's eye' view of new areas of development in our conference area.

It is our prayer that the entire conference will strongly join together in finding great new areas for United Methodist Churches to develop, as well as helping us raise funds and find the leadership needed. Let's give these days our very best for Christ and His Church.

Respectfully submitted,
Norman Carr, Chairperson

BOARD OF CHURCH & SOCIETY

Report No. 1

The interaction of the church and society is still a very vital part of today's life. Almost every aspect of our being is or at least should be connected to our church. Many of the problems that are in the world today are a direct result of people losing that connection with the church. It is the feeling of the Board of Church & Society that we need to work on restoring that connection and being able to keep our conference membership informed of the many tasks that need the help and prayers of all of us.

One of the big issues that we are faced with in this conference is that of the gambling issue in Alabama and now things are starting up about casino gambling in Florida. The Mobile District is very active in getting information on the United Methodist beliefs out to the general public.

Another program that has come along very well is that of the Mercy Ministry Task Force. The Mercy Ministry Task Force was established by the 1992 Annual Conference. The task force is now a sub-committee of the Board of Church & Society under the leadership of Rev. Louise Johns and Rev. Jamie Pickard. Many good and inspirational meetings were held this past year. The focus of this committee is not just on the criminal but is also on the victims. Both groups of people have very real needs and concerns.

As the chairperson of this board I will do whatever is necessary to keep the Alabama-West Florida Conference informed of the many issues facing our society today. If you have any questions or concerns please contact me.

Irving L. English, Chairperson

Report No. 2 — CRIMINAL JUSTICE AND MERCY COMMITTEE

The Criminal Justice Committee is a committee under the Board of Church and Society. There are ten active members. Co-chairs are the Reverends Jamie E. Pickard and Louise Stowe Johns.

In June, 1993, the Committee met and reported on projects done by local churches that included officer appreciation day, and Christmas gifts for inmates. It was reaffirmed that the Board of Church and Society is concerned with victims as well as offenders and the work of the Committee reflects that responsibility. This November meeting focused on victims and was led by two United Methodists who are active in prevention and assisting victims: Anita Armstrong Drummond and Mary Prim. Both agreed that the church's voice needs to be much greater and that, with the alarming incidence of abuse in the home, prevention should be a high priority in the church.

In January the Committee watched the video, "Cancelled Lives" and talked about ways to make concrete our denomination's commitment to minister to persons involved in criminal justice. Ways to affect legislation were explored, which began the discussion leading to a day late in 1994 during which people would learn how to make that happen. Final plans for meeting with Hilary Shelton of the General Board of Church and Society in D.C. were made.

In February Hilary Shelton came to Dexter Avenue in Montgomery. About twenty persons participated in sessions he led. He gave an overview of church and society issues and how to get things done locally. The theology and official policy of United Methodists on these issues is in *The Book of Resolutions*, an invaluable guide. He emphasized the need to be informed and as informed Christians to be in touch with state and national legislators; it does have an impact! He urged persons to subscribe to *Christian Social Action* as a way to stay current on issues that the United Methodist Church is monitoring. Mr. Shelton spent several hours working directly with members of the Committee on topics of gun control, death penalty, the Crime Prevention Act of 1994, and drug use. He urged persons to belong to *Interfaith/Impact for Justice and Peace*: "a united voice for the religious community

in Washington" through which one can translate one's values into votes on Capitol Hill. They sponsor yearly briefings in D.C.

The Southeastern Jurisdiction is setting an example to other jurisdictions in its active Fellowship for Criminal Justice and Mercy Ministries. It sponsors a conference each year. In 1993 the Reverend R. Dick Johns led the Bible study on Habakkuk. At that conference a mission statement and purpose were adopted and officers elected. The Reverend Louise Stowe Johns was elected chair of the Fellowship. The 1994 conference, July 28-30 at Lake Junaluska, will focus on how to minister to victims and offenders. Keynote address and helpshop will be led by Bishop Kenneth Carder, Nashville Area. He will speak on John Wesley's theology as it was expressed in ministry to offenders. A post-conference event will help annual conferences organize for criminal justice and mercy work.

In the coming year, these suggestions are given for local churches:

1. sponsor a day of appreciation for law enforcement persons (city, county, prison);
2. be intentional in ministering to victims of crime and family members of offenders;
3. show video: "Cancelled Lives" (letters from inside jail and prison); available through the Rev. Bill Appleby, Lake Junaluska;
4. be in touch with legislators in regard to legislation being considered, making clear your membership as United Methodists;
5. invite member of this Committee to speak in your congregation.

The Committee is planning a day in 1994 to raise consciousness, and to educate about issues of criminal justice and mercy. It will focus on how best to organize in order to impact on issues of criminal justice in the legislature (nationally, and in Alabama and Florida). The event is being chaired by the Reverend Spencer Turnipseed.

The Committee would like to know of any program or efforts toward ministering to victims or offenders either by congregations or individuals. For assistance to implement the ideas suggested, please contact any member of the Committee for guidance and/or information. They are: Ms. Deborah Anthony, Chaplain Edison Burleson, Rev. Tonya Elmore, Rev. Art Hall, Rev. Louise Stowe Johns, Mrs. Francis Jones, Rev. Jamie E. Pickard, Mrs. Mary Prim, Rev. Spencer Turnipseed, and Ms. Annette Wallace.

ETHNIC LOCAL CHURCH CONCERNS COMMITTEE

During the 1993-94 period the Ethnic Local Church Concerns Committee realized limited growth with excellent potential. The resignation of our chairperson, due to health reasons, required that a new chairperson be affirmed. As the new chairperson, I have attempted to overcome that setback. The committee has been positive in this affirmation of me, for which I am truly grateful. Over the course of time, since my election as chairperson, I have grown in an understanding of the enormous responsibilities of this committee. Although much work remains, I am confident that with God's help we will provide the leadership this Annual Conference requires. Mr. Curtis Henderson, the Conference Council on Ministries representative for our committee, continues to give his advice and support of this committee. We offer our sincere gratitude for his excellent assistance to us.

We have met four times this past year. Our primary task remains the approval of the Conference Comprehensive Plan. That plan is presented with this report as Report No. 2 for Annual Conference approval.

A clergy retreat, specifically for African-American clergy in our conference, was held on October 8-9, 1993, with Bishop William W. Morris as the resource person. As a result of this successful retreat, the Black Pastor's Fellowship was formed, as a means of providing a spiritually focused cultural alternative for these pastors of the annual conference.

Plans for the Demopolis District lay leadership training workshop for August, 1993, were not finalized. This workshop will be held on August 13, 1994 at St. Paul United Methodist Church, Eutaw. Plans for a workshop in February, 1994, to build community between ethnic minority churches and their local communities, were not completed. The planning for this workshop will be completed in the fall of 1994 and the workshop will be conducted in February, 1995.

The work of the Ethnic Local Church Concerns Committee is intended to strengthen the ethnic minority local church. This committee supports summer youth programs in areas of ministry that we feel should realize the greatest harvest in our Black churches. The small

number of Black clergy coming through seminary will only change, in our opinion, as we evangelize our young people. The call to ministry for many of our future leaders is now being enhanced by the efforts of our summer youth programs.

Thirty-three percent of our total budget is dedicated to grants for ministry in the African-American, Hispanic, and Native American churches. The remainder of our budget is therefore committed to conducting workshops and leadership training.

To reiterate the statement by the Rev. Joseph Curtis, we still realize that we have a long distance to go in meeting our goals and completing our task, but we are continuing to make significant progress. With God's help, and the support of the Alabama-West Florida Annual Conference of the United Methodist Church, we will continue to grow together.

Levi Morrow, Jr., Chairperson

BOARD OF EVANGELISM/WORSHIP

We had another good net growth year in our conference, however, we need to strive to lift Christ up to the non-believer even more in 1994. My prayer is that every church in the Alabama-West Florida Conference would have one or more adults come into this His Church on profession of faith during this next conference year. I challenge every pastor and lay person to allow God to work through them to make this a reality.

I am eternally grateful to our vice chair, Dr. Bob McKibben and our secretary, John McCullough for their faithfulness. I continue to be amazed in having such warm and genuine working relationships with our board members, cabinet representative, Dr. Walter Ellisor, conference staff, especially Don Brill.

We had tremendous participation in Vision 2000. It is a wonderful program but we as lay persons need to help our pastors carry the valuable "how to" back to our local congregations so that we might reap the fruits of our knowledge and labor.

The Worship Committee, under the able leadership of Dr. Bob McKibben, has worked diligently with Bishop Morris in planning the communion services, Tuesday evening worship and special services during conference. We pray they will be meaningful to you.

The Harry Denman Awards for 1993 went to the Rev. Lovell Snyder and Gretchen Tindell. The two conference winners were presented with 18K gold lapel pins and a plaque from the Foundation on Evangelism. All district winners were honored at our annual luncheon during conference with Bishop Hunt as our guest speaker. This program has seen much growth and interest.

The Lay Witness Mission Board continues under the fine leadership of Charles Nelson. He meets with our board and keeps us well informed as to everything they are doing or plan to do. We continue to support Ashram, Walk to Emmaus, College & Youth Chrysallis, and Spiritual Formation.

We had four persons who attended the week of Prayer-Bible/Evangelism at Lake Junaluska in July of 1993. We are working toward having at least one person from every district attend this evangelism packed week.

A variety of free resource material is available for you on the display table in the lobby. Thank you for your continued prayers, love, and support.

COMMISSION ON SMALL MEMBERSHIP CHURCH

THEREFORE, BE IT RESOLVED that, in keeping with par. 742 of the 1992 Discipline, a Commission on the Small Membership Church be established as a part of the Alabama-West Florida Conference Council on Ministries for the purpose of coordinating ministries for the small membership church.

Pursuant to the adoption of the above resolution by the 1993 Annual Conference, an organizational meeting was held at the Alabama-West Florida Conference Headquarters on September 16, 1993. The question: "What is a Small Membership Church?" was discussed.

Breaking into three sub-committees, the Commission began work defining goals for 1994 and 1995 and the mechanism to accomplish these goals and measure success. Three broad purposes of the Commission were addressed:

1. To affirm the small membership church, celebrating the fact that many are doing an excellent job in fulfilling the mandate to know and glorify God in their communities — and to affirm the importance of these churches in the Kingdom of God.

2. To establish and encourage communication between SMC pastors and their church/churches. Many SMC's tend to be inwardly focused and unconnected to other churches. Many suffer from declining membership and low self-esteem.

3. To help and enable the SMC to develop a vision for their future in their community and in the world through the connectional church. To recognize the importance of their faithfulness to Jesus Christ.

The committee realized after a day's session that many questions must be answered to effect our program as required by the Conference resolution.

1. How can the members of the SMC Commission achieve personal contact with these churches and their pastors?

2. How to recognize and reward the outstanding and achieving SMC and to identify the needing SMC and how to meet their needs.

3. What means are needed to quantify and measure growth/achievement/strengths?

4. How can Conference level programs assist us? With what other Boards of Agencies do we need to coordinate our efforts? What is currently being done for the SMC at each District level?

5. What training do we as Commission members need? Other Conference/District level training and Individual Churches/Pastors? lay leaders?

Since Rev. Clay Smith, the Director of Hinton Rural Life Center, Haysville, NC was going to be in the AL/WF Conference for Vision 2000 training, it was determined he would be asked to conduct a training program during February 1994. This overnight event would include members of the Commission for the first session to address the dreams and visions of the Commission. The second session would include Bishop Morris, the Cabinet, District lay leaders, and the District directors of lay speakers. Here tools for effective ministry to the SMC would be discussed. This meeting was arranged.

At the January 1994 Council on Ministries Planning Session, the Commission designed an application form for selecting and recognizing an Outstanding SMC at the District level and at the Annual Conference. Goals and objectives for the Commission were refined in order to prioritize budget requests for 1995. It was decided to push for the Recognition of the Outstanding SMC at the District level and to select the Conference winner for Annual Conference recognition in 1994. A \$500 scholarship would be proposed to held their leadership celebrate their church at the SEJ Convocation on Small Membership Churches at Lake Junaluska, NC in August 1994.

In February 1994 the Commission did meet at Blue Lake with Rev. Clay Smith as facilitator. Attending were members of the Commission on SMC, Bishop William Wesley Morris, the District Superintendents and invited guests.

The dreams and visions for this Commission on SMC were enumerated:

1. To have a working Committee on Small Membership Churches in each District.
2. To develop a support network of available resources and personnel.
3. To use Conference paper to educate, communicate and recognize the importance of small membership churches within each District.
4. To develop a strong lay leadership involvement.
5. To develop a training packet for training teams in the SMC geographical area.
6. To use Sunday School as primary place to strengthen small membership church.
7. In appointment process, to help every pastor going to Small Membership Church to feel that is is an important and critical appointment. (Training/Orientation in SMC)
8. Help every local small membership church to feel they are remembered, integrated into and a valued part of the connectional church.
9. Recognition of positive things in small membership churches throughout each District.
10. Recognition of Outstanding Small Membership Church in each District as well as at Conference level. Award at Annual Conference of Outstanding Small Membership for AWFC with \$500 scholarship for this church to attend SEJ Convocation on Small Membership Churches at Lake Junaluska, North Carolina on August 1-4, 1994 to present their story of the things they are doing right in a "Celebration" before the assembled SEJ.

Goals and Objectives were adopted and time-lined:

1. ESTABLISH DISTRICT COMMITTEE ON SMC in each District. NLT JANUARY 1995.

Membership: Include good mixture of clergy and laity.

1. Chairman should be the District Representative on the Conference Commission on Small Membership Churches and the member on the District Council on Ministries.
2. District Superintendent to be ex-officio member.
3. One representative from each Sub-District of the District.

Responsibilities of this Committee:

1. Selection of SMC award within that District.
2. Identify churches within their District which are good candidates for revitalization under the Board of Missions.
3. Prioritize churches to help the most.
4. Coordinator of communications/networking within your area to improve self-image of SMC.
5. Training for SMC within their District.*

*This District Committee will be trained by the Conference Commission on SMC and will take that training back to their District.

2. ESTABLISH QUARTERLY SMALL MEMBERSHIP NEWSLETTER. Articles and information specific SMC. NLT December 1995.
3. COMMUNICATIONS. Publish an article in each issue of the AWF Conference paper highlighting successes in the SMC. Articles are to be submitted from each District on a rotating basis. The first article to appear NLT October 1994.
4. SUNDAY SCHOOL. By December 1995, each District will have in place a trained "training team" to enhance the quality of the SMC Sunday School through cooperation between the District SMC Committee and the Conference Board of Education with District training completed by December 1996. By December 2000 each church in the Conference will have at least an intergenerational Sunday School Class. Who: 1. District Committee on SMC, 2. Conference and District lay speakers. Cost: Local Church (for literature).
5. LAY LEADERSHIP: Have a SMC training session for lay leadership during Super Sunday Program in each District led by District Representative on Commission for Small Membership Churches — January 1995.

Plan in 1996 to have a special SMC Committee training session in a SMC setting.

6. PASTORAL LEADERSHIP-SMC: The Commission will encourage an orientation program of one week's duration for all newly appointed pastors of the SMC by July 1996.
7. AWARDS RECOGNITION: Applications for this year's selection for this year's Outstanding Small Membership Church were passed out to each District Superintendent. Deadline for application filing is April 15, 1994. The Outstanding SMC for the AWF Conference will be selected from the winners of the Outstanding District SMC. This winner will be announced at the Annual Conference in June 1994. This winner will be eligible for a \$500 scholarship to attend the SEJ Convocation on Small Membership Churches at Lake Junaluska, NC from August 1-5, 1994, to present their winning story and be recognized by the SEJ before all the assembled SMC as encouragement to them.

For purposes of definition, in the AWF Conference, a small membership church is defined as one with 150 members with an average attendance of 50 or less. Statistically, 67% of the churches in the AWF Conference qualify as Small Membership Churches.

The general church in the AWFC is in a terminology transition with the re-naming of the Town and Country Commission (formerly under the Board of Missions) to the more appropriate Commission on Small Membership Churches. The District representative on the Commission on Small Membership Churches should be the only individual to serve in this role effective January 1, 1995, or as soon as feasible thereafter.

The Commission is organized, active and prayerfully working to touch the hundreds of SMC's in our Conference — to let them know we care!

BOARD OF PASTORAL COUNSELING, CARE, AND TRAINING, INC.

Report No. 1

The Board of Pastoral Counseling, Care, and Training, Inc. has as its missions to provide pastoral care, counseling, and continuing education training to clergy members, parsonage families, and diaconal ministers of the Alabama-West Florida Annual Conference. We are currently in the process of fulfilling that mission by establishing a Counseling Network of qualified, sensitive, and caring professional Christian counselors within easy reach of our clergy and families.

The Counseling Network

1. P.C.C.T., Inc. will maintain a list of suggested counselors who have agreed to adhere to the standards established and who meet certain established criteria of professional conduct and practice. A person or family needing counseling will be able to contact such a counselor directly.

2. Rev. Stephen King is serving as our counseling consultant on a volunteer basis. Persons desiring counseling services can also contact him through a toll free number — 1-800-258-6474. Stephen will then be able to put a person in contact with an appropriate counselor. We are appreciative of Stephen's service and also wish to thank Dothan 1st Church for providing us office space for our equipment and our secretary.

3. If someone desires not to see a counselor who is a part of the network, they should first contact Stephen King to ensure that the counselor meets the basic qualifications specified by P.C.C.T., Inc. Additional expenses incurred are the responsibility of the counselee.

How Payment Is Handled

PCCT, through the Annual Conference budget, will subsidize up to eight sessions per family in a calendar year. The names of clergy and their families are never sent to any board, agency or individuals. Additional counseling beyond the eight sessions will be the responsibility of the individual or family member except in special circumstances.

The Parsonage Care Program is set up in such a way to ensure that service costs will not be too costly or prohibitive to clergy and family. Costs for services will be covered through combination of either two of the following methods:

1. A "sliding fee" scale method that adjusts cost to clergy and family through a schedule based on combined family income (includes clergy's salary, travel, utilities). Reimbursement is made to the counselee.

2. Our group health insurance plan, through Blue Cross/Blue Shield will pay for a portion of service costs when services are allowable and covered. When insurance will not pay, forms will be provided by writing to, or calling the PCCT office. Budgeted money from PCCT has been set aside to help underwrite costs for services for eight visits per family per calendar year.

The cost of the clergy and family for services will be based on the following "sliding fee" schedule representing combined household income. This represents amount clergy will pay.

THE COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women is charged with moving the church toward full and equal responsibility and participation of women in its total life and mission.

The mandate of the General Commission, the Annual Conference Commission, and the local church work area is:

- I To advocate with and on behalf of women individually and collectively in the church,
- II To initiate creative methods to redress inequities in the church,
- III To insure inclusiveness in programming and administrative functions of the church,
- IV To foster an awareness of issues, problems, and concerns related to the status of women, and
- V To insure the full participation of women in the church

Three key words describe the major areas of work of the Commission on the Status and Role of Women: advocate, catalyst, and monitor.

As advocates, the Commission speaks on behalf of women, enabling them to claim their rightful place in decision-making areas.

As catalyst, the Commission endeavors to bring about new perceptions, new roles, and new empowerment for women in the church.

As monitors, the Commission studies the work of the church in issues related to women. It works to seek full participation and equality of women in the church. The Commission does not try to do this alone, but encourages cooperation in all areas of church work.

The Alabama-West Florida Conference Commission on the Status and Role of Women planned and presented four functions during 1993-1994 that fostered an awareness of issues, problems, and concerns related to the status of women. Participation in these events helped to equip women so they could move toward full and equal responsibility and participation in the total life and mission of the church.

At the 1993 Annual Conference two events were the responsibility of the Commission on the Status and Role of Women. Many of the women delegates to Conference attended the annual breakfast sponsored by COSROW. At this time they were challenged by Mrs. Mary Morris to "Move Out of Egypt Land."

The second event at Annual Conference that was the responsibility of the Commission was the presentation of the Alice Lee Award. The Conference Commission developed this award to be presented annually to recognize an outstanding woman of the Alabama-West Florida Conference who meets the following criteria: The recipient has demonstrated a deep commitment to Christ's mission and His Church; she has proven her leadership ability of the United Methodist Church at the local, district, and conference level; she has demonstrated

courage beyond the ordinary; she has given service in her community as well as in her church. In 1993 the Commission was honored to present this award to Betty Salter of the Pensacola District.

The fall meeting of the Commission was held in Montgomery. Local women were invited to come and learn of the work of the Commission.

In February the Commission sponsored a retreat for women at Blue Lake. The theme was: "Women of Vision." The retreat leader was Rev. Helen Pearson of the Candler School of Theology.

The Commission voted to sponsor a partial scholarship for a woman of the Conference who has dedicated her life to a phase of Christian ministry in the United Methodist Church.

The Commission furnished resources to the Conference Task Force to Study Policies Regarding Sexual Ethics/Harassment.

COMMISSION ON RELIGION AND RACE

The Conference Commission on Religion and Race has endeavored to pick up the threads left by the death of its former chairperson, the Reverend William Floyd. Our vice-chairperson, the Reverend Alton E. Moore kept goals before the Commission during the interim prior to the appointment of a new chairperson confirmed at the 1993 Annual Conference.

With that selection, an emphasis has been placed upon fostering training of the members in order to implement the mandates of the General Commission on Religion and Race more intelligently, as a first objective. The secondly, to further the organizational network of the Conference commission. The Bishop's Convocation, originally scheduled for April 15-16, 1994, at our request, was postponed until a September 22-23 weekend in 1995. We have utilized the April, 1994 date to accomplish these objectives. Further, a District Convocation in Mobile was held April 23, 1994 for more training experiences in the Mobile/Pensacola areas. Another is proposed for the Demopolis/Selma areas and for the Marianna/Panama City District.

Further proposals for organization and training are projected for the Montgomery/Troy Districts and the Andalusia/Dothan Districts. All Districts are then being encouraged to be actively engaged in establishing District organizations and to further the concept in the local churches.

Of paramount interest to the Conference is the Conference Review by the GCORR to be held at Blue Lake during the August 19-20 weekend in 1994. We pray for a Review that demonstrates inclusiveness and brotherhood in a Conference that is strong in reconciliation.

BOARD OF MISSIONS

Report No. 1

The Alabama-West Florida Annual Conference Board of Missions has worked diligently to enhance the mission outreach of our conference churches and institutions. We trust our efforts during the past twelve months have benefited our conference and have facilitated the expansions of God's kingdom.

The Board of Missions is structured in a four committee format. These committees are: Congregational Revitalization chaired by Rev. Grant Parker, Outreach Ministries chaired by Sarah Doyle, Mission/Advance chaired by Rev. Don Dean, UMWIM chaired by Rev. Lester Spencer. In reading the committee reports to follow you will sense the high degree of dedication the members of these committees give to the mission work of our conference. I am personally very grateful for their fine work. I am also grateful, as is our entire board, for the support and direction provided to us by Conference Mission Secretary, Rev. Don Brill.

Please continue to support the mission work of our conference through prayer, service and financial support of World Service and Conference Benevolence, Advance Specials, Special Day offerings and the Ten Dollar Club.

GUIDELINES FOR ADVANCE SPECIAL PROGRAM

The Mission/Advance Committee has worked diligently to develop guidelines for governing the Advance Special Program of the Alabama-West Florida Conference.

Approved by the Annual Conference, these guidelines went into effect one day after the close of the 1993 Annual Conference.

The Mission/Advance Committee recommends continuing the following guidelines for the Alabama-West Florida Annual Conference Advance Special program:

Purpose:

The purpose of the Alabama-West Florida Conference Advance Special Program is to further the cause of Christ through encouraging the development and support of mission projects within the Alabama-West Florida (AWF) Annual Conference.

Objectives:

- 1) To provide local churches, organizations and individuals of the AWF Annual Conference an opportunity to "go the second mile" in their missional giving.
 - To develop and maintain a list of AWF Annual Conference related mission projects which have been screened and approved by the Conference Board of Missions for Conference Advance Special Status or CASS.
 - To provide local churches paying 100% of their World Service and Conference Benevolence a method of supplying additional support to the CASS mission project(s) of their choice. (*Discipline* 914.1, 914.3a)
 - To assure local churches, organizations and individuals that 100% of their Conference Advance Special gift is applied to the CASS mission project(s) of their choice.

- 2) To provide an avenue by which ministries related to the AWF Annual Conference may seek contributions from local churches of the Conference, for the support of specific mission projects they are undertaking. (*Discipline* 914.3b)

Guidelines for Granting Conference Advance Special Status (CASS):

- 1) The mission project must be located within the bounds of the AWF Annual Conference or episcopal area authorized by the Annual Conference. (*Discipline* 727.2)
- 2) The work must be a specific mission project or a specific mission project of a broader mission agency.
 - may be self-contained in nature such as a short-term UVMIM workteam or new church development project. (*Discipline* 914.2a)
 - may be a special program of an existing parent or sponsor ministry, i.e., a literacy program, older adult program, etc. (*Discipline* 914.2b, 914.2c)
- 3) The specific mission project must have written, measurable short and long term objectives which align with Conference missional goals and priorities.
- 4) The project must be one which requires a base of support beyond the capabilities of the parent ministry.
- 5) The project must have a separate, written budget expressly designed to outline the anticipated annual cost of operating the project.
 - a specific mission project may receive Advance Special gifts annually, up to but not exceeding the amount budgeted.
 - the budget may not include line items for administration or promotional costs. (*Discipline* 914.3c)
 - there must be an accounting system in place which reflects all monies paid into and out of the specific mission project budget.
- 6) A method of communication between the project receiving Advance Special gifts and the group(s) and/or individual(s) giving Advance Special gifts must be in place and active. (*Discipline* 914.3e)
- 7) All applications for CASS must be submitted to the Conference Board of Missions no later than October 1.
- 8) The Conference Board of Missions will consider all applications for CASS during its Winter/Spring meeting.
 - All projects applying for CASS will be evaluated and rated as to purpose, importance, potential missional impact, past performance, compliance with AWF Conference goals and objectives for mission outreach within the conference, etc.
 - A list of the top 30 projects will be compiled for recommendation to the AWF Annual Conference.
- 9) The Conference Board of Missions will submit recommendations for CASS to the Alabama-West Florida Annual Conference during its regular annual session. CASS will be granted only upon approval of the AWF Annual Conference.
- 10) CASS will be granted for a period of two years. This period is to begin one day after the Annual Conference during which final approval for CASS is granted.
- 11) CASS may be renewed with approval from the AWF Annual Conference. Ministries desiring to continue CASS must complete and return an evaluation packet (to be provided by the Conference Board of Missions) to the Conference Board of Missions by October 1 of the second year during which they have CASS.
- 12) A new church of the AWF Annual Conference may receive CASS for a maximum of five years. After five years, only specific mission projects of the church may receive CASS.
- 13) A new mission agency of the AWF Annual Conference may receive CASS for a maximum of five years. After five years, only specific mission projects of the mission agency may receive CASS.
- 14) A CASS project must receive at least 10% of its granted Advance asking during its term of CASS eligibility in order to seek continuation of its CASS for a new term.
- 15) In cases of natural disaster, CASS may be granted on an emergency basis.

Guidelines for Continuing Conference Advance Special Status (CASS):

- 1) Does the CASS project continue to follow the guidelines for granting CASS?
- 2) Has the CASS project accomplished, or is it making progress in accomplishing its stated short and long-term objectives?
- 3) Does the CASS project continue to require support beyond the parent ministry's capability to provide?
- 4) Did the CASS project properly use and account for Advance Special gifts received?
- 5) Was there proper communication between the CASS project and contributors to the CASS project?
- 6) Did the CASS project receive at least 10% of its Advance asked during its term of CASS eligibility?

Report No. 3 — OUTREACH MINISTRIES

The Outreach Committee of the Board of Missions is an arm of our Conference that is charged with reaching out to others through several areas: Appalachian Development, Christian Unity and Interreligious Concerns, Disaster Response, Health and Welfare, and Urban Ministry.

Appalachian Development: The Alabama-West Florida Conference joins with the other conferences in our region to share resources for promotion of leadership and development in the struggling Appalachian area.

Christian Unity and Interreligious Concerns: This committee works to promote ecumenical worship and activities within local congregations.

Health and Welfare: Through the caring ministries of this committee, we reach out to children, youth, and adults to aid, support, encourage, assist and provide for special needs. Upcoming programs for developing deaf ministries in our local congregations will be held within our conference and jurisdiction.

Urban Ministries: This portion of our committee's work serves as a liaison between the Board of Missions and the Mission agencies of the church. We endeavor to promote and support these agencies as they reach out in the communities in which they serve.

Report No. 4 — GOLDEN CROSS

One of the joys of serving is getting positive feedback from that which one attempts to accomplish. Such has been the case for me as I have worked with responding to the needs of individuals and families through Golden Cross this conference year.

We have been able to assist over twenty-seven families during the year. This financial help has been in the area of medical expenses. It would average slightly over \$856.00 per family. I have received many notes expressing appreciation for such a ministry which is provided by the members of United Methodist people across our conference.

Golden Cross receives support only from the Mother's Day Offering each year. We ask that each local church give the opportunity to its members to make a financial gift to this cause each and every Mother's Day. James says, "Be ye doers and not hearers only..." Send all remittances to the Conference Treasurer on the regular remittance forms.

Listed below are guidelines which we seek to follow in assisting United Methodist people. District Superintendents and pastors are usually those who make the initial contact with me for such assistance.

1. Assistance shall be for United Methodists and any payment toward financial assistance shall be only to the hospital, doctor or pharmacy. I need to receive a copy of the bill showing the amount of the unpaid balance. I will provide each applicant with a form which is to be filled out in advance.
2. No assistance shall be granted to persons except upon the recommendation of a pastor who is in a position to know of the need and circumstances. Assistance to a pastor shall be granted only on the recommendation of his or her District Superintendent or the Conference Treasurer.
3. The amount of assistance granted to any person shall be limited to a total of \$1,600 for any combination of hospital, doctor and drug bills.

4. When, in the judgement of the Golden Cross Director, extreme situations seem to justify it, an additional payment (not to exceed \$400.00) may be given to the same person during the period of a year.

Report No. 5 — FAR EAST EVANGELISTIC MISSIONS, INC.

There is a correction long over due. In the listing of Mandarin Far East Evangelistic Mission, the word Mandarin is in error. Our Charter and By-Laws have always been FAR EAST EVANGELISTIC MISSIONS, INC. (FEEM)

The FEEM has been supporting up to 26 students, per year, in Seminaries and Bible Colleges in Hong Kong and Taiwan over the past thirteen (13) years. More than fifty (50) of these have graduated and are now in the field serving the Lord.

We have in the last few years provided funds for students going into Mainland China as "tourists." These "tourists" go underground as soon as they can and usually stay several weeks. One of their leaders, who I will not identify, has made more than 100 trips like this, taking the students in with him.

In September and October of 1993 we have established contact with two (2) of the thirteen (13) Seminaries which have been authorized by the Government. The Government authorized the housing, teachers, books, other facilities but no allowance for food. We have provided funds for food for the two (2) and are in contact with the President of the Council of Christian Church China, trying to get in touch with other Seminaries.

We are hoping and praying our support continues to grow as we proclaim the Gospel of Jesus Christ in Mainland China.

Report No. 6 — THE UNITED METHODIST INNER CITY MISSION/ MOBILE METRO MINISTRY

The conference year of 1993-1994 witnessed, for the first time in 27 years, a change in leadership. The Reverend Fred Toland, who established the ministry, retired from full time leadership. The Rev. Charles Fail has assumed the position of pastor/director. Because of the solid foundation and the excellent staff the transition occurred without any drop in programming or service to the people in the inner city of Mobile.

The Mission continues to strive to be the body of Christ in the inner city. We seek to proclaim the liberating love of Jesus Christ to those who find themselves in various forms of captivity and oppression. The Mission minister to an area where a lot of good people live in tough situations. Drugs, crime, poverty, hopelessness, overcrowding, homelessness and fear continue to plague our community. We continue to develop and implement programs and activities that will assist them in their life journeys. Services such as emergency

assistance, Bible classes, youth, children and community groups, senior citizens fellowship, feeding for street people, tutoring, young mothers club, homemaking, drug education, adult basic education, commodities and other programs continue to address the particular needs of the people of the inner city.

We completed our first year in our new gymnasium. The Mobile City Council has named it the John Frederick Toland, Jr. Gymnasium. This gym has greatly enhanced our sports programs. Five basketball teams with over 100 children and youth participated in the city league. This sports program is year round and includes football, softball, baseball, volleyball and cheerleading. We are now looking at ways to increase our female participation. The gym and recreation building also host our pre-school program and senior citizens activities, as well as offering activities such as foosball, ping-pong, Nintendo and table games for our small children.

MOBILE METRO MINISTRY

The Mobile Metro Ministry reaches out in cooperation with the ecumenical community of Mobile to address spiritual answers to increasing poverty, crime, illiteracy, prejudice, drug abuse, homelessness, juvenile crime and now casino gambling. We work with the (1) Ecumenical Care Exchange; (2) Conference of Downtown Churches; (3) Disaster Response; (4) Bay Area Food Bank; (5) Federal Emergency Food and Shelter; (6) Mobile County School Board; (7) Mobile Community Action; (8) Mobile Ministerial Association; (9) Mobile Community Organization; (10) Conference work teams projects and (11) the newly formed Homeless Task Force.

Two projects, which we hope will address some of the problems above, are now in formation.

First is the West Wilmer United Methodist Christian Center. This outreach ministry was founded in 1987 by the Wilmer United Methodist Church in the poverty community of West Wilmer. Mobile Metro recently assumed responsibility for the Center. We are in the process of repairing the facilities, starting new programs, offering guidance to the lay speaker assigned there, and generally offering spiritual hope to this community.

Second is the now closed St. Francis Street United Methodist Church. The District Board of Missions and Church Extension, by request of the District Council on Ministries has asked the United Methodist Inner City Mission/Mobile Metro Ministry to prepare a mission and ministry plan for this facility. In coordination with many of the religious and social institutions in Mobile these plans are progressing well.

Briefly, our plan will begin with a mission program directed primarily toward the homeless. We are currently working with several agencies in a cooperative effort to aid the homeless. It is our plan to provide a daily feeding program through "Loaves and Fish." We are also in conversation with the Franklin Memorial Clinic who would provide primary health care for the homeless and we are working with the YWCA to establish a day care for the children of the homeless. Other programs would include an office for the Conference of Downtown Churches which would help coordinate the various ministries downtown.

We are also proposing, with prayerful anticipation, the establishment of a multi-cultural, multi-ethnic congregation. We believe that now is the time for United Methodism to actively express its belief in inclusiveness. The Mobile community also seems ready for this experience. A date of November 27, 1994 has been suggested as the date for the first service. We are excited about these dreams.

Fred Toland continues to serve in an advisory capacity to the mission as well as handling all the disasters. This year he was instrumental in rescue efforts and follow up response to the tragic Amtrak accident in Mobile and he helped to guide Methodist relief efforts to the flood stricken Midwest.

There are numerous other activities and programs at the Mission that would not be enumerated. Please know that we continue to seek to be the Body of Christ in the inner city of Mobile. We covet your prayers.

Charles Fail, Pastor

Report No. 7 — TEN DOLLAR CLUB

The Annual Conference through the Board of Missions has established the TEN DOLLAR CLUB to be used in our Annual Conference for Church Extension (new Churches) and the Revitalization of established Churches and Missions.

In March, 1994 there were 2,859 members including all the ministers in our Conference. You may become a member by writing the Conference Missions Secretary. You may become a member as an individual or your group may join (Sunday School Class and any group in the Church). As a member of the TEN DOLLAR CLUB you will be invited to contribute \$10.00 no more than two times per year. All appeals have been studied and approved by the Conference Board of Missions. You are assured that the need and ministry are vital and that 100% of your gift is used for that project. The cost of Administrative printing and mailing are paid from funds through our World Service and Conference Benevolence Apportionment (this is why it is so important to pay your World Service and Conference Benevolence in full that 100% can be given to the needed ministry).

The results of the last ten (10) appeals:

Mexia UMC (Andalusia) — Relocation	\$ 5,000.00
Daphne UMC (Pensacola) — Expansion	\$ 4,700.00
Korean UMC (Montgomery) — New Ministry	\$ 5,300.00
St. Mark (Andalusia) — Relocation	\$ 5,700.00

The Spring-Summer, 1994 appeal is for our new Church in the Pensacola District — the Orange Beach United Methodist Church near Gulf Shores, Alabama.

The Fall, 1994-Winter, 1995 appeal will be for our current Revitalization Church, the Mulder Memorial United Methodist Church near Wetumpka, Alabama.

**Report No. 8 — HISPANIC MINISTRIES
OF THE ALABAMA-WEST FLORIDA CONFERENCE**

Our Mission Statement is: The Hispanic Ministries of the Alabama-West Florida Conference is established as a ministry with an emphasis upon spiritual growth and development among Hispanic people residing, either temporarily or as permanent residents, within the bounds of our conference area. The ministry has an executive director who will call upon volunteers from local churches to assist her/him in carrying out the mission and purposes of this ministry, including the following:

- * Bible Studies — Home and Local Church
- * Immigration Counseling
- * English Language Classes
- * Children, Youth, and Family Ministries — for Recreation and Spiritual Development (Super Saturdays, etc.)
- * Personal and Family Counseling and Referral to Proper Agencies as the Need Arises
- * The Creating of House Churches for Worship, Study and Fellowship

The ultimate goal of the Hispanic Ministries of the Alabama-West Florida Conference is to spread the good news of Jesus Christ to all Hispanic persons of the Alabama-West Florida Conference, to help bring them into a personal relationship with the Saviour, and to assist them in growing toward maturity in this relationship.

With praises to the Lord, we can say that we have been faithful to our Mission by taking advantage of every program and achievement to present Jesus Christ as the only Lord and Saviour.

We work with three different groups: Students, Migrant or Seasonal Workers, and Permanent Residents.

A.) Students

Location:	University of South Alabama (Mobile)
How often:	Weekly, all year long
Number of Participants:	12 to 20

Characteristics: These are Central American students who have won a scholarship for their high I.Q. Most of them are Roman Catholics who have never before associated with an evangelical organization.

B.) Migrant or Seasonal Workers

Location: Eastern Shore, around Fairhope
 How often: Weekly for two to three months, April, May, June
 Number of Participants: From 20 to 100 people
 Characteristics: Most of them come from Texas as a family.

C.) Permanent Residents and Seasonal Residents

Location: Baldwin County
 How often: Weekly and on a seasonal basis
 Number of Participants: From two to three to 50 people
 Characteristics: Seasonal workers usually stay from six to eight months and permanent residents here in Baldwin County are those who have decided to stay and stop their migrant life. Most of them hold jobs with a minimum wage.

Last year, with the help of Diane Beers, we attempted to gather some residents in Enterprise, AL during Holy Week. We did not have much response and then the Beers moved to Dothan, AL. Last year we also worked with some Navy families and had a Vacation Bible School with migrant and semi-permanent residents.

We are conscious that this is not just another charitable organization that gives away certain things and fulfills material needs. We know the reason for our presence. We know the purpose of our Mission and we know how to meet our goals.

To all our supporters, we wish you blessings upon blessings!

Aida B. Walker

HISPANIC MINISTRIES LONG AND SHORT RANGE GOALS 1993-2000

I. Areas of Concentration

Although Hispanic Ministries is a Conference-wide program, it is felt that we must concentrate primarily in the Mobile and Pensacola Districts at the present time. Pensacola has the highest number of Hispanic families of any of our districts, and due to the limited staff and the traveling distances involved, it is felt these areas will be the best and most logical to focus upon. Part of our plan includes methods by which we can encourage and support other churches and districts in our Conference to become involved with the Hispanic populations in their area.

II. Targeted Groups

Three distinct groups of Hispanics have been identified:

1. Students (Colleges, Universities)
2. Migrant Workers
3. Permanent Residents

Since the needs and interests of these three groups vary considerably, it is felt that a different strategy must be developed for each group. The recommendation is to develop three distinct models for development of "Communities of Faith" which could be implemented or established in different locations, local churches, or districts depending upon the needs of the particular population of that area.

PLAN: the development of implementation documents describing models of ministry for development of communities of faith including particulars of how-to's, resources, and volunteers network born of experience. Three documents (or packages) would be written, one for each of the three identified groups. This is to be written by January 1, 1995, and reported at Annual Conference, 1994. A "needs assessment" will be completed for each group according to the "7-Step" document.

III. Volunteer Network

One of the greatest needs is locating and utilizing individuals and groups who have an interest in Hispanic Ministries. Within each local community in our conference we want to locate and make available a list of such people. These might include:

1. Local church members
2. Community Professionals
3. Teachers (Spanish teachers, etc.)
4. Dentists, doctors, etc. (See John Shriner's recommendations)
5. Youth groups
6. United Methodist Men and United Methodist Women
7. UMMVIM volunteers who have made trips to Hispanic countries

TARGET DATE: Jan. 1, 1995. These lists would be made on a District-by-District basis.

IV. Promotion Activities

Several ideas and activities were suggested in order to promote and present Hispanic Ministries throughout our Conference. Of the many that were suggested, the following were given priority:

1. Conference Wide "Hispanic Sunday"
 - Tentative date: Third Sunday in September
 - Brochure available to all local churches as a bulletin insert
 - Promotion through CCM
2. Informative, top-quality newsletter
 - To be mailed quarterly
 - Sent through bulk-rate permit of Conference as a separate mailing
 - Use Desk-Top publishing program to insure quality
3. Broad Mailing List
 - include Missions Work Area Chairpersons of each local church, UMMVIM volunteers, pastors, UMM and UMW presidents, etc.
4. Regular articles in Denominational newspapers
 - Link and Advocate
 - Make note of deadlines
5. Speaker's Bureau
 - Identify volunteers who are willing to be spokespersons for Hispanic Ministries
 - Offer training
6. Quality Video and/or Slide Show
7. Annual Banquet
8. Update articles in Pensacola and Mobile District Newsletters
9. Press Releases for Mobile and Pensacola local papers
 - Spanish Column (?)
10. Target UMM's and UMW's

V. Organizational Goals

1. By year 1997, have six lay missionaries selected and trained (two per year)
 - This is according to the National Hispanic Plan
2. By year 2000, have 15-20 local churches involved in some form of Hispanic Ministry.
3. By year 2000, have two Hispanic Congregations in place.
4. Tie-in with UMMVIM work trips in Hispanic Countries and offer home Conference alternatives.

ADDITIONAL NEEDS/GOALS:

- Office Space to house Hispanic Ministries
- Purchase of property to provide a "Gathering Hall"
 - (Construction of Hall to be a mission work trip opportunity for local congregations/individuals)

Report No. 9 — NOAH'S ARK

The ministry of Noah's Ark has continued to make the only permanent year round outreach specifically to the visitors of Panama City Beach. God has blessed the ministry of Noah's Ark and has created a "community" through which He touches the world from

the Southeast to Canada, even to England and beyond. The involvement of the Snowbirds and summer retreat groups in the outreach ministry has been phenomenal.

This past summer showed an increase over last summer not only in income but also in the number of people involved. The summer concerts performed twice nightly averaged almost 700 people a week and the youth who stay in retreat at the Ark continue to make a tremendous witness on the beach each afternoon. Most of the retreat groups from last summer have already made reservations for summer 1994. The usage of some retreat facilities for the summer was 85%. Although there has been a decrease in winter visitors to the area over the past two years due to increased insurance costs, participation in the Snowbird ministry continues to thrive with over 850 people involved this past winter. During the period between October 15 and April 1 the facilities of Noah's Ark are used 65% of the time for art and craft classes, Bible studies, worship, workshops, and meetings. This is 4.5 days of every week the total facilities are used from 9 AM to 9 PM. The age span of this group encompasses ages 55 to 85 with the average being around 75 years of age. The need for a pastoral ministry with this group has continued to grow. Being there for them in the midst of death or sickness when far away from home and family is very important. Amidst the love and fellowship shared, it is easy to understand why the Snowbird Ministry is their home and family when they are in Panama City Beach. Listed below is a partial list of the ministries and activities which take place at Noah's Ark.

Although only 16% of the total funds needed to carry on the ministry of Noah's Ark in 1993 came from United Methodist sources (*Conference Benevolences, Advance Special Gifts, UMW*), these funds are the "seed" money that helps the Ark raise the additional funds from the summer and winter ministries. As Noah's Ark moves into its third decade of service there are many new and exciting opportunities for God to reach the world through the ministry of Noah's Ark. Exciting things are happening at Noah's Ark. From the old theater in Long Beach over 20 years ago to today God has had a place in the midst of the "Miracle Strip" and God will continue to have a place through the support of his people called United Methodist.

Summer Ministry

- *Twice nightly FREE Christian concerts to public*
- *Retreat Center for youth groups to hold retreats and become involved in ministry*
- *Daily Afternoon Beach witnessing with retreat groups and summer musical group*
- *Permanent Christian presence and Witness to vacationers*

Winter Ministry

- *Christian Community meeting the needs of winter residents of Beach area who are mostly Retired Age*
- *Pastoral Ministry to Winter visitors*
- *Special events*
- *Health programs*
- *Opportunities for community service*
- *Weekly Classes and Activities (with many Multiple classes):*

Report No. 10 — HEIFER PROJECT INTERNATIONAL

Heifer Project International was founded on the mission of the church presenting the word and works of Jesus Christ in the world. In this 50th Anniversary year that beginning is affirmed with celebrations of Jubilee across the land and around the world.

Heifer Project International helps hungry families feed themselves and care for the earth. From the first heifers delivered into Puerto Rico to the most recent rabbits to Poland HPI has provided families gifts of livestock that provide hope for the future.

Moving into the second fifty years HPI is focusing on five areas: **Helping Children** — With milk, meat and eggs the malnourishment of children is overcome. **Enabling Women and Families** — Training is given to the women who are the primary caregivers for animals. The entire family benefits. **Developing Community** — HPI enhances self-help by letting farmers determine their own project and procedure so that they own the project. **Care for the Earth** — By introducing sustainable farm systems families can work their farms for generations. **Passing on the Gift** — Each beneficiary family shares the first offspring with another to help them begin an ongoing source of food and income.

The beginning of this mission will be celebrated on July 16, 1994 in Mobile at Ashland Place United Methodist Church. A Jubilee Reunion of Heifer Project International's very first shipment will be the feature of displays, speakers and a celebration supper. This first shipment was from Mobile Port to Puerto Rico. Join in this 3:00-7:30 p.m. celebration by contacting Rev. Steve Warren, Jubilee Chairperson, at Westside UMC, 205/478-3721.

Over these Fifty years HPI has provided over 100,000 food, fibre and power producing animals along with two million poultry to over one million families in 110 countries around the world. Each year another 10,000 families are welcomed into the fellowship of HPI farmers as new project holders.

Heifer Project International is an UMCOR General Advance Special (#982532-1). The UMC has been represented on the HPI board since incorporation in 1953. This partnership in mission has reached around the world to make the love of God real in the lives of hungry and poor families.

The Alabama-West Florida Conference has been supportive from those early years and Heifer Project International is most grateful as we move forward in service to hungry families.

Heifer Project International may be contacted at 1-800/422-0474.

Report No. 11 — NELLIE BURGE COMMUNITY CENTER

We have been blessed throughout our ninety year history by being afforded the opportunity to render service to God's people. To see the positive changes come into the lives of children and young adults is both gratifying and rewarding.

All of our programs are progressing nicely in spite of the fact we operate under very crowded conditions. The need for adequate space is acute. The board of directors is keenly aware of the situation. Two lots immediately north and one on the east side have been secured. This will give sufficient space for a new facility to allow service to many more people. Proper publicity will be forthcoming as plans are finalized. It is exciting to think about it.

The Home Daycare Nutrition Program continues to flourish. There are now 280 homes under contract with approximately 1700 children enrolled. Four monitors work in this program each day to assure these children receive nutritious meals.

We are extremely grateful to those who help to make Camp Discovery a reality each summer. Our children join with those from Dumas Wesley and Mobile Inner City for a memorable experience at beautiful Blue Lake.

We continue to be confronted with people who are homeless and in need of emergency food and clothing. Devastating conditions under which so many people live continue to alarm us. We try not to turn any deserving person away empty handed but our resources are extremely thin at times. We are determined, however, to maintain a ray of hope to those who come.

We are grateful to those who help to make our efforts bear fruit. It is indeed heartwarming to be reminded of the compassion and love of so many people throughout the conference. We all pledge to do our very best as we approach each day.

W. Paul Woolley, Jr.

Report No. 12 — DISASTER RESPONSE

The Conference Disaster Response Committee has the organization and structure to effectively respond to any disaster within our Conference and to go beyond our boundaries as needed.

Two key messages from the committee to our Conference members interested in being of help following a disaster are:

- (1) Never send donated goods to a disaster without first determining they are needed. Never send old clothing unless requested, and always box like items together and label the boxes clearly. If truck loads are sent follow that procedure and also put them on pallets. Again, never send goods unless they have been agreed on by the recipients.
- (2) Volunteers can be an asset or a liability. Before you send a work team get in touch with the disaster survivors and clear everything with them before you go. Work teams who come unannounced can add to the problems of a disaster.

Your conference committee can help you with either of these donations, and you are encouraged to let up help you.

Members of the Conference Committee have been instrumental in the organization of a local interfaith in Mobile to assist in disasters such as the Amtrak wreck, a hurricane, etc.

They have also taken the lead in organizing a state VOAD (Volunteer Organizations Active in Disaster) to help coordinate disaster response in Alabama.

This committee is ready to do what needs to be done in any disaster and are available to you.

Report No. 13 — SECTION ON CONGREGATIONAL REVITALIZATION

Our section's primary responsibility is to provide assistance to existing congregations in their revitalization efforts. For the purpose of definition, revitalization does not mean starting a new congregation in a new area; or, relocating an existing congregation to a new location unless there is no potential for residents in the congregation's present location. By potential we mean people in residence in the church's service area. Revitalization, then, means an effort by a local church to serve its own service area, in ministry to the needs of its people, as well as those who are members of the congregation.

The Section on Congregational Revitalization seeks to fulfill its primary task (stated above) in several ways:

1. By receiving and evaluating applications for Board of Missions grant funds, then recommending to the Board of Missions either approval or disapproval of such requests. The maximum amount of grants of this nature is \$1,000.
2. By receiving and evaluating applications for mission loan funds and making recommendations to the Board of Missions concerning these loan requests.
3. By receiving and reviewing applications for Spring and Fall Ten Dollar Club appeals and making the appropriate recommendations to the Board of Missions.
4. By identifying one or two priority revitalization projects (churches) from our conference. The section will then provide resources for grant and loan funds from our section and consultation teams to work with the selected churches, while enlisting

support from other resources such as UMVIM, Ten Dollar Club, Advance Specials, Ethnic Local Church resources, etc.

5. By supplying the presiding bishop, and present cabinet members with current copies of the source document used by the SCR and the Board of Missions in selecting each year's priority revitalization project(s).

GRANT FUNDS APPROVED JUNE and SEPTEMBER 1993 and JANUARY 1994

\$1,000 — Union UMC (Demopolis District)
 \$1,000 — Cain's Chapel UMC (Selma District)
 \$1,000 — Pelham UMC (Demopolis District)
 \$1,000 — Graceville UMC (Marianna/Panama City District)
 \$1,000 — Chunchula UMC (Mobile District)
 \$1,000 — Walker Springs UMC (Demopolis District)
 \$ 500 — Coffeeville UMC (Demopolis District)
 \$1,000 — Fidelis UMC (Andalusia District)
\$1,000 — Wesley UMC (Demopolis District)
 \$8,500 — TOTAL

In addition to expending the funds mentioned above, the SCR dispensed funds in excess of \$25,000 in support of Tabernacle UMC (Dothan District), our 1993 priority revitalization project.

We are pleased to report that the Section on Congregational Revitalization (SCR) has selected Mulder Memorial UMC (Montgomery District) as our 1994 priority revitalization project.

Report No. 14 — UNITED METHODIST VOLUNTEERS IN MISSIONS (U.M.V.I.M.)

On Tuesday Morning of the 1994 Annual Conference Session we will host the Annual U.M.V.I.M. Celebration Breakfast.

The guest speaker this year will be Dr. Dan Henry. The UMVIM Celebration Breakfast will be at the St. James United Methodist Church in Montgomery from 7:00 until 8:30 A.M. Dr. Dan Henry, a U.M.V.I.M. Dentist has much of the responsibility of the work in Costa Rica. The Rev. Ted Hoagland will also share about the UMVIM work in Guatemala. The Rev. Dr. Asa Boozer, recently returned from UMVIM work in Cuba will have our devotional. All those attending will have an opportunity to share briefly about UMVIM work of our Conference. We hope that all ministers and lay members will join us from this exciting annual event as we celebrate what God is doing through our people in the UMVIM movement.

We have much to celebrate! Alabama-West Florida Conference UMVIM teams have worked in many countries as well as on National and Conference projects. For example, hundreds of our people served in Jamaica, Cuba, Guatemala, Panama, Costa Rica, Bolivia, Mexico, Russia, Kenya, Brazil, Mobile Inner City Mission, Panama City's Noah's Ark, Henderson Settlement and the Red Bird Missionary Conference, S.I.F.A.T., The Emmaus Church in Panama City, many District projects and many other opportunities. Report No. 15 — UNITED METHODIST CHILDREN'S HOME

The phrase "Christian helping ministry" has been used to describe the work of your United Methodist Children's Home during its 100+-year history. Never has this been more descriptive than in the 1993-94 Conference year. To illustrate:

— During this year our Family Outreach Program, centered in Tuscaloosa but serving both Conference areas, has flourished. Through this new arm of our ministry, we have been able to work with entire families as well as individuals. We have helped many families stay together and assisted others in reunification. Our staff has conducted classes for parents and youth in local churches and has worked closely with United Methodist ministers to respond to special needs. Our counselors have been able to touch lives through group and individual therapy sessions. We are excited about this new way of helping.

— We have responded to special needs and requests and have tried to "individualize" our services to better care for our children. This has been part of our effort to work with the State of Alabama's Department of Human Resources efforts to reform Child Welfare.

— Our young people have learned the significance of helping others themselves. They are actively volunteering their time in hospitals, nursing homes, Habitat for Humanity and other community services. A group of Village residents and staff worked as an UMCOR team in Dulac, Louisiana, to repair hurricane damage to United Methodist buildings. They have become a "Christian helping ministry" themselves.

— Local churches have been very active participants in our ministry. From sending birthday cards to buying Christmas gifts to providing trips and parties to participating in White Christmas to including our children in prayers — United Methodists throughout our Conferences have made themselves a part of this "Christian helping ministry." We have continued to receive phone calls of concern for children and families in our area. A great joy has been the wonderful response to our Local Church Representative program which will be an avenue for increased participation in our helping ministry.

— One special illustration of the love of this ministry involved a family of four brothers and one sister, who at various times lived at the Children's Home. This year, three were in care: two brothers in a group home and the sister as a scholarship student. Within six months of each other both older brothers (who were no longer in our care) died tragically. It was a very moving experience to see our staff wrap their love around these siblings. You see, we were their only family. Our staff made funeral arrangements and provided a loving system of support for these youngsters.

A "Christian helping ministry," yes, but we are much, much more than that. We are a family ministry — to all who come into our care. Each of you is part of this family — and we are grateful to have you join in this Christian helping ministry.

Report No. 16 — UNITED METHODIST HOMES FOR THE AGING

Theodore Roosevelt said, "In any moment of decision the best thing you can do is the right thing, the next best thing you can do is the wrong thing, and the worst thing you can do is nothing." We can be sure that change is not just going to happen, it is happening all around us and decisions about changes in every area of life are being made.

The retirement home and long-term care industry is in the midst of radical transformation that offers a mix of challenges and opportunities. This industry, once viewed as little more than an institutional custodian to the elderly, is being propelled into the last years of this and the next century by a dizzying array of problems, special services and needs, and funding scenarios that were unthinkable a decade ago.

A whole new emphasis on retirement and health care needs have forced us to re-examine and re-evaluate everything we have done in the past. As the number of senior persons increases and people live longer, we find three groups of elderly persons: the active elderly, the transition elderly and the frail elderly. The winds of change are swirling about us with increasing force, and the very expectation of change is serving to stimulate change.

With the aging population, advances in medical technology and a growing consumer demand, there will be ever-increasing pressure for more — and better — retirement and long-term care services. Resources, already tightly limited, will only be more rigidly constrained in the future, particularly if the cost of services and needs escalate as projected.

Today there are 37,000 plus centenarians. By 2040, the Census Bureau projects that there will be 620,000, and ten years later there will be 1,200,000. A new age group is fast becoming a reality. Obviously, we will be coping with unprecedented numbers of persons who are past the age of active and productive lives.

Medical advances, which have lengthened lives, have also escalated costs beyond many person's ability to pay. Medicare, a federal program which pays most hospital and doctors' bills persons over 65, and Medicaid, a federal-state program for the financially medically needy, may not be available to pay for the care persons are needing. Other alternatives,

such as long term care insurance, benevolent care programs, foundations, or a consortium of resources may be needed to assist those persons in their senior and older years of life.

Horace Deets, Executive Director of the American Association of Retired Persons, observed, "This is the first time in our history we have so many people actively living into their later years. And what we are learning from them is what science has been telling us for years: chronological age does not have to be a barrier to productivity, growth and creativity."

What an exciting, and yet challenging, time this is! How grateful we are for the opportunity that is ours in providing care and services for those who look to us for a meaningful life. The eight facilities that we own and the two others that we manage are actively involved in re-assessing and re-evaluating our mission and ministry. Questions are being raised and answers put in place as to what is the future for the programs we have been providing, how can we secure the funding for those who look to us for assistance, how and where should we broaden our scope of service and care for persons beyond the walls of our homes, are there other services that people are needing, and what additional training is needed for us to carry out our ministry.

As we position ourselves for the future, we are quite concerned about the present. Our homes must always be more than just a place to stay for persons who can care for themselves in a residential setting, or who need some assistance, or who need limited and skilled care, or who live in our Alzheimer Center. We must secure adequate funds to provide for those who have already, or very shortly will, exhaust their resources. Ways must be found to secure the staffing that will ensure quality of care to our residents.

We have looked to the Annual Conference to help us with financial assistance for persons who are unable to pay for their care. Through the Annual Conference Budget, the Good Samaritan Fund, gifts through memorials and resources we have provided care for those who look to us for assistance. We are grateful for the support we have received. It is most important that this partnership in sharing in this caring ministry continue.

We need the continued support of the membership of our United Methodist Churches to help us meet the needs of today and the days ahead. It is certain that our homes are indeed very special, and that they will continue to be marked by excellence and Christian commitment. Please continue to support us with your prayers in this all important day.

Report No. 17 — DUMAS WESLEY COMMUNITY CENTER

The Dumas Wesley Community Center has experienced an exciting 1993-94. We continue to broaden the scope of the agency in our efforts to enhance the concept of a multi-purpose center.

Our service agenda reached new levels of people in need in spite of the fact that we were confronted with a reduction of thirteen percent in our United Way allocation.

It is a privilege to work with such a dedicated Board of Directors. They are always willing to meet the challenges of the neighborhood as they are committed to improving the quality of life of the entire area.

The major program or service added to our agenda over the past twelve months is a transportation system in public housing in Mobile County and for older Americans residing in our service area. These trips include service to doctors, drug stores, shopping and to congregate feeding programs such as S.A.I.L. We are planning on expanding this service component.

We continue to work with youth at risk, sponsoring a teen pregnancy prevention program, anti-gang programs, workshops that focus on conflict resolution, career days, and other creative programs that help our youth in making responsible decisions.

Again, we pause to thank you, our community of support. We could not serve if you didn't care about the plight of many of our brothers and sisters. We are happy to be in mission with you. Please feel free to visit the center at your convenience. We would love for you to see your center in action.

Carlton Caruthers, Executive Director
Clara Ester, Program Director

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1 — COLLEGES

The Alabama-West Florida Conference offers support to two Church-related colleges — Birmingham-Southern and Huntingdon College. The Church works hand in hand with the colleges in enriching the moral, spiritual, and intellectual resources of the students. The following are reports of our Church related colleges.

BIRMINGHAM-SOUTHERN COLLEGE

The driving purpose of Birmingham-Southern College continues to be to maintain the tradition of excellence in liberal arts education in an atmosphere that fosters moral and spiritual development. Our relationship to the United Methodist Church helps to define our identity and to shape our activities. The challenge grows more difficult as the cost of quality

higher education escalates and competition in the field intensifies. More than ever, we need the support of churches to help us with recruitment of students and financial support.

In June 1994 the North Alabama Annual Conference will decide whether to launch a major campaign for Birmingham-Southern. The proposal calls for a goal of three million dollars over a three-year period to fund scholarships for students recommended by pastors and churches and for students preparing for careers in the church. Interested individuals in the Alabama-West Florida Conference are invited to step forward to volunteer commitments during the 1995-97 years of the Scholarship Campaign.

Although enrollment at the College has declined slightly in each of the past two years, total enrollment remains strong and steady with 1,244 in the regular day program, 425 in Adult Studies, and 94 in the Masters program. Restricted and unrestricted giving for 1992-93 exceeded six million dollars; however, 1993-94 is the final payout year of the very successful forty million dollar Twenty-first Century Campaign.

The College recently underwent an extensive self-study in preparation for reaccreditation by the Southern Association of Colleges and Schools. Every aspect of the life of the College was carefully scrutinized. Strengths were confirmed, areas where change is desired were identified, and new programs were suggested. Also, we are currently engaged in a college-wide project to reengineer several of the processes by which we operate in order to assure our effectiveness in the 21st century.

While we continue to maintain a position of academic excellence in the tradition of the liberal arts, three significant emphases help to distinguish our program: **service learning** with approximately one-half of our students, faculty, and staff involved in community service from Birmingham to Africa and Latin America; **leadership development** through activities coordinated by the Center for Leadership Studies; and **undergraduate research** with students assisting in research projects in biology, religion, social science, and other fields.

HUNTINGDON COLLEGE

"Enter to grow in wisdom; go forth to apply wisdom in service." The motto of Huntingdon College, engraved over the door of the College's oldest building, is now also displayed along with the symbol of the United Methodist Church on the new entrance gates to the College.

Students, faculty, and staff take seriously the charge to develop personal abilities and talents with an expectation of serving others. As new freshmen begin the fall term, they spend time at a retreat examining their beliefs and adopting a statement of values for the class. This exercise is followed shortly by a decision regarding the class service project. During this year the freshmen selected Habitat for Humanity as their project. They then invited all students, faculty, and staff to assist with this project, pledging a total of 600 hours of service.

The student athletes and the coaches in cooperation with First United Methodist Church have chosen to serve as mentors and tutors for 30 to 40 junior and senior high school students from the Gibbs Housing Project. Students come to the campus one afternoon each week. Following the study sessions and a meal provided by a local restaurant, the athletes and Gibbs Village students play games in the gym.

In this first year of Dr. Wanda Bigham's presidency, trustees, faculty, staff, and students have worked closely with her to reach objectives designed to position the college for greater levels of service, quality, and distinction. Retention of freshmen students from fall to spring semester has been the highest in years, with 95.3 percent returning. The admission picture for fall 1994 looks good with applications at the end of February over 20 percent higher than at the same time last year. A new major in Communications has been approved and will be offered beginning fall 1994. The Board of Trustees has authorized the selection of a designer to prepare drawings for a new residence hall, and plans are underway for a capital campaign to upgrade academic equipment and materials, increase scholarship funding, and improve facilities.

New personnel for next year will include The Rev. Ben Sawada who will serve as Minister-In-Residence for Church Relations and Dr. James Jeffcoat who will serve as Chaplain.

The Huntingdon College community wishes to express its gratitude to the Alabama-West Florida Annual Conference, to the clergy, and to individual members of the United Methodist Church for their ongoing support and encouragement of the College's mission.

Report No. 2 — CAMPUS MINISTRY REPORT

There are six Wesley Foundation units functioning in the Alabama-West Florida Conference. The places and directors are as follows:

<i>Auburn</i>	<i>David Goolsby</i>
<i>Livingston</i>	<i>Nell Sims</i>
<i>Pensacola</i>	<i>Paula Roane</i>
<i>South Alabama</i>	<i>Sandra Brining</i>
<i>Troy</i>	<i>Ted Spencer</i>
<i>Tuskegee</i>	<i>Fredrick Outlaw</i>

Ministry is provided on these campuses through these units by the directors. Each unit operates under a Board of Directors. Reports by the directors are given twice during the year to the B.H.E.&C.M.

The Campus Ministry sub-committee met January 7-8, 1994 in conjunction with the *Annual Planning Retreat of Conference Boards and Agencies*. The following are recommendations which resulted from that meeting and were adopted by the B.H.E.&C.M. on March 3, 1994.

1. We recommend that the Methodist Chaplains at Huntingdon College and Birmingham-Southern College submit a program report to the Conference Board of Higher Education and Campus Ministries.
2. We recommend that those churches which have specific ministries with college students on specific campuses submit a report to the Board of Higher Education and Campus Ministries.
3. We recommend that each unit (Wesley Foundation and chaplains) in conjunction with their local board (those to whom chaplains are accountable) set a minimum of three attainable goals per year.
4. We recommend that each unit (Wesley Foundation) prepare a financial report that meets the financial review requirements of the CFA.
5. We recommend that the Board of Higher Education and Campus Ministries appoint a district representative to attend the Local Board meetings of the Wesley Foundations.
6. We recommend that an Annual Retreat be held for Directors of Wesley Foundations and Chaplains to be funded through the Service of Talents.
7. We ask that the Board of Higher Education and Campus Ministries affirm the annual joint retreat held with the Alabama-West Florida Wesley Foundations and the North Alabama Wesley Foundations and to affirm the conference wide retreat held with the conference Wesley Foundations.
8. We recommend that the "Service of Talents" operate as it has in the past. This program would be initiated at the 1994 District Conference for the fiscal year 1995.

AUBURN WESLEY FOUNDATION

We are very thankful for the support we receive from the conference. The opportunities for ministry on a large residential campus are tremendous. Our statement purpose is:

"Understanding our call to witness in the campus community to mission, message, and life of Jesus Christ, the Auburn Wesley Foundation fellowship reaches out and receives people in the name of Jesus Christ. We provide opportunities for our participants to strengthen their relationship with God and to relate to each other in love and acceptance. Finally, we equip them for vital discipleship and send them out in service and sacrifice."

The Student Government Association at Auburn recently awarded the Wesley Foundation the Special Interest Group or Club of the Year award. We pledge our best to keep Christ the center of our fellowship as we attempt to reach this campus for Christ and our United Methodist Church.

LIVINGSTON WESLEY FOUNDATION

With the employment of a new director, the present year has been a time of transition for Livingston Wesley Foundation. A solid foundation of student leadership and programming was developed by Mrs. Ruth Penton, the previous director. During the period of change and adjustment, ongoing programs have continued to flourish. Meanwhile, new students have been recruited and plans made for the remainder of this academic year, as well as next year. In addition to programming, a promising development has been the commitment of churches in the Demopolis District to pay off most of the indebtedness on our building within the year. The following are highlights from June 1993 through February 1994:

WESLEY FOUNDATION

UNIVERSITY OF WEST FLORIDA/PENSACOLA JUNIOR COLLEGE

January 1994 brought about changes seen at the Wesley Foundation in Pensacola. Bob Bailey responded to God's call to seminary and is now commuting to Candler School of Theology and continuing to minister to singles at Gulf Breeze United Methodist Church. Bob's commitment to the Wesley Foundation has had a tremendous impact in the lives of many students and his leadership will be missed.

The Fall 1993 brought many challenges to Wesley. Many of the original group had graduated leaving three active Wesley students. Again on the first day of classes Wesley served homemade cookies and cokes to the students waiting in line at the cashier's office to pay and/or receive financial aid. A group of students and local church members from several churches gathered to participate in this event. Refreshments, kind words and information about Wesley and local churches were provided to the students.

As of this date, we have not yet received use of our joint campus ministry office at West Florida. This continues to present frustration for the administration, the campus ministers and the students. Remodeling is now scheduled for this spring and it looks as though this office will not be available until the Fall of 1994. We continue to look forward to the day when we can occupy this office with the other campus ministry organizations.

The potential for continued growth is exciting and plans are being made to assist in this growth. We hope to begin a Bible Study time for those interested students at Pensacola Junior College and to expand activities for both main campuses. Spring break plans include several local work projects in hopes that more students will participate.

We remain a unique campus ministry unit in the Alabama-West Florida Conference with a total enrollment of 32,000 commuter students, 700 of which are resident students. In addition to ministering to the students, we are responsible for raising 90% of our budget. My goals for the year include (1) working hard and diligently to speak to every charge in our district and share with them the visions and goals of the Wesley Foundation at PJC and UWF, (2)

continue to identify potential students interested in Wesley, (3) develop a core leadership group at UWF and PJC, and (4) to continue to build our funding base through local churches and other means.

The Wesley Foundation at UWF and PJC strongly believes in the importance of campus ministry in equipping college students to carry on the ministry of the church. Thanks to all who support this vital ministry.

TUSKEGEE WESLEY FOUNDATION

Tuskegee Wesley Foundation is a campus ministry which endeavors to bring together Methodist, as well as other, students on the campus of Tuskegee University. Our intent is to provide counseling, scholarship and loan information, and devotional activities on a regular basis to the campus of Tuskegee University. By engaging students in dialogue at the college, we will respond to needs and address concerns as they emerge. The role of servant is our guiding light and example. We believe the college campus is as much a manifestation of the body of Christ as your local church. Thus, we need to actively encounter Christ's presence while in college, daily commit ourselves to his service and encourage your active involvement.

The 1993-1994 school year has been an exciting one for Tuskegee Wesley Foundation. During the fall semester of 1993, we welcomed students back to the campus and introduced our fellowship to the campus. This occurred at the All University Convocation in the Tuskegee University chapel on Sunday, September 26, 1993. The Director of TWF was guest speaker. From this occasion twelve persons registered with Tuskegee Wesley Foundation. This was a significant turn of events from the prior school year. Also, during the fall semester, Tuskegee Wesley Foundation was engaged in two weekly functions: a Bible study and Sunday evening student dinner forum.

During Spring Semester of 1994, these activities were continued for a while until attendance and interest waned. This delay is believed to be due to class schedule and location of events at Bowen United Methodist Church (which is approximately 1½ miles from campus). In an attempt to alleviate this situation, the Director has been in dialogue with the university administration for limited use of campus facilities. The likelihood of this request is better now than before. The Director also has spoken to various student groups and classes concerning the nature and ministry of Tuskegee Wesley Foundation. For these encounters more information about or work is received and our light continues to shine.

On February 2, 1994, we hosted the National Teleconference — *Beyond Racism: Things Which Make For Peace*. Our attendance did not reach our goal of 50. However, those present participated and learned immeasurably from the subject presented.

We continue to believe in the uniqueness of Tuskegee Wesley Foundation, even though presently limited, and the valuable and vital ministry it brings to this college campus and community.

Report No. 3 — SERVICE OF TALENTS

The "Service of Talents" is a Conference program established for the purpose of informing, motivating and challenging each church in the Conference for support of Campus Ministry. The "Service of Talents" is based upon Matthew 25:14-15.

It is proposed that there be a "Service of Talents" campaign beginning with the 1994 District Conferences and concluding with the 1995 District Conferences. Seed monies will be provided from the "Service of Talents" Reserve Fund to give each local church \$5.00 to be invested through various programs to raise support for Campus Ministry. The \$5.00

per church (note: church, not charge) will be distributed at the 1994 District Conference. The proceeds of the *seed money* will be presented during the 1995 District Conference.

The "Service of Talent" money will be used for special unfunded programs in Campus Ministry.

BOARD OF EDUCATION

Report No. 1 — CHAIRPERSON

Your board of education is a hard working board with the responsibility of providing training and ideas for the local churches through the districts. This work is done through several important sub-committees. These include: Leadership Development, Family Ministries, Camping, Sunday School, Children, Youth, Young Adult, and Older Adult committees. More and more we are trying to provide many opportunities for training and networking with the other local churches to provide a more exciting and meaningful educational program in each local church.

As you read the reports from the sub-committees you will see how hard and thorough the work of this board is.

Jane Watson, Chairperson, Board of Education

Report No. 2 — LEADERSHIP DEVELOPMENT

The Leadership Development Committee planned and held another Disciple Bible Training opportunity at Ft. Walton Beach. This program was planned in order to train more local people to lead Bible Study through this outstanding method of study.

One of the main things this committee would like to do in the coming year is to challenge each Sunday School teacher in every single church to work toward becoming a Visionary Teacher. A list of goals for each Visionary teacher has been compiled and will be gotten into the hands of every local Sunday School teacher. Then each of these persons will be urged to work toward meeting the goals of becoming an outstanding Visionary teacher. Each local church will be urged to hold a Commitment Service to recognize those who are working toward this important goal. Then special training will be held at Sunday School Weekend for teachers. Lastly, the conference will make available a team who will go into local churches to do teacher training when called upon.

Rev. Carl Dickerson, Chairperson

Report No. 3 — FAMILY COMMITTEE

The Family Committee promoted the celebration of National Family Week in 1993. Materials were included in the Conference mailings to assist Churches in this effort.

We had planned to do a family camp in the Fall of 1994, but because of difficulty in getting speakers and other workers, we are revising these plans and hope to have the camp on a Friday night and a Saturday in the Spring of 1995 at Blue Lake.

Guidelines for Moral Development was a program that the board, under the Family Committee, tried to develop. This job became too much for our untrained people, so we are recommending that Curriculum Resources Committee of the Methodist Publishing House take our preliminary work and try to develop curriculum that could meet the needs of a revitalized moral emphasis — using interactive methods such as discussions, role playing, drama, debates, etc.

Rev. Marvin Ennis, Chairperson

Report No. 4 — YOUNG ADULT COMMITTEE

Young Adult emphasis would include young adults in the 18-35 age range. Because we often lost our people in this age group, we feel that there should be some continuity between

the Youth Ministries and Adult Ministries. Therefore, in 1994 or 1995 this committee will promote a Young Adult Jamboree similar to the Youth Spring Fling. It will be held at Blue Lake with outstanding music, speakers and fellowship. Look for dates to be announced very soon. This will be a one day, Saturday event because of the time restraints on this age group.

Roomy Vistart, Chairperson

Report No. 5 — CHILDREN’S COUNCIL

CONFIRMATION RALLIES:

The harsh winter of 1993 greatly impacted our Confirmation Rallies: (1) February 27 — Capitol Heights in Montgomery, AL; (2) March 13 — First Church, Fort Walton Beach, FL; (3) March 27 — Blue Lake Assembly, Andalusia, AL.

The rally at Montgomery was cancelled and the rally at Fort Walton Beach went on despite snow on the ground. Overall we had 96 young people participate in the one and a half rallies. Workshop leaders were Bishop Morris, Diane Lothrop, Jeff Barnes, Sandi Sears, Jerry Hollis, and Bill Bugna. The children and youth participated in four workshops: What are the vows? What is commitment? What is Methodism? What is Stewardship?

VACATION BIBLE SCHOOL WORKSHOPS:

1. The Conference workshops planned for March 13 at First United Methodist Church in Montgomery had to be delayed to March 27 because of the snowstorm. We got out a quick flyer to all the Children’s Coordinators and were pleasantly surprised to have 16 churches represented with more than 30 in attendance. The participants received a hands-on preview of “Peter Rock” and were given a 10% discount on orders. Mrs. Sally Granberry was our leader.
2. The Mobile District held a workshop at Chickasaw on March 4th. Nine churches attended with 21 people present. The leadership was provided by Elaine Pritchett, District Coordinator.
3. The Dothan District held a workshop at First Church Enterprise. Eight attended from three churches. The leadership was provided by Rachel Baxter, District Children’s Coordinator.

FOCUS ’93 RALLY IN NASHVILLE:

The Children’s Council sponsored a van to encourage children’s leaders to go to Nashville July 27-31. Our Conference had 29 persons at this National Conference for workers with children. While at the Conference, the participants met to plan four District workshops so that the information learned might be shared.

NEW CONFIRMATION RESOURCES INTRODUCED AT BLUE LAKE:

On August 30th a Nashville team gave pastors, Christian education persons, and leaders of Confirmation Classes an opportunity to see the 1994 confirmation material. The goals of the event were: to listen to the church on Confirmation issues, to discuss the theology of Confirmation and its role in the life of the church, to introduce the new resources, to explore new models for teaching/learning, and to generate enthusiasm for Confirmation.

**CHILDREN’S MINISTRIES WEEKEND
SEPTEMBER 24-25 — BLUE LAKE ASSEMBLY**

What a wonderful weekend 215 participants had! Our keynote speaker, Kathy Stonehouse, and workshop leaders inspired us and equipped us with practical information we could use back home. Our theme was FAITH SHARING.

WEEKDAY TEACHER CERTIFICATION workshop led by JoAnna Middlebrooks and Sharon Wilbanks provided eight hours of CEU for 45 teachers working in church related weekday children’s programs.

The Council looks forward to providing training and inspiration for the leaders of children in the churches of our conference in 1994.

Betty A. Cates, Chairperson

Report No. 6 — SUNDAY SCHOOL COMMITTEE

The Sunday School Committee has begun gathering information for a quarterly newsletter entitled “CATCH THE SUNDAY SCHOOL SPIRIT: Ideas and Suggestions for a Dynamic

Sunday School.” We are asking local education chairpersons to submit “It Worked For Us” ideas to be shared through the newsletter.

The Committee has put together what looks like a fantastic lineup for Sunday School Weekend offerings, as well as a great keynote speaker. These workshops are based upon suggestions from the Conference Board of Education and evaluations from the Weekend of 1992. Thus, everyone in education in the local church should be on the alert for publicity of “A VISIONARY SUNDAY SCHOOL: A Christian Education Experience” to be held at Blue Lake on September 23-24, 1994.

Jo Lovell, Chairperson

Report No. 7 — OLDER ADULT COMMITTEE

Learning is lifelong. The ministry of older adults could be greatly enhanced if the United Methodist Church would challenge them more and put more emphasis on their work like it does the youth!

The Alabama-West Florida Conference held an Older Adult Assembly at Blue Lake in the spring of 1993. We had over 90 people in attendance and heard four great discussions by Rev. Ben Sawada, the District Superintendent of the Troy District, on the subject of “Who is Jesus?” Then his wife, Lily, led the ladies in the making of crafts. Mary Elizabeth Carter planned a great banquet with the theme of “Hawaiian Luau.” Rev. Syd Locke was the banquet speaker.

We will have the 1994 Assembly May 9-12 with Rev. Tom Butts speaking on his book, *Tigers in The Dark*. Rev. Linwood Lewis will be the dean. The Wednesday night banquet will have a theme of “Texas Hoe-Down” with Mary Perdue as the speaker.

We encourage our older adults to attend the assembly the second week in August at Lake Junaluska. We attended the last two years at this jurisdictional meeting.

We attempted to have a trip to the Smokey Mountains and Junaluska, but did not get enough people to sign up for the trip. Most people like to plan one day trips each month in their own church and maybe a three or four day trip once a quarter. We hope to make suggestions for such trips as we hear from local churches who have made one.

We are working with the district superintendents to get one person in each district who will coordinate older adult activities and who will send us information on what they find to be successful for their local churches.

Older adults are the greatest group in number and in experiences and need to be called on more and ministered to more.

Report No. 8 — CAMPING COMMITTEE

Some 1,500 children and youth participate in camping at Blue Lake each summer in a number of weeks of camping. The program is largely carried out by the Director of Blue Lake who selects, recruits, orientates, and trains the staff for the programs. Campers come from across the Alabama-West Florida Conference, but are not limited to being United Methodist.

The camping committee is excited about some Inner City Family Camp experiences and is looking for ways to do more funding for this and other Special Ministries Camps. There was a new Missions camp held in conjunction with the Missions Conference. This gave the children and youth an opportunity to participate with actual missionaries and to hear about their work and their commitment to missions. Aldersgate Evangelical Camp experience was held at Blue Lake and was a huge success.

Report No. 9 — YOUTH

Each year the youth hold a Spring Fling in order to show youth as examples of the Connectional Church. The youth will be invited to share Jesus in their lives. This year they are planning to have a work project with Volunteers in Missions in order to put the mandate of the Gospel into practice by going in to all the world.

The Ultimate Training Event is held in the spring in order to train workers, both paid and volunteer, for working with youth. Practical helps, leadership hints and inspiration are among the opportunities provided for youth workers.

BOARD OF LAITY

Report No. 1 — CONFERENCE LAY LEADER

The "Bishop's Convocation for Pastors and Lay Leaders" was held at Blue Lake on January 28-29, 1994. Dr. Marvin Grunzke, Associate Conference Lay Leader and Montgomery District Lay Leader, and his committee had worked diligently for over a year in preparation for this program. Dr. Roy Trueblood, ordained United Methodist minister and a partner with an Atlanta consulting firm, led our workshop. Approximately 180 local church pastors and local church lay leaders were involved. Most declared, by written evaluations and word of mouth, that it was one of the best workshops relating to partnering in ministry that they had ever attended. It is our hope to use Dr. Trueblood's leadership again in some district settings. Dr. Trueblood is co-author of the book entitled "Leading From the Heart." My heartfelt thanks to Bishop William W. Morris and the District Superintendents for their support and participation in this event.

Thanks to Mr. Charles Holston for his leadership in Laity Transformation 2000. Ms. Jean Henderson, past Conference Lay Leader from the Holston Conference, and Dr. Robert Wingard, professor at Birmingham-Southern College, led our Laity Transformation 2000 workshops in conjunction with the Vision 2000 Intensive Training Events. Some 200 prospective and potential lay leaders attended.

The Board of Laity and the Bishop and his Cabinet have met yearly for the past several years to share and to dream. It is truly an expression of "partnership in ministry." The Alabama-West Florida Conference is far ahead of most conferences in this regard, and we are very grateful for this opportunity. One such dream or idea that was surfaced several years ago by Dr. William Calhoun, Conference Council Director, was to produce a video to better inform and educate both laity and clergy about what and where our apportioned dollars do and go. Copies of this video were distributed to every charge by the District Superintendents. The 12-minute video is updated, so that it can be used year after year, and is professionally produced. Our wish is that every congregation will use this helpful educational tool. It is our opinion that people respond to need as they understand it. Thanks to Mr. George Bagwell for chairing the committee for this project.

I give thanks to God and the people of the Alabama-West Florida Conference for the honor and privilege to serve Him as Conference Lay Leader. I will continue to seek and to listen to the people for their advice and support and pray God's special blessings in all that we do together.

Duane Keck, Conference Lay Leader

Report No. 2 — UNITED METHODIST MEN

The Conference United Methodist Men (UMMen) were active during the year. Thirty-eight men attended the Sixth International Congress of United Methodist Men at Purdue University, West Lafayette, Indiana, July 16-18, 1993. The theme was A MAN SENT FROM GOD. Bishop William W. Morris traveled with the conference men, who appreciate his support and the opportunity to get to know him better. Andalusia, Dothan, Marianna/Panama City, Mobile, Montgomery, Pensacola, and Troy Districts were represented. The programs were inspiring, worshipful and heart warming.

UMMen volunteers completed two construction projects this year. Churchula United Methodist Church, Mobile District, destroyed by an arson fire, was rebuilt. The dedication service was held March 20, 1994. A fellowship hall for Spring Field United Methodist, Eutaw, Alabama, Demopolis District was built and dedicated in December 1994. Each project saved fifty percent or more of the construction cost. The construction superintendent was a volunteer UMMen from South Georgia Conference. Volunteer United Methodist men and women from North Alabama and Alabama-West Florida Conference provided the labor. A BIG THANK YOU to all who freely gave of their time and talents.

The annual Men's Spiritual Life Retreat, sponsored by the Conference UMMen, was held January 14-15, 1994, at Blue Lake Assembly. More men attended than ever before (250 registered). Dr. Reggie Ponder, North Carolina Conference and Mr. Mike Kolen, Montgomery, Alabama challenged men to be more intentional in commitment to serving the Lord. The annual meeting of Conference UMMen was held during the retreat. Officers elected to

serve a two year term ending January 1996 are: President, John Favor; First Vice President, Chuck Christian; Secretary, Tom Stewart; Treasurer, Jim Jackson.

Attention is being given to reviving the Blue Lake Assembly cabin ministry interest and enthusiasm. Most churches continue to do a great job in supporting their adopted cabin. The cabins adopted by districts are not getting attention. Hopefully all cabins will be adopted by churches before year end 1994.

United Methodist Men's Quadrennial Convocation sponsored by the Southeastern Jurisdiction UMMen, is scheduled June 23-25, 1995, at Lake Junaluska, North Carolina. Conference UMMen are urged to support and attend.

The Conference UMMen's Council continues to support, and urges all men to support Vision 2000 ministry in the local church.

Report No. 3 — UNITED METHODIST WOMEN

United Methodist women in our conference continue to be in mission throughout the world and to know God more fully through spiritual enrichment experiences.

Since children was the overall emphasis for the year, the Annual Day theme was "For the Love of Children." Mary Prim was the speaker. A barnyard setting was arranged for housing the many piggy banks containing the offerings given by the local women. The Campaign for Children received \$5,597.49 when all piggy bank resources were counted.

The Spiritual Enrichment Retreat was planned around the theme, "Except You Become As A Child . . .," with Dr. Evelyn Laycock as the leader. One of the largest attendances ever crowded the Blue Lake chapel, intent on every word spoken by Dr. Laycock.

Alabama-West Florida Conference hosted the World Federation of Methodist Women at Blue Lake May 20-22, which included not only United Methodist Women but those of all Methodist denominations in the state of Alabama. The theme was "Jesus Christ: Our Strength for Today — Hope for Tomorrow." Focus groups were on prostitution, AIDS, children and aging.

Ninety-three women from our conference attended the United Methodist Women Assembly April 28-May 1 in Cincinnati, Ohio. The theme was "Yes! Count Me In To Reach Out To Women, Children and Youth," with the offering being used to alleviate the needs of women, children and youth.

The Conference Mission Team has in place as of this year a plan for child-care at all conference events to make it possible for more of our younger women to be in attendance. In the future the request for child-care will be made known through the registration form for each event.

United Methodist Women continues to give financial and leadership support to our Cooperative School of Christian Mission. The 1994 dates for this event are August 2-5 and 5-7, 1994.

The 1993 Financial Statement for Alabama-West Florida Conference United Methodist Women shows total receipts of \$323,413.56. In addition to our mission support around the world, we continue to give to our five conference specials — Nellie Burge, Johnson Hill, Mobile Inner City, Dumas Wesley, and Noah's Ark — as well as Blue Lake.

At the request of our younger women, another 40 and Under Workshop is being planned for September 16-18, 1994 at Blue Lake.

Since 1994 has been declared the International Year of the Family, most of our major events for the next year will be planned around this theme. As United Methodist women we believe that the cornerstone of our nation and the world is the FAMILY.

Report No. 4 — LAY SPEAKING MINISTRY

Lay Speakers are members of the laity who have answered God's continuing call to more meaningful service. When we become Lay Speakers we make a personal commitment to serve God in any way we can. The importance of that personal commitment to God is profound. As a result we serve our local church, The United Methodist Church and our fellowman in many ways and in many locations. During the past year Lay Speakers from the Alabama-West Florida Conference have served in all nine (9) of the Conferences of the Southeastern Jurisdiction (SEJ), in Costa Rica and in Russia as well as this Conference.

Within the Alabama-West Florida Conference we have established three (3) purposes for our Lay Speaking Ministry. These are:

1. To provide support and assistance to pastors, Sub-Districts, Districts, Conference and others.
2. To encourage other members of the laity to answer God's continuing call to more meaningful service.
3. To fill empty pulpits.

God has richly blessed the Lay Speaking Ministry of the Alabama-West Florida Conference in many ways for which we are most thankful. We continue to grow in the number of Lay Speakers serving our Church and God. During the last year we have grown by 105 for a 22 percent growth. Each year we compare our growth to 1988 when we started our revitalization. At that time we had 160 Lay Speakers in the Conference. At last count we had 596, making us one of the three (3) largest Lay Speaking Ministries in The United Methodist Church. This reflects a growth of 372 percent over the past six (6) years. And, of course, this does not reflect the sixty-seven (67) former Lay Speakers who are not clergy in our Conference nor the five (5) in seminary. Over the past six (6) years the Lay Speaking Ministry has provided more new clergy to this Conference than all other sources.

Last year there were eight (8) Training Sessions offering a total of fourteen (14) courses. This included seven (7) Basic Courses and five (5) Advanced Courses. The largest of these was our Conference sponsored LAY SPEAKER TRAINING WEEKEND. It was our biggest and best. We have expanded each year and now conduct the largest Training Event for Lay Speakers in The United Methodist Church. This past year we had to increase the size of our classes and add a third Advanced Course. This year we had over thirty people involved as instructors and support staff.

Again this year we served seven (7) denominations in addition to our own. These were: 1) Southern Baptist; 2) Fundamental Baptist; 3) Presbyterian; 4) African Methodist Episcopal (AME); 5) African Methodist Episcopal Zion; 6) Independent Methodist; and 7) Congregational. We also provided three (3) of the ten (10) staff for the first SEJ (Southeastern Jurisdiction) Lay Speaker Workshop held at Lake Junaluska, NC. We continue to provide Speakers outside the church environment to civic clubs, professional organizations, jails, prisons, hospitals, and others.

Each year we list herein the "Service Areas" that are most active in this Conference. For the past year these Service Areas were the ten (10) most active:

1. **TRAINING:** Consisting of training Lay Speakers, pastors, laity and offering programs on the Lay Speaking Ministry.
2. **LAY SPEAKER REVIVALS:** This remains the fastest growing Service Area.
3. **SPEAKERS:** We continue to provide Speakers for churches, church related groups and community outreach.
4. **SPECIAL PROGRAMS:** Designed to meet your need.
5. **SEMINARS AND WORKSHOPS:** Involving a variety of subjects which vary by District.
6. **LAY SPEAKER WORSHIP SERVICES:** These services utilize from four (4) to twenty (20) Lay Speakers and meet specific church needs.
7. **NURSING/RETIREMENT HOME SUPPORT:** This is a rapidly growing Service Area.
8. **SUNDAY SCHOOL INSTRUCTION:** Now offered by three (3) Districts.
9. **VISIONING AND PLANNING:** A program to assist local churches in planning Programs, Services and Facilities for the future.
10. **PULPIT SUNDAY:** We hope to fill all empty pulpits on Sunday.

The Pensacola District continues to have the most active Lay Speaking Ministry. They have the most Lay Speakers and offer the most Service Areas to their pastors and local churches. They also have the distinction of having the only three (3) generation Lay Speaker family we know about. And PINE FOREST UNITED METHODIST CHURCH in Pensacola, Florida has the largest number of Lay Speakers in its membership of any United Methodist Church. They have twenty-five (25) Lay Speakers who are active in their local church, the District, Conference, community and overseas. Lay Speakers are part of each of the three (3) Volunteer In Mission (VIM) trips Pine Forest sends to Costa Rica each year.

Some Districts have made no effort to grow and enjoy the full advantages the Lay Speaking Ministry concept can provide to the pastors, local churches and their Districts.

They seem to be happy with a few Lay Speakers to fill some of the empty pulpits. The Conference Committee on Lay Speaking has offered twenty-four training meetings and workshops to assist the District Director and his Committee on Lay Speaking. Yet, we have two (2) Districts that have only attended one (1) of these meetings and workshops designed to assist them. Two (2) additional Districts have only attended three (3) of the twenty-four meetings. The Conference Committee on Lay Speaking continues to work on this frustrating problem.

We would be remiss if we did not express our sincere thanks to Bishop William Wesley Morris (our resident Bishop), the Alabama-West Florida Conference, the Conference Council on Missions, the Board of Laity and the Conference Council and Conference Finance and Accounting Staffs for their outstanding support and assistance.

Wm. Collier Martin, Sr., CLS
Director for Lay Speaking

Report No. 5 — STEWARDSHIP COMMITTEE

I am pleased, on behalf of the Stewardship Committee, to report the completion of the video on apportionment in August of 1993. The video was used during the fall stewardship program in many Churches. Response has been good. The video is for multi-year use and it is our hope that many more Churches will use it this fall.

Thanks are due to a very active video committee made up of the following men: Dan Morris, Lance Moore, Don Brill, Duane Keck, Bill Calhoun, Curtis Henderson, Jimmy Scruggs, Charles Roundtree, Langdon Garrison, and Bishop William W. Morris.

Report No. 6 — YOUTH

The Conference Council on Youth Ministries held three meetings in the 1993-1994 year, as well as hosting two youth rallies and going on a United Methodist Volunteers in Missions (UMVIM) trip.

Summer Meeting was held at West End United Methodist in Andalusia, Alabama. The main purpose of this meeting was to orientate new CCYM members with both the procedure of CCYM and the other members. Once everyone was acquainted, we began our work with Fall Rally as our main focus.

On our mission trip, we went to Pensacola, Florida. Our objective was to clean up the house of the migrant workers that were there. We accomplished our assigned task with hard work and diligence, but through our attitude and respect for each other, we showed the migrant workers that Jesus Christ is truly alive in our world today.

Fall Rally was held at Huntingdon College with a crowd of over 800 in attendance. Our speaker was Dr. John Ed Mathison who delivered a very dynamic and uplifting message, and Jerome Olds provided his music which was full of fun and inspiration for the whole group. Fall Rally was a great success, promoting Christian fun, and raising money for Youth Service Fund.

Winter meeting was held at First United Methodist in Andalusia. This meeting consisted of planning for Spring Fling and approving the CCYM budget for 1995.

Spring Fling will be held at Laguna Beach Christian Retreat in Panama City. This year Spring Fling has been changed from a one-day activity to a three-day youth retreat lasting from Friday night until Sunday afternoon. The change was made to meet the demand for more Christian fun and fellowship.

CCYM has accomplished some very difficult tasks this year because of loving adult leadership and the love of God that has been shown to us in so many ways. Because of this great love shown to our youth, we have been able to minister to each other as well as to the entire conference.

Report No. 7 — TASK FORCE REPORT: VOTING ETHICS AND PROCEDURES

THE TASK

The Board of Laity requested the Chairperson, Mr. Duane Keck, Conference Lay Leader, to activate a task force on Ethics and Procedures for General and Jurisdictional Conference elections. This task force was to be comprised of three clergy and three lay persons.

PURPOSE: The purpose of the task force was to study the election process for General and Jurisdictional Conference, and to bring a report on a code of ethics, or conduct and guidelines to the Board of Laity.

TASK FORCE MEMBERS:

Mr. Curtis J. Henderson, Chair	Mr. Billy Joe Rish
Rev. Joseph Lay	Dr. Frank Hyles, Jr.
Rev. Daniel Morris	Mrs. Mary W. Prim

ACKNOWLEDGEMENTS:

The goal of any task force must be to have a clear focus on the objective(s) and to insure a reasonable measure of objectivity. We are convinced that those factors have been successfully realized in this report. The issue of Voting Ethics alone is at best potentially volatile. By the grace of God, and His infinite wisdom, persons on this task force are to be commended for their commitment and resolve to be responsive to this calling. Our prayers and thanks go out to Mrs. Mary W. Prim whose report, "Statement of Purpose in Selection of Delegates — A Theological Perspective," is both revealing and challenging. Dr. Frank Hyles, Jr. has employed his most gifted talent of seeing the obvious amongst the midst of obscurity to express the Task Force's "Statement of Purpose in Selection of Delegates — A Secular Perspective." The Lord does work in mysterious ways in providing spiritual wisdom from a lay person and our temporal wisdom from a clergy member. This observation is more a reflection of what may be generally expected than what is possible. We are all called to be both spiritual and temporal. Occasionally, as was the case herein, we can bear witness to that fact.

The task is not ended by this report. It will certainly be the responsibility of the Board of Laity to follow-up on our recommendations and the insightful perspective presented. With assurance, Mr. Duane Keck has and will continue to be a beacon of light for our conference and the church, in helping to shed light on areas of darkness. The calling to investigate the process of Voting Ethics and Procedures brought together persons of diverging backgrounds and perspectives. We are thankful for the vision God placed on Duane's heart. Our thanks and prayers are with him, Bishop William W. Morris, and the Annual Conference as they must now be the instruments of God's wisdom.

WHERE DO WE BEGIN?

The examination of Voting Ethics and Procedures must begin with an understanding of what is supposed to guide our process, and the basic principles we are called to follow. We therefore must seek to determine if there is sufficient guidance both spiritually and temporally for rational decisions to be made. *The Book of Discipline* is therefore that starting place. Under our Social Principles we are reminded that the role of our Political Community is to "provide for the ordering of society; our faith statement is that, all political systems are under God's judgement; our responsibility is to take active responsibility for our government; and the issues we must address are basic liberties and political responsibility."

THE BOOK OF DISCIPLINE-1992: Our Social Principles, para. 74., The Political Community, states in part:

"While our allegiance to God takes precedence over our allegiance to any state, we acknowledge the vital function of government as a principle vehicle for the order of society. Because we know ourselves to be responsible to God for social and political life, we declare the following relative to governments:

A) Basic Freedoms. — We hold governments responsible for the protection of the rights of the people to free and fair elections and to the freedoms of speech, religion, assembly, and communications media, and petition for redress of grievances without fear of reprisal; to the right of privacy; and to the guarantee of the rights to adequate food, clothing, shelter, education, and health. The form

and the leaders of all governments should be determined by exercise of the right to vote guaranteed to all adult citizens. We also strongly reject domestic surveillance and intimidation of political opponents by governments in power, and all other misuse of elective or appointive offices.

B) Political Responsibility. — The strength of a political system depends upon the full and willing participation of its citizens. We believe that the state should not attempt to control the Church, nor should the Church seek to dominate the state. The Church should continually exert a strong ethical influence upon the state, supporting policies and programs deemed to be just and compassionate and opposing policies and programs which are not."

Although we cannot draw a direct parallel to the specific questions we are examining, it is clear that the basic tenets of how we are to conduct ourselves is already defined. The question then is where have we failed or if we have failed in our defense of those tenets. Based on the basic elements of our Social Principles, we provide herein a discussion of a more defined perspective on the specific question, "Are our current practices used in the voting process for General and Jurisdictional Conference delegates both procedurally and ethically sound?"

WHAT ARE OUR CURRENT VOTING PROCEDURES?

Our current process is governed legislatively by *The Book of Discipline*. However, our functional guidance is derived from the conference journal. Additionally, we are guided by the Board of Laity and to some extent the Board of Ordained Ministries.

THE CONFERENCE JOURNAL-1992: As defined by "STANDING RULE 13.

Election of General and Jurisdictional delegates:

(a) Delegates to the General and Jurisdictional Conferences shall be elected according to stipulations in Par. 602 and 614 respectively of the *Book of Discipline*, and they shall serve in all sessions of these conferences held during the quadrennium.

(b) In the election of delegates, four teams of tellers, two clerical teams and two laical teams, consisting of ten members each and making a total of forty persons, shall be appointed by the presiding bishop, who shall designate a member of each team as a chairperson.

(c) In the election of these delegates, the ballots shall be furnished to the Conference by the Secretary at the time of voting. No vote shall be valid unless cast on the ballot designated by the presiding officer for that particular ballot. Ballots furnished to the lay delegates shall be different in color from those furnished to ministerial delegates.

(d) In an election year, the district superintendent shall call a caucus of lay delegates in the district to the upcoming Annual Conference for selection of five persons for places in the general and jurisdictional delegations. Disciplinary stipulations will be made clear on the occasion, and availability of suggested persons determined. Biographical data, business and professional identity, and church experience shall be provided by the district superintendent for publication in the *Brochure of Reports* on a standard form to be provided by the editor. The caucus shall be held prior to March 1 and data for publication shall be provided the editor no later than the 4th Monday in March. This procedure shall not preclude any lay delegate voting for any persons he or she chooses as actual balloting at conference takes place. Prior to Annual Conference, and following district caucuses, an assembly of all lay delegates shall be called by the conference lay leader to allow delegates to become acquainted with persons named at caucuses and others present who may be prospects for election."

These procedures are basic and clear. What is lacking is that there are no procedures for clergy and there is an absence of ethical guidance. The intent can only be assumed that since our guidelines are well established elsewhere, there is an inherent commitment to them. Where then does one go for a single source for guidance? To date there is none. We have attempted to address that guidance from a broad review but in this report can offer no specific guidance. We refer to this guidance as our Statement of Purpose — A Spiritual/Temporal Perspective, since in life we are guided both spiritually and temporally.

STATEMENT OF PURPOSE

In defining a single source of guidance, it is necessary that we build a foundation for the same. This statement of purpose begins the process by building on a spiritual perspective. We see this as inherent to our faith statement contained in our Social Principles that "All political systems are under God's judgment." The examination looks at both the electors and the candidates. The statement of purpose from a temporal perspective looks at our role to provide for ordering the society and the issues of basic freedom and political responsibility.

STATEMENT OF PURPOSE IN SELECTION OF DELEGATES — A SPIRITUAL PERSPECTIVE

ELECTORS:

The electoral process of identifying delegates to General and Jurisdictional Conference is a holy trust, answerable unto God. It is essential to urge spiritual discernment of those who elect as well as those who are elected. If this process transpires in an underhanded manner, without the guidance of God, the power and authority of Righteousness is lost. We must be mindful that delegates are elected to be discerning of God's will, rather than politically popular. They carry the task of representation, *but their deepest calling is discernment of the will of God for Christ's Church*. They must carry this commission with them in mind and heart as they go in His Name and in the name of those they represent.

The Christian electoral process should not mirror "secular politics where the bottom line is the sum of power, influence and career advancement." Personalities must not be more important than the living character of Christ and a determination to see His will accomplished. Our sacred trust is the election of spiritually mature men/women, determined to *carry out the demands of the gospel* in all decisions. In the selection of these persons, the body of believers are directed to "preserve the unity of the Spirit in the bond of peace" (Eph. 4:3), avoiding manipulation, coercion and control by a few, which stifles spiritual vitality.

With all our modern methods of election we could profit by giving serious attention to the example of Acts 13:1-3. The calling forth of Paul and Barnabas came when a number of people came together in the disciplines of prayer, fasting and worship. To these spiritually prepared people, God's selection was clearly discerned. People gathered in the power of the Lord, not to play one side against the other but to hear the mind of the Spirit. If we believe that our Lord is the same yesterday, today and forever, should we not seek the same direct rulership of His Spirit in similar manner without reverting to methods of secrecy and secular politicizing?

John Wesley proclaimed that schism "is evil in itself" and unity is essential to the true mission of the Church. Wesley states that "It (schism) leads directly to a whole train of evil surmisings, to severe and uncharitable judging of each other." If we are to remain true to the Christ we serve and the denominational guidelines we have chosen, those who elect and those who are elected must seek to keep the "unity of the Spirit in the bond of peace." Failure to do this hinders the life of Christ's Church and discredits His name. Our commitment to "one Lord, one faith, one baptism, and one God" must supersede our differences.¹

Schism within the body of Methodism destroys the cause of Christ. On the other hand, "lay persons and ministers alike are willing to commit themselves to needed actions when they clearly understand the vision and have confidence in those who bring the challenge to them. The foremost concern for those in the church must be to share with others God's grace and mercy in the ministries of witness and service. The challenge before the church is to recognize, nurture, and encourage those who can lead in this ministry in Christ's name." (Douglas W. Johnson and Alan K. Waltz, *Facts and Possibilities*, Nashville: Abingdon Press, 1987, p. 147)

Selection of delegates should proceed with the assurance that the mind of Christ and election of the Spirit can indeed be known. Direct leadership of the Spirit is promised when God's people "agree on earth" and genuinely "gather in His name." Business meetings should proceed in openness and accessible to all, considered indeed, even as worship services where all are careful to bring discussions and decisions before the counsel of the Lord.

We are called to be living answers to Jesus' prayer for unity of all His followers, sanctified by the Truth and reflections of God's power and glory. (John 17)

CANDIDATES

"The significant problems we face cannot be solved at the same level of thinking we were at when we created them." Albert Einstein

Spiritual maturity needs to be a hallmark of elected delegates. Ideally, they should have the skill/gift of "active listening" to human issues and to God's Spirit, and confronted with God's Truth, they must prefer this to political, popular views. Faithful to God's guidance, delegates should be considered on the strength of his/her own personal holiness and commitment. A genuine maturity should pervade his/her life that they will not reinforce unconscious needs for authoritarianism. These persons should be unbiased, compassionate and committed to an ever increasing understanding of the will of God.²

"True godliness does not turn men out of the world, but enables them to live better in it and excites their endeavors to mend it." William Penn

Spiritual maturity is not necessarily synonymous with denominational positions of authority or outstanding church attendance. There are those who may become so involved in church activities and an assumed piety that they become insensitive to human needs, "contradicting the gospel they profess." Others may be consumed with a particular "cause" to the extent that they become insensitive to the leading of the One who holds the solutions. The chosen representative of Christ's Church must be sensitive to the needs of individuals yet ever striving to follow the leading of the Spirit and able to lead others into the "righteousness, peace, and joy in the Holy Spirit" (Rom. 14:17). Able to bring the living reality of Christ into all life, delegates should demonstrate an inner peace, wholeness, and ability to bring perspective and balance through a spirit of "power and love and self-control" (II Timothy 1:7). Selections should be made on the basis of true godliness, wisdom, a sense of balance and expanded perspective; one who strives to understand the voice of others, and is attentive to the voice of God.³

"What lies behind us and what lies before us are tiny matters compared to what lies within us." Oliver Wendell Holmes

Spiritual maturity should be a hallmark, but it is not necessarily illustrated through an individual's political history, worldly credentials or popular acclaim. Equally deliberated must be a marked sensitivity to the concerns of others; a willingness to study, listen and become informed on needs such as those of small churches, females (who comprise the majority of our congregations), and minorities, as well as larger social problems of hunger, homelessness, racial discrimination, child abuse and others. They must see the importance of prayerfully listening to those around them, holding concerns before God, and asking prophetic insight to discern *God's perspective* and His use of us, His people. Believing that indeed there is no East or West in Christ Jesus, the spiritually mature candidate must hear the needs and concerns of all, and bring them before the Creator, Redeemer and Sustainer of our collective and individual souls.

True holiness creates humility, and a continuing search for discernment of the will of God. It appears difficult for human beings to avoid becoming "pride-full," whether in honor of academic credentials, station in life, political power, or any other human accomplishment. The one who represents God's people must however, bear the qualities of Christ in humility, meekness, patience and love, foregoing the pursuit of personal agenda for a walk worthy of, and in tune with the call of God.

He/she must ever strive to "Trust in the Lord with all your heart and lean not on your own understanding . . ." acknowledging Him in all our ways, He will surely direct our paths. Kierkegaard captures a profound truth in the title of his book, *Purity of Heart Is to Will One Thing*. Our will must always be to discern the will of God and act accordingly.

God's revealed purpose for each of us is to realize moral and spiritual values in community through Jesus Christ our Lord and through the power of the Holy Spirit. Any and all electoral procedures within Christ's Church must be conscientiously held within this framework. Electors and elected stand accountable unto God.

STATEMENT OF PURPOSE IN SELECTION OF DELEGATES — A TEMPORAL PERSPECTIVE

We believe that all of the members of our Annual Conference believe in the democratic processes — caucuses, listening to candidates define their positions, hearing debates, holding

elections, and other acts basic to the body politic. All persons meeting established requirements are eligible to vote. They may vote for whomever they select. If they are astute, they vote for those best representing their viewpoints, those having the best chance of being elected. That basic understanding usually guides how people vote.

The question is raised regarding voting blocs. One opinion expressed is that they have never been able to vote in a well organized bloc or group — not because the persons selected have little chance of being elected (if they are backed by a bloc, they obviously have a better chance), but because they do not always best represent one's own thinking. The attempt is to discover those persons who would cast votes as we would cast them. Since we don't always have that information, we vote for those whom we most admire and for those whose leadership we have learned to appreciate. The question then is whether you always vote for persons whose opinions are nearest to a carbon-copy of your own. Does one desire to support those whose thinking is based on consistent and honorable life commitments backed by intelligent, purposeful, well-informed decision-making processes? Most of all, we feel we want to support those who seek to undergird all decisions with prayer and whose primary aim is to serve God and do His will.

One might readily admit that they do not like being in any kind of box that does not leave freedom to vote for anyone they choose to support. Blocs, even those loosely organized, cannot effectively operate with too many persons insisting on such freedom. Such persons might vote for people outside the umbrella. When you vote for too many outsiders, you soon find yourself no longer in the bloc. Can one live comfortably and in good harmony in any group? This is a reflection of why one might not be able to exist in a bloc. And obviously we cannot necessarily fault others for believing and acting differently.

Some, perhaps many (maybe even most) would disagree with this perspective. They perhaps find it easier to operate in a bloc/group rather than individually. They feel more realistic and probably are able to affect decision-making more effectively. They are certainly more pragmatic. Can we quarrel with them in their right to make such a choice? As a nation we believe completely in the right of free assembly and the right — even the responsibility — of moving an assembly to preferred decisions by honorable means. As long as people remain free to choose without coercion and without required litmus testing, can there be any insurmountable problems?

What are we saying? Probably, an expression of frustration more than anything else. Wouldn't we all prefer to have everybody choose to do it our way. Let's just all vote — without caucusing, without lists, without recommendations from groups. Let's vote for those persons we feel we want representing us. Continue voting, ballot after ballot, until a list of fewer and fewer persons come to the front, until all delegates are elected. If certain persons were being left out (ethnic minorities, females, age groups, etc.), voices of reason could be raised in an appeal (as has been effectively done before). We will never do it that way, of course, but you must wonder what would happen if we did.

We need to develop some means of insuring a broader, fairer representation. Obviously, we do not have a pure town-meeting type democracy in our local, state and federal governments. We have representative democracy in which the rights of minorities are not only protected, but in which representation is guaranteed. Every state in our union, even the small states are given two senators in our senate. The House of Representatives more accurately voices the opinions and convictions of the majority, except that even there, especially there, divergent voices are provided platforms for affecting policy.

The Annual Conference as a political body has no means of protecting minority voices in its electioneering. If a simple majority, however devised, wishes to exercise its power to control as an organized unit, the majority (however put together) may rule completely, and every minority, even a large one, is rendered virtually voiceless. The only effective recourse is that the total body renounce control tactics and allow a more natural process to surface. But when the majority locks arms, joins forces, excludes some, organizes and reorganizes with care and precision, a majority can rule with an iron hand. Others are then imprisoned by the harsh reality of being powerless. Any struggle on their part is tantamount to useless.

Short of recommending an organizational scheme, we would rather see us discipline ourselves to be more open to others who might differ with us and, somehow in the process, manage to elect a more representative group. Even if we elected the same group (a real possibility), we would then have ownership as a total Conference.

If we have an ingrained conviction that our way is the only way, our thoughts are God's thoughts, and our will is His Will, then we believe it is obvious: any cry for broader representation is useless and, what is more, considered by some to be political heresy. But is it???

THE QUESTION OF ETHICS

Ethics for the purposes of this examination is as elusive an issue as the political process itself. It is truly a matter of perspective in many instances or just a question of whose guidance one seeks. Our attempt is only to stay within a framework that challenges the reader to ask whether they are true to God's will. Our task was not to establish a code of ethics, only to examine and bring a report on a code of ethics and conduct and guidelines. The Question of Ethics is reported in part from the spiritual and temporal perspectives presented earlier. The following provides both the basic definition for a specific baseline and a philosophical definition for reflection. The point is not to obscure the question of ethics but rather to shed light on the subject for future consideration.

THE QUESTION OF ETHICS — A DEFINITION:

"Ethics is the discipline dealing with what is good and bad and with moral duty and obligation. It is a set of moral principles or values. It is a theory or system of moral values. It is also the principles of conduct governing an individual or group."⁴

THE QUESTION OF ETHICS — A PHILOSOPHY:

"Philosopher Borden Parker Bowne a professor of philosophy at Boston University for more than thirty years, regarded identity as the foundation of personality. He argued that without identity, recognition is impossible; without recognition, memory cannot be formed; that memory, the essence of the self, is the primary condition of mental life. He insisted that the mind, not sense, gives evidence of reality; that reality is comprehended by more than cognitive faculties; that life and aspiration are more deeply rooted in the person than logical thought; therefore, it becomes necessary to justify ethics. Bowne stated that no fundamental antagonism exists between thought and feeling. The question of freedom intimately enters into the structure of reason. All knowledge is the result of considerable searching effort."⁵

In his work, "The Moral Life," Bowne states, in part that, "the field of ethics is life itself, and, immediately, the life that now is. Our moral task is to make this life, as far as possible, an expression of rational good-will. In this work we have a double guide. Internally, we have a growing moral ideal; externally, we have a growing insight into the tendencies of conduct. Neither of these can be deduced from the other, and both are alike necessary. For life has two poles. It demands for its perfection both outward fortune and happiness and inward worth and peace. A conditioned life like ours cannot reach an ideal form, unless it be in harmony both with its objective environment and with its subjective ideals. Either of these elements, when viewed apart from the other, is an abstraction of theory, and a source of confusion, if not mischief. If we consider only the inner worth and peace, ethics runs to leaves. If we consider only the outer fortune and happiness, ethics runs to weeds. There is no need to ask which factor is first, as both should be first, last and always.

The greatest need in ethics is the impartial and unselfish will to do right. With this will, most questions would settle themselves; and, without it, all theory is worthless. The selfish will is the great source not only of wars and fightings, but also of dishonest casuistry and tampering with truth and righteousness. One bent on doing wrong never lacks an excuse; and one seeking to do right can commonly find the way.

The great need of ethical practice, next to the good will, is the serious and thoughtful application, of intellect to the problems of life and conduct. As error arises less from wilful lying than from indifference to truth, so misconduct and social evils in general arise less from a will to do wrong than from an indifference to doing right.

In the application of principles to life there will long be a neutral frontier on the borders of the moral life, where consequences and tendencies have not so clearly declared themselves as to exclude differences of opinion among men of good will. Here men will differ in judgment rather than in morals. It is very common to exaggerate this difference into a moral one; and then the humorous spectacle is presented of friends who ignore the common enemy and waste their strength in mutual belaborings. This is one of the great obstacles to any valuable reform.

Finally, in reducing principles to practice we must be on our guard against an abstract and impracticable idealism. Even in the personal life conscience may be a measureless calamity, unless restrained by a certain indefinable good sense. Many principles look fair and even ideal when considered in abstraction from life, which cannot, however, be applied to life without the most hideous or disastrous results. Here is the perennial oversight of off-hand reformers and socialistic quacks. Ethics when divorced from practical wisdom prevents the attainment of its own ends. The abstract ethics of the closet must be replaced by the ethics of life, if we would not see ethics lose itself in barren contentions and tedious verbal disputes."

SUMMARY

Numerous factors influence the standards of procedure when applied to the practices within the church. In principle, as United Methodists we are governed and bound by the Holy Scriptures and by *The Book of Discipline*. Those books reveal to us the guidance and direction that we must turn to Christ for all our answers, each of us seeking the truth for ourselves.

This task force does not presume to have the answers, only a perspective built around the task given us. Our guidance, is derived from the two books which guide us all. One from God the Father, the other from the Church United that governs how to administer the Word, Sacrament, and Order. Contained herein is a reflection of both our temporal and spiritual discernment. We have attempted to stay away from the whims or personal attitudes and perspectives of a convoluted, idealistic group, driven by preconceived motives. The very issue of voting is one that calls on an individual motivation, rather than a mandated process. In that light, we were from the onset, mired in the realm of defining individual freedoms, within the framework of a pluralistic edict.

We acknowledge and were resolved to be fully mindful of the rights of individuals either singularly or in groups (blocs), to exercise their rights in the voting process without outside interference. Our task is only to articulate a postscripted discussion regarding how we conduct ourselves as a church both ethically and adroitly. Our resonating fear is that we do not perpetuate the sins of the past.

The insight of Mrs. Prim and Dr. Hyles, and the philosophy of Professor Bowne, only capture the essence of the issues we address. Ethics, as discussed, is a personal element of life. Our case is only to provide the wisdom of a few toward a question which affects so very many. Finally, each member of The Alabama-West Florida Conference must examine for themselves where they fall in the abstract or reality of ethical decisions. While voting ethics is specifically addressed, the realm of our ethical conduct is in no way limited to this one area. The aim of this task force was and is to be true to the God we serve and to the cause of "Doing the Right Thing." An expression often overused but none-the-less, so, so true, is that we are challenged that, "the main thing is to keep the main thing, the main thing." To the Board of Laity that requested this review, we have tried to be true to "THE MAIN THING." Other issues and considerations were available for our assessment. We were tasked only to look at the Voting Ethics and Procedures of our Annual Conference. Our conclusions and recommendations which follow are consistent with that tasking, and that tasking only.

To the readers of this report, may God be your guide and revealer.

RECOMMENDATIONS

The recommendations of the Voting Ethics and Procedures Task Force are as follows:

1. Maintain the existing procedures currently outlined in the Journal, but expand them to convey the following recommendations.

RATIONALE: Our current procedures are consistent with the process of electing delegates to the General and Jurisdictional Conferences. However, we do believe the process must be expanded to insure we are intentional about the process being inclusive.

2. A general Code of Ethics should be included as they apply to the process, not the individual's right to exercise his/her voting or political expression.

RATIONALE: Without any ethical guidance, we are doomed to expect the process to operate in a vacuum. The causes for which we face worldly issues are governed by one unifying set of principles, The Holy Bible. Those principles are therefore set forth in our *Book of Discipline*, and shaped administratively in The Conference Journal. The leadership of the conference is bound therefore through the process of the Annual Conference, to provide guidance where it is lacking.

3. Endorsements of candidates should only be made by individuals and/or local churches. **RATIONALE:** We recognize and encourage the endorsement of candidates. We only question the extent of those endorsements beyond that recommended. Corporate endorsements, i.e., groups other than the local church, may not necessarily be a true representation of the body as a whole. This rationale preserves the rights of the individual and reflects the autonomy and nature of the local church's participation in the Annual Conference.

4. There must be a time allotted for an official caucus, for clergy as well as laity. **RATIONALE:** Presently, only the district caucus for the lay delegates is prescribed and set forth in the standing rules. Informal caucuses will occur and are a natural part of any political process. They are also a healthy form of the political process provided they are not exclusive. The tendency however is more toward exclusion than inclusion. An official caucus at least offers the opportunity for open dialogue and fair representation.

5. On the Sunday evening following the opening session of the Annual Conference, the clergy and laity, in their respective sessions, should give opportunity for any person's name to be put in nomination. Those persons present whose names are put in nomination should provide a single printed profile sheet, with photo if possible, to be distributed to the assembly prior to the voting process.

RATIONALE: This recommendation assumes a district caucus has been held and the individuals name was not considered. Again, this represents a means of demonstrating inclusion.

ARCHIVES AND HISTORY

Report No. 1 — CHAIRPERSON

1993-1994 has been a rewarding year of work and fellowship for this Commission. We have had excellent attendance at the two meetings held at First Church, Evergreen. The second meeting saw us experimenting with a slightly longer session with a specially prepared paper. Our first such paper was prepared and read by Mrs. Katherine Hardin Hicks on "Bob Jones In Alabama." It was received with delight and gratitude by the Commission. It becomes a part of the archival material.

The Commission functions well because our people work well. Gratitude is again expressed to Mary Ann Pickard, Ida Grace Gastinger, Shelton Freeman, Joseph Curtis, Ben Sawada, Geneva Watford, Julia North, Dan Morris, Fred Ziegler, Glenn Massengale, and, as always, Patty Moseley.

The support of Bishop Morris is most helpful. His secretary, Mrs. Laura Hughes, is always gracious and of value in our work.

When one who is almost a by-stander tries to assess the life of our beloved Methodism in our time, there seem to be reasons for alarm and even distress. Archives and History helps us to remember that, in some sense, it has all happened before. Then the mind find peace and the heart is lifted up unto the Lord! We have great reason to trust, "that cause can neither be lost nor stayed, which take the course of what God has made, and is not trusting in walls or towers, but quietly growing from seeds to flowers."

In the words of Mr. Wesley, "the best of all, God is with us!"

Report No. 2 — REPORT OF THE ARCHIVIST

This report is for the calendar year 1993. It reflects the work of the Conference Archivist as administrator of the Franklin S. Moseley Depository for Methodist Records of the Alabama-West Florida Conference located at Huntingdon College.

A. ACCESSIONS RECEIVED: During 1993 I processed records for Accessions #211-#227 as follows:

- 218: Closing records of Saint Francis Street United Methodist Church January-June 1993;
- 219: Other records of Saint Francis Street UMC 1840-1990;
- 220: Miscellaneous records related to the integration and merger in 1960's;
- 221: Records of ministers who died during 1992 and 1993;
- 222: Records of the Mallalieu Seminary 1883-1922 which was located in Kinsey, Alabama;

- 226: Deceased Members of Saint Francis Street UMC 1840-1992;
- 227: Application forms of churches applying for local church heritage award, 1991-92.

RESEARCH SERVICES. Our research services were extensive during 1993. 58 researchers came to the depository to use the records, and I responded to over 70 requests for research by telephone and mail.

ADMINISTRATIVE RESPONSIBILITIES. I still manage the day to day operations of the depository on a part time basis. Again I want to express appreciation to a faithful volunteer, Mrs. Ida Grace Gasteringer, who keeps the periodicals in order. I have made disbursements within the budget for 1993 spending a total of \$6,893.43 of a \$7,500.00 budget. \$5,813.16 of that amount was for the Archivist's salary and employer's social security share.

THE DEPOSITORY AND CLOSED CHURCHES. I found myself during 1993 very much involved with the Saint Francis Street United Methodist Church which closed in June of 1993. First there was the issue of preserving the church building, which is on the Alabama Historical Register. Secondly, the church had an extensive collection of archives with almost as many records as in the conference depository. During the last six months of 1993 I worked with members of the former congregation in organizing a Saint Francis Street Methodist Historical Society. One purpose of the Society will be to help find grants and other financial sources to preserve the building. A second purpose will be to establish and maintain a permanent depository of Methodist archives in Mobile as an extension of the conference depository.

Each year churches of varying sizes and conditions close — many with cemeteries — and I recommend that the conference consider and improve the following suggestion of the Commission on Archives and History in relation to a standard procedure for closing churches (recorded in the minutes of the May 1, 1993 meeting):

"The Commission on Archives and History in recognition of its responsibility for the records of closed churches as set forth in paragraph 738 of the 1992 Discipline recommends the following in relation to the closing of local churches in the Alabama-West Florida Conference:

1. That the District Superintendent inform the Conference Archivist about the closing of a church so that the Archivist can consult with the local church leaders about the disciplinary requirements concerning their

archival records and share with them the services of the depository in receiving and preserving these records;

2. That the Archivist provide the local church leaders, the district superintendent, and the local church pastor with retention schedules for appraising the church's archival records and that the Archivist be available for consultation and assistance in this appraisal process;
3. That clear guidelines as to options for the disposal of the church's property be provided by the Conference Board of Trustees and district superintendent to all the parties involved and that the final sale of the property be noted in the archival records of the church transferred to the depository;
4. That the members of the congregation be encouraged to organize a Local Historical Society upon closure. The purpose of the society would be to enable the church members and other interested parties to keep in touch, to participate in the disposal of the church property, to maintain the property (particularly if there is a cemetery) and the church building through dues, gifts, endowments and the like until such time as the property is sold and/or interest dies out, to see that the religious artifacts are properly disposed of, and in general to preserve the memory and heritage of the church;
5. That the official closing of a church be recognized at the annual conference session in the same way that retired or deceased ministers are recognized, that the lay delegate from the church and any other church members present be recognized for their ministry during the past years, that a short "obituary" for the church be included in the conference journal, and that a longer "obituary" or history be written and become a part of the church's archives transferred to the depository.

OTHER WORK WITH THE COMMISSION. I was the representative of the commission to the Southeastern Jurisdiction Historical Society Meeting held in July 1993 at the Simpsonwood Retreat Center near Atlanta, Georgia. I also helped with the Memorial Dinner served to the families attending the memorial service at the annual conference session.

The work of the Commission on Archives and History is challenging and extensive. I appreciate as always the opportunity to serve as Archivist in this ministry.

BOARD OF MANAGERS OF PASTORS' ASSEMBLY

The 1993 Pastors' Assembly was held at Blue Lake Assembly Grounds on October 18-19, 1993. Featured speakers were Bishop William Morris, Dean Kevin Lagree of Candler School of Theology, and the Rev. Andy Langford, Editor of the United Methodist Book of Worship. The Rev. Carolyn Morris was the assembly preacher. These speakers helped the 197 ministers who attended examine "Our Wesleyan Heritage and Vision."

The Board of Managers of Pastors' Assembly has planned an outstanding assembly for 1994. It will be held at Blue Lake, October 17-18, 1994. Dr. Luke T. Johnson of Candler School of Theology and the Rev. Diane Stamey, Director of Counseling at the International Growth Center, will be speaking. The focus for our 1994 Assembly will be "Families of the Church, the Church as the Family of God." We are looking for an inspiring and stimulating assembly in 1994.

E. Bruce Fitzgerald, Dean of Pastors' Assembly

COMMISSION ON EQUITABLE COMPENSATION

It is the purpose of the Commission on Equitable Compensation to support ordained ministry in the charges of the Annual Conference by (1) recommending conference standards for clergy support; (2) administering funds to be used in base compensation supplementation; and (3) providing counsel and advisory materials on clergy support to district superintendents and Committees on Pastor-Parish Relations.

— *The Book of Discipline*, 1992 (Par. 722.2)

In keeping with the purpose stated above; the Commission on Equitable Compensation has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable compensation support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the bishop to less than full-time service is eligible for Equitable Compensation Fund in one-quarter increments. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable compensation schedule, then the Commission on Equitable Compensation may consider a special grant.

3. The *Discipline* requires that a fully scheduled equitable compensation be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable compensation for the minister's category, the church must pay 80% of the equitable compensation schedule for 1993, except as defined in paragraphs 8-12 of this report.

4. The amount of equitable compensation a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable compensation for his/her classification, except as provided in paragraphs 8-10 of this report.

6. No person qualifying for equitable compensation which amounts to less than \$100 per year will receive any equitable compensation. The Commission expects the local churches to take care of that amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable compensation unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable compensation aid.

8. The Commission on Equitable Compensation recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Compensation, above the regular equitable compensation, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. After June 1994 ministers of newly organized congregations will be eligible for Equitable Compensation for five years based on the following schedule applied to the minimum compensation approved by the Annual Conference:

First year	120% of Equitable Compensation
Second year	100% of Equitable Compensation
Third year	80% of Equitable Compensation
Fourth year	60% of Equitable Compensation
Fifth year	40% of Equitable Compensation

As shown there will be a 20% decrease each year with assistance ending after the fifth year. This schedule will begin upon approval of the Annual Conference in June 1994. This schedule does not apply to churches currently receiving Equitable Compensation as a "new church." The Commission suggests to the cabinet that consideration be given to ministers with backgrounds in church planning and growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Compensation, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable compensation, without any reduction in the equitable compensation support.

11. The Commission on Equitable Compensation recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Compensation, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this cumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable compensation assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors. An annual report of this program shall be submitted through the District Superintendent to this Commission.

14. The District Superintendents are required to review all equitable compensation situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable compensation assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Compensation has approved the division. The Commission recommends that churches or charges, to be eligible for equitable compensation aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable compensation funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable compensation funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with the Commission the changed status.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Compensation shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable compensation fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

18. The Commission recommends the following Equitable Compensation Schedule for 1995:

	Minimum Salary	Minimum for church 80%
Full Connection	\$22,250	\$17,800
Probationary	22,250	17,800
Associate	21,188	16,950
Seminary Student (married)	17,270	13,815

CONFERENCE SCHOOL OF MISSIONS

The 1993 Conference School of Missions was held August 3-8, 1993. The event was held at Blue Lake with an increased attendance of over 20%. Our studies were led by Bishop William Morris, Mrs. Laura Roy, Rev. Mark LaBranche, Ms. Denise Thompson, Rev. Ervin Dailey and Mrs. Betty Cates. The format was changed to allow all to take the Spiritual Growth Study. Rev. Pam Huff and Mrs. Paulette Clark led our uplifting and spirited music program. The entire week and weekend was filled with great studies.

One of the highlights of the week was our Festival night shared with the campers from the Elementary Camp for Missions with children. Young and old alike enjoyed the festivities of the evening.

This was a maiden voyage for the Elementary Camp with Missions for children and was met with a tremendous response.

We continue to grow as we work to expand Mission Education in our conference. Thanks to all for their support.

Sarah Doyle, Dean, 1993 School of Missions

ASSEMBLY GROUNDS COMMISSION

Blue Lake Camp

The Blue Lake ministry continues to grow. The demand for dates by Conference, District and Church groups increases with each year. The wilderness setting of the camp is a source of joy and adventure to many persons who visit the grounds. The facilities of your camp are delightful and adequate to accommodate most of the groups that seek to use them. Non-United Methodist groups make use of the camp when they are not scheduled by our people. More than 13,000 camper days were experienced at Blue Lake in 1993. This number does not include the Conference boards and agencies which come for meetings or one day picnic groups.

The reservation policy of the Assembly Grounds is as it has been for several years. United Methodist groups are urged to plan and schedule their retreats early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate as many groups as possible and offer the Blue Lake experience to more people. Groups related to our conference have until the first of October each year to schedule their activities for the next year. After the first of October, non-conference groups will be given dates if available.

The rates are as follows: United Methodist groups within the Annual Conference: \$23.50 per person, per day in the original section of Oakwood; \$33.50 per day in the New Wing. In Pinewood and Dogwood the rate is \$18.50 per person, per day. These rates include one night's lodging, three meals and insurance. Non-Conference groups pay a higher rate per night's lodging.

The indebtedness on the new wing at Oakwood is \$400,000.00. The note is held by the Covington County Bank of Andalusia and is amortized at \$50,000.00 annually plus interest quarterly at prime. Each local church is urged to observe Blue Lake Sunday on the second Sunday in September and receive an offering for debt retirement. Blue Lake is a Conference Advance Special. The indebtedness at Blue Lake is equal to \$2.90 per member in the Annual Conference.

The Blue Lake Fund apportioned to the local churches is essential to the operation of the camp grounds. The cost of material and labor continues to rise and the demand for added services increases from year to year. Your support is essential. Even more important is your support by “coming to Blue Lake for a visit.” Every effort will be made by the staff to make your stay a meaningful one.

Blue Lake is your church camp and your church should make use of the facilities as often as possible. Large, small or in-between your church group is welcome and at home in this beautiful setting.

The Blue Lake ministry is a great one and it is a privilege to have a part in it. Space will not allow me to thank everyone who contributes to the life and well being of Blue Lake, yet I must say a special word to our staff for their faithfulness, to the United Methodist Women for their continued support; and to the Blue Lake Commission who give of their time in this ministry of love and service.

BOARD OF TRUSTEES

The Board of Trustees of the Alabama-West Florida Annual Conference holds in trust all properties of the Annual Conference. The real properties held in trust are the following:

- 1. The Conference Headquarters’ building in Andalusia
- 2. Three parsonages in Andalusia:
 - a. 116 Maple Street
 - b. 1403 Prestwood Bridge Road
 - c. 100 Redbud
- 3. The Wesley Foundation building in Auburn
- 4. The Episcopal Residence: 3291 Lancaster Lane, Montgomery

The Board of Trustees also holds title to the following bequests:

1. Norris Allen Fund	\$205,089
2. Hattie B. Norred Fund	63,188
3. C.B. Gilmore Fund	84,610
4. Lownesboro Trust	20,225
5. Mary Lloyd Reynolds Trust	40,041
6. J.B. Skinner Estate	625,423
7. Lida Malone Missions Account	5,434

The above funds are held in trust by the Board of Trustees with the revenues being used as requested by the donors.

We call attention to the resolution adopted by the Annual Conference of 1988, which designates the United Methodist Foundation as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies. Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

Maintenance on the Andalusia parsonages, the Headquarters’ building, and the Auburn Wesley Foundation cost \$13,420 last year. The only funds available for the retirement of the Auburn Wesley Foundation debt and for maintenance on all properties come from the Maintenance and Debt Retirement Fund of the Conference Budget. Of the 1994 and proposed 1995 apportionment, sixty percent (\$69,000 prorated) is committed to paying off the Auburn the Auburn Wesley Foundation mortgage. In order to provide maintenance and insurance coverage for the Andalusia parsonage and the Headquarters’ building as well as the

Conference's share of the Episcopal residence maintenance and debt retirement, it is imperative that local churches accept and pay their fair share of the Maintenance and Debt Retirement apportionment.

The January 1, 1994 indebtedness is \$51,923 on the Auburn Wesley Foundation Building and \$122,913 on the Episcopal residence. The regular Auburn Wesley payment is \$2,736 and the episcopal residence payment is \$1,688 per month.

PREACHER'S AID SOCIETY

The Alabama-West Florida Conference Preacher's Aid Society has been assisting ministers and their families during times of financial need for over one hundred years, dating back to its beginnings in the Methodist Protestant Church. The assistance is in one of two forms: outright grants for those who have had tremendous unexpected medical or other type expenses; or low-interest (6% per annum) loans of up to \$600.00, with up to two years to repay.

Every minister under appointment in the Annual Conference (Full Connection, Probationary Members, Associate Members, Student Pastors, and Local Pastors) is asked to give \$1.00 dues each year to the Society, which goes into the Loan Fund. The interest from the loans then goes into the Grant Fund. For ministers to be eligible for grants for loans, they must be current in their annual dues.

The members of the Board of Directors of the Preacher's Aid Society receive no kind of financial remuneration (not even mileage to meetings), but serve because of a desire to be a "Helping Hand" for fellow ministers and their families.

Those desiring loans are asked to contact the President, Vice-President, or Secretary-Treasurer of the Society. Those needing grants should contact their District Superintendent, who should then contact the President of the Society.

We urge every minister in the Conference to be faithful in giving their annual dues, so that the Preacher's Aid Society can continue to "be there" for the ministers and families of this Conference for the next hundred years.

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1 — PENSIONS, ANNUITY RATES, APPORTIONMENTS

For the last five years the Conference Board of Pensions has pursued the goal of a pension rate equal to 1% of the Conference Average Compensation as the Ministerial Pension Plan directs. Local church salaries have moved up so rapidly that we have had difficulty gaining ground. The 1994 rate of \$321 per service year is .0975%. Just to maintain that percentage would push the rate to \$348. After much deliberation, the Board of Pensions voted unanimously to recommend that we set the rate at \$357 for 1995, which will put our rate at 1% of the Conference Average Compensation. This will make it much easier for us to maintain the 1% level each year as local church salaries advance. Even though this required a raise in our Conference Claimants apportionment, we believe that the local churches of this conference, who have worked to give their pastors adequate salaries, will accept an increase so that remuneration for our retired brothers and sisters can keep pace with the active clergy.

Thus, for the year 1995 we recommend that the total annuity rate for service years prior to 1982 be three hundred fifty-seven dollars (\$357) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be two hundred forty-nine dollars (\$249) provided that for those living in homes furnished by the Annual Conference, the pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$2,200,000 for 1995.

We call attention to paragraph 737.4 of the 1992 *Discipline* relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to the payment of a minister's salary by the local church. The *Discipline* gives the church treasurer the primary responsibility for the application of proportional payment. If the church treasurer fails to do this the pastor is then required to adjust his/her cash salary. Also the *Discipline* states that the pastor cannot receive a bonus or other supplementary compensation tending to defeat proportional payment. For example, if a church only pays 70% of the pension and benefits apportionments, the minister should receive only 70% of his/her cash salary as set by the Charge Conference.

In order to maximize the contribution to each minister's church pension account, we recommend that a maximum of \$3,600 be set for travel and \$3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

Report No. 2 — DEATH BENEFIT PROGRAM

The General Board of Pension and Health Benefits has changed the Death Benefit Program (DBP). We will have to make a change in our program beginning January 1, 1995. We recommend that the Conference Board of Pension and Homes for Claimants be granted the authority to contract with the General Board of Pension and Health Benefits for participation in the Death Benefit Program in accordance with the current funding in the budget and from participants. DBP is an additional death benefit added to the regular death benefit provided by the Comprehensive Protection Plan in which each full-time minister with a base compensation and housing equal to 60% or more of the Denominational Average Compensation.

Report No. 3

ADDENDUM A TO THE MINISTERIAL PENSION PLAN AND THE COMPREHENSIVE PROTECTION PLAN

This Addendum A is applicable to the Alabama-West Florida Conference and is effective January 1, 1995. It replaces any previously executed Addendum A and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan as revised January 1, 1993.

The MPP and CPP contribution base shall be the active participant's plan compensation for a plan year not to exceed the Denominational Average Compensation (DAC). (MPP Sections 2.12, 2.17(a), 2.18; CPP Sections 2.07, 4.01(a).)

The MPP church contribution rate shall be 12% of the MPP contribution base of each active participant. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. (MPP Section 4.01(a) & CPP Section 4.01 (a).)

The MPP and CPP church contribution shall be made monthly to the plans by the Annual Conference in accordance with the Plan Document. Such MPP and CPP church contributions shall be transferred monthly from the deposit account of the Alabama-West Florida Conference by the General Board of Pension and Health Benefits to each active participant's account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants. In the event the deposit account is overdrawn, an interest charge shall be made by the General Board of Pensions and Health Benefits. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6½% per annum) or the current monthly rate of interest credited to the Short Term Interest Rate Account (STIRA) whichever is greater. (MPP Section 4.01(k); CPP Section 4.02(a-f) (h).)

The Alabama-West Florida Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with the General Board of Pension and Health Benefits for active participation in MPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP Section 4.01(j).)

Any full or associate member appointed to a sabbatical leave may continue to participate in MPP, provided the Conference makes the required church contribution based on the participant's annualized Plan Compensation immediately prior to such leave. (Disciplinary Paragraph 446; MPP Section 4.01(j)(1).)

Any full member appointed to attend school after having served under appointment years other than to attend school may continue to participate in MPP. The Conference shall make the required church contribution based on the participant's annualized plan compensation immediately prior to such leave. (Disciplinary paragraph 1606.3(a)(4); MPP Section 4.01(j)(1).)

The Alabama-West Florida Annual Conference Board of Pensions and Homes for Claimants is hereby authorized, at its discretion, to arrange with The General Board of Pension and Health Benefits for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. (CPP Section 3.03.)

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 3.4% of the DAC. (Disciplinary Paragraph 446; CPP Section 3.02(a).)

All full, associate, and probationary members granted a Leave of Absence may be continued in CPP provided the Conference makes a contribution of 4.4% of the DAC. (Disciplinary Paragraph 448, CPP Section 3.02(a).)

All full, associate, and probationary members granted family leave may continue in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. (Disciplinary Paragraph 449; CPP Section 3.02(a).)

On January 1, 1995, the ministerial pension rate shall be \$357.00, and local pastor's pension rate shall be \$357.00. Should the pension rate, as a percentage of the 1995 Conference Average Compensation (CAC), be below .9 of 1%, then the Annual Conference Board of Pensions and Homes for Claimants shall be authorized, after consultation with the General Board of Pension, to arrange to have the Past Service Pension Rate be the minimum dollar amount which would permit a 12% MPP church contribution rate. If this occurs, the required funding amounts may be different from the amounts listed below, and the Conference would be required to make the revised annual past service deposit. (Disciplinary Paragraphs 1606.2(b), 1606.7, & 1606.21(a); MPP Supplement One, Article D.)

In accordance with MPP Supplement E.01(b), the surviving spouse benefit shall be 70% of the participant's formula benefit.

In accordance with MPP Supplement One (B.03), the unfunded liability as of January 1, 1995, has been actuarially projected to be \$4,712,887. Past service funding deposits are required to fund the unfunded liability and shall be in the amount and for the period shown below:

Amount	Period of Deposit
\$251,619	19 Years
\$199,100	27 Years
\$375,719	Total Annual Past Service Deposit Required

This annual deposit shall be made at the end of each calendar year as required by the General Board of Pension and Health Benefits. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference deposit account to the past service funding account on December 31. If the annual cash flow requirement as determined by the General Board of Pensions and Health Benefits exceeds the combined past service funding deposit amount, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One, Article D.)

Report No. 4 — CLAIMANTS MEMORIAL FUND

We recommend the continuation of the Claimant's Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

Report No. 5 — SPECIAL APPOINTMENT PENSION RESPONSIBILITY

In keeping with paragraph 1606.3a(3), 4g, 4h, of the 1992 *Discipline*, we recommend that those clergy appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds Commission, the director of Noah's Ark, the director of the Mobile Inner City Mission, the director of Hispanic ministries, and the director of the Alabama-West Florida Conference Board of Pastoral Care, Counseling and Training, provided such appointments are made as members of this Annual Conference or under paragraph 426.1 of the 1992 *Discipline*. The district superintendents, ministers appointed to the Conference Council on Ministries and the Fiscal Office are approved with pension responsibility on the Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pensions and Health Benefits. (1992 *Discipline*, par. 1606.3a.)

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 3.4% of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries.

Report No. 6 — DEPOSITORIES

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions and Health Benefits of The United Methodist Church.

Report No. 7 — PENSIONS FOR LAY EMPLOYEES

We strongly endorse the Cumulative Pension and Benefit Plan and the Basic Protection Plan administered by the General Board of Pensions and Health Benefits for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact the General Board of Pensions and Health Benefits, 1201 Davis Street, Evanston, IL 60201.

Report No. 8**FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT**

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606.4 of the 1992 *Discipline*.

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions and Homes for Claimants.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable compensation adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

Report No. 9**RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS ANNUAL CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired ordained or licensed minister, or 100% of the disability benefit payments received by a disabled ordained or licensed minister, during the year of 1994 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired ordained or licensed minister's pension or disabled ordained or licensed minister's benefits.

NOTE:

It should be noted that the above resolution applies only to the minister and not the surviving spouse.

The fiscal office has copies of forms and explanations of this ruling from the General Board of Pension and Health Benefits.

GUIDELINES AND POLICIES FOR OCCUPANCY OF CLAIMANTS HOMES ALABAMA-WEST FLORIDA CONFERENCE THE UNITED METHODIST CHURCH

1. Priority for homes of the Board of Pensions and Homes for Claimants shall be for claimants of the Alabama-West Florida Conference. A claimant is to be defined as:
 - A. A minister who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference and is receiving his/her pension.
 - B. A surviving spouse of an active minister with a minimum of ten (10) years full-time service in the Alabama-West Florida Conference. He/she must have been married to the minister during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years of service.
 - C. The surviving spouse of a retired minister who was married to that minister at the time of his/her retirement.
 - D. Ministers who are placed on disability may be permitted to live in a Conference home, depending upon the availability of a home and subject to the prevailing financial charge for said home.
2. Applicants who meet the above qualifications shall furnish evidence of need by completing the Financial Assessment form provided by the Board. Then the following priorities will be followed:
 - A. Years of continuous full-time service with pension responsibility on the Alabama-West Florida Conference.
 - B. Years of service in the Alabama-West Florida Conference under special appointment NOT under pension credit on said Conference, and as an active minister with pension credit on said Conference.

- C. Years of service as a spouse of a minister who has served a minimum of ten (10) years full-time service.
- D. Ministers placed on disability subject to 1.D above.
- 3. APPLICATIONS FOR CLAIMANT'S HOMES SHALL BE MADE NO LATER THAN DECEMBER 31 PRECEDING THE ANNUAL CONFERENCE OF RETIREMENT. In the event of death of an active minister prior to the date for home assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. If a home is vacant and available at the time of the death of the minister, the Board, at its discretion, may assign that home to the surviving spouse rather than providing temporary housing. Home assignments will be made by the Board at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes after the December 31 deadline will be considered on availability of homes after other home assignments have been made.
- 4. Claimants shall provide the following information to the Director of Homes:
 - A. Name of claimant and immediate family members.
 - B. Number of persons to be housed.
 - C. Name(s) and address(es) of person(s) who will be responsible for the personal affairs in the event of disability or death.

The Director of Homes will meet with the Claimant following assignment of the homes to discuss conditions of occupancy. A signed agreement between the Claimant and the Board is required prior to acceptance of the home.
- 5. The Board will furnish each home with a stove, heating equipment, refrigerator, and water heater.
- 6. NO repairs, alterations, or extensive painting can be done to any of the homes at any time except those specifically authorized by the Director of Homes. NO ONE can obligate the Board for expenditures without permission of said Board. Payments for repairs, alterations, or painting, not so authorized, will be the responsibility of the person contracting for such repairs, alterations or painting. A lien will be placed upon the pension of those who fail to assume responsibility for unauthorized repairs and alterations. MINOR MAINTENANCE AND REPAIRS UP TO \$50.00 WILL BE THE RESPONSIBILITY OF THE OCCUPANT.
- 7. Care must be exercised by the occupant in the erection of TV antenna so that existing property is not damaged.
- 8. No claimant who serves a church, under appointment, which has a liveable parsonage, will be provided a claimant's home unless said church pays to the AWFC Board of Pensions and Homes for Claimants a monthly amount deemed by the Claimants Homes Committee to be equitable rent for said claimants home as long as the claimant serves that church under appointment.
- 9. When a claimant vacates a home, he/she should release the home in writing to the Director of Homes, and remove all personal belongings by the end of the month in which the home is vacated.
- 10. Upon the death of a claimant, the heirs or responsible person(s) shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond 30 days will be disposed of by the Board.
- 11. When a home is not utilized by a claimant, it may be rented. However, when there is a claim for a rented house by a claimant, a minimum of 30 days notice will be given for the home to be vacated at which time the occupant must release the home. Homes are for the express use of claimants of the Alabama-West Florida Conference.
- 12. Claimants occupying a home for claimants will have their pension adjusted by a reduction of six hundred (\$600.00) dollars annually or fifty (\$50.00) dollars per month for MINISTERS; four hundred (\$400.00) dollars annually or thirty-five (\$35.00) dollars per month for SURVIVING SPOUSES.
- 13. Information and questions concerning the homes and related matters should be directed to: Rev. Gerald H. Maddox, Director of Homes, P.O. Box 700, Andalusia, AL 36420.

Report No. 12 — HEALTH INSURANCE

The partial self-funded health insurance plan has been in operation for over three years. The claims experience was not as good in 1993 as the first year and nine months, but the

Insurance Trust fund is still solvent. As of December 31, 1993 we had a trust balance of \$1,083,383, a decrease of \$368,406 from 1992. Claims totaled \$1,905,112 in 1993.

Many of the participants as well as the insurance office began experiencing difficulties with JRH Risk, our third party administrators since inception of the partial self-insured plan. Many claims took 45 to 60 days to process and claims submitted were often lost with some having to submit claims as many as three times. In October of 1993, Blue Cross Blue Shield of Alabama contacted the Conference asking to make a presentation as to their services as a third party administrator. They have served as third party administrator for the North Alabama Conference self-insured plan since its inception in 1990. In discussing their service and costs savings with North Alabama, they have been pleased on both counts. The Insurance Committee and the Board voted to change third part administrators as of January 1, 1994. This brought about some changes in plan benefits with some losses and some gains. The major loss is the Express Scripts Drug card and the ability to order maintenance drugs free of any charge to the participant. The main gains are: hospitalization costs \$250 for the first day and \$50 a day thereafter of covered charges rather than a 80-20 co-pay as with the 1993 plan. For example, one participant was in the hospital for six days in 1993 with a total bill of \$8,886.16. He had to pay his \$250 deductible and 20% of the other covered charges for a total of \$1,945.23. Had that hospitalization occurred in 1994, he would have paid only \$500 or a savings of \$1,445. Blue Cross Blue Shield has contracts with hospitals and passes the savings on to us. Some of the other additional benefits are: 100% coverage of approved charges for emergency room treatment of accidental injuries, a reduction of the out-of-pocket maximum from \$5,000 to \$4,000, and 100% cancer coverage. Family premiums are the same in 1993 as they were in 1991 (\$195 per month).

As with any major change of this type, there have been some problems with the change over. Those problems should now be worked out and the program running smoothly. We expect not only better service but also a savings to the trust fund to overcome the decline in 1993.

Local churches may cover their lay employees who work 30 or more hours a week. Lay employee premiums are \$190 for single coverage and \$390 for family coverage. For information on offering your lay employees this coverage contact Mrs. Pat Rathel in the Conference insurance office.

The Board of Pensions and Homes for Claimants recommends that the appropriation for Health Insurance for 1995 by \$1,250,000.00 which represents level funding for the second straight year. In 1993, 95% of the health insurance apportionment was received.

COUNCIL ON FINANCE AND ADMINISTRATION

4. The Fiscal Office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. It shall be the duty of the fiscal officer to keep the records, make the reports, and handle all financial transactions of all the conference agencies.
5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through The First Alabama Bank of Covington County, and records be kept by the Fiscal Office of the conference.
6. The duties of the fiscal officer be combined with those of the Conference Benefits Officer and executive secretary of the Conference Board of Pensions, and other responsibilities assigned by the Council on Finance and Administration.

7. Beginning with the 1992 quadrennium we recommend that the office of the statistician be held with the Fiscal Office and that the Fiscal Office provide all functions now provided by the statistician.

Report No. 2 — RULES OF PROCEDURE

1. The Council on Finance and Administration (CFA) shall meet prior to Annual Conference and during the conference session as needed. A spring and fall meeting of CFA shall be held. Other meetings shall be on call of the president of the Council.

2. All persons interested in presenting a request to CFA are invited to do so or to attend any of the Council meetings. All Council meetings shall be open to all interested persons, except when by majority vote the Council elects to meet in executive session.

3. Each agency, whose records are not kept by the Fiscal Office, is required to bond its treasurer, which may be done through CFA at no cost to the agency. Such agency shall provide a copy of its audit and other reports to CFA as deemed necessary by CFA. (Par. 714.2; 715.2 1992 *Discipline*). Reports to CFA shall be in such detail and provided at such times as the Council may direct.

5. An audit of the complete financial status of the Annual Conference shall be published in the *Conference Journal*.

Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the Fiscal Office. Any expenditure more than the current balance in that account shall be cleared with the chairperson of CFA and the executive director of the CCOM.

(Par. 710.2, 1992 *Discipline*.)

10. The adoption of reports and recommendations of CFA by the Annual Conference shall become the final action of the Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of CFA and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, CFA shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by CFA.

12. A Committee on Investments and Audits within CFA will be responsible for reviewing, approving, and supervising all banking relationships of CFA with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note rule 3 & 4 above.)

13. We recommend that Thursday, June 9, 1994, be set as the official moving date for this Conference year. All June salary shall be paid to the incoming minister. No minister shall receive salary from the church from which he/she is moving.

5. Since 1989, the base salary of the district superintendents for the ensuing year has been the average of the highest base pastor's salary in each of the nine districts. We recommend the continuation of this formula.

**Report No. 5 — POLICIES AND GUIDELINES
ANNUAL CONFERENCE REGISTRAR**

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocation of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.
2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar. Fees for dining rooms shall be paid by the group using such rooms.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to it.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the Huntingdon College.

Report No. 6 — SPECIAL FUNDS AND COLLECTIONS

We make the following recommendations for those causes for which no funds are allocated:

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, United Methodist Student Day, Peace with Justice Sunday, Native American Awareness Sunday and that special offerings be received or budgeted for these special days.

4. That support for Golden Cross Ministries be given through a special offering on Mother's Day, and support for Homes for the Aging be given through a special offering on Father's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

8. That the Jurisdiction Missional Growth Fund continue to receive the support of our conference.

9. That permission be granted Huntingdon College to continue to solicit funds in its major funds campaign provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

10. The Assembly Ground Commission be granted permission to solicit funds through its Blue Lake Partner program provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

11. That permission be granted the Mobile Inner City Mission to establish "The Mobile Inner City Endowment Fund" to receive donations, gifts, subscriptions, and bequests provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

12. We recommend that a Sunday in November be designated for receiving an offering for the Southeast Jurisdiction T.V. Ministry, 25% of which is to be retained within our Conference.

13. That the second Sunday in September be designated as "Camping Sunday" for Blue Lake Camp and an offering received be designated for debt retirement of the Camp. Special recognition shall be given volunteers in the camping program of Blue Lake.

14. That the United Methodist Children's Home be given permission to promote a Capital Funds Campaign in 1992, but that no quotas or goals be set for any local church. Funds shall be solicited on an individual, business and foundation basis.

15. That the United Methodist Men be given permission to promote funding of their Kingdom Builders Project with the understanding that there would be no goals nor quotas placed upon local churches.

16. That permission be granted the Commission on New Congregational Development to conduct a fund raising effort to support new church development, such funds to be placed in an endowment. There will be no goals nor quotas upon local churches.

This does not change the total Board of Missions budget as approved at the 1993 session of the Annual Conference.

Report No. 8 — STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. CFA believes that all apportionments are needed in the amounts apportioned. Further, CFA believes that it is within the capacity of the churches to pay the apportionments in full. Effort has been made to hold apportionments for which CFA has responsibility to minimum increases, and if possible, level funding. The 1995 Conference budget reflects an increase of 3.33% over 1994 excluding the increase in the Conference Claimants Fund (the overall increase is 5.57%).

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	no apportionments
2nd year	50% apportioned
3rd year	75% apportioned
4th year & following	100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and CFA may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in par. 270.4.c of the 1992 *Discipline*. It is our suggestion that audits of local church financial records should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

Report No. 9 — DISCIPLINARY REQUIREMENT

Paragraph 715.1 gives CFA responsibility for the fidelity bonding of the conference treasurer. CFA recommends that the present policy of bonding be continued through the General Council on Finance and Administration. Paragraph 715.2 of the 1992 *Discipline* gives CFA the responsibility of requiring all agencies and boards for which the conference treasurer does not serve as treasurer to have fidelity bonding of their treasurers in such amounts as it deems adequate.

Report No. 10 — FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% financial strength (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the amount of each budget item at the Conference level.

2. We recommend that the financial strength of a local church in calculating the decimal formula be based upon membership and all local expenditures. (lines 64-72 of the local church report to the Annual Conference). This eliminates all apportionments and special giving from the formula.

3. It is recommended that the spring meeting of the Council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requested information required by the Council on Ministries.

Report No. 11 — MINISTERS MOVING EXPENSE

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$1,000.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

Report No. 12 — ZERO BASED BUDGETING

The following proposal for zero based budgeting is presented by the Council (the original proposal was adopted by the Conference on June 1, 1988):

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account."

4. The Conference Program Reserve Account shall consist of:

- a. unused balances of boards and agencies
- b. funds which may be budgeted for the reserve account
- c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
- d. interest earned from sources as may be provided by the Council on Finance and Administration
- e. Funds from other sources that may be deposited by any board or agency or group within the Conference

5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the Council Program Reserve account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.

6. Additional use of Conference Program Reserve funds by program boards and agencies or for other program purposes of the Conference Council on Ministries shall be approved by a majority vote of the executive committee of the Conference Council on Ministries upon the recommendation of the Conference Council Director.

Report No. 13 — MOVING EXPENSE GUIDELINES, LOCAL CHURCHES

The following guidelines for the moving expenses of ministers first appears in the 1984 Journal, page 330. It is printed here for the information of pastors and churches:

1. Before moving to a new appointment, an incoming pastor should communicate with the PPRC chairperson to ascertain the church's policy on paying moving expenses and to discuss moving plans.
2. If the incoming pastor plans to use a commercial mover, two estimates should be secured from the movers.
3. The receiving church is responsible for the moving expenses of an incoming pastor up to a maximum of 7,500 pounds.
4. The cost of packing by the movers, if done, is not the responsibility of the receiving church.

Report No. 14 — COSTS OF THE ANNUAL CONFERENCE

By action of the Annual Conference in 1991, in response to the motion presented at the 1990 session of the Annual Conference, CFA makes the following recommendations:

1. In order to have a more accurate account for meals served, the Conference will provide meal tickets for all Conference members, guests and other official visitors.
2. A charge of \$15.00 per person will be made for all who use Conference provided housing on the Campus. (Standing Rule 8) CFA will be responsible for studying and investigating possible locations for future sessions of the Annual Conference.
3. The 1994 Brochure of Reports will contain an order blank requiring orders to be placed for the 1994 Conference Journal at \$10.00 including cost of mailing. Those desiring loose leaf copies with a binder will be charged \$15.00. Those desiring only loose leaf copies without the binder will be charged \$10.00. Order forms will be available in other places as well. (Standing Rule 18.a)
4. The 1995 Journal costs will be: \$15.00 for regular binding, \$18.00 for loose-leaf copy with binder and \$15.00 for loose leaf copy without binder. All prices include cost of the Journal mailing.

BOARD OF DIACONAL MINISTRY

The Alabama-West Florida Conference Board of Diaconal Ministry is a diverse group representing both diaconal and ordained ministry as well as the laity of the church. This diversity helps the board to accomplish its tasks and carry out its responsibilities in a fair and balanced manner.

The responsibilities of the Board of Diaconal Ministry include recruitment, interviewing, supporting and enabling all diaconal ministers within our conference and overseeing the certification and re-certification process for persons certified in Christian Education, Music, Youth Ministry and Evangelism. The board also provides mentors for each official diaconal candidate to help them throughout the candidacy process. In addition, the board prepares and communicates the guidelines for continuing education credits which are required of all Diaconal Ministers.

Some of the major goals, many of which are on-going, toward which the Board of Diaconal Ministry is now striving include:

- (1) developing and distributing materials to aid Staff-Parish Relations Committees and other supervising bodies as they give guidance, direction and evaluation for the diaconal minister(s) they employ;
- (2) becoming more effective advocates for diaconal ministry and the benefits to the United Methodist Church this vital form of representative ministry can bring;
- (3) enhancing forms of recruitment, especially in smaller membership churches where a diaconal minister is less likely to be employed;
- (4) providing up-to-date input to the Council of Bishops (through Bishop Morris) regarding our thoughts and reactions to ideas and concepts being considered by the committee to study forms of ministry for the UMC;
- (5) continue to strengthen and enrich the concept of "team ministry" with ordained persons through informal gatherings and joint educational events.

The board has enjoyed a growing spirit of “collegiality” with the Board of Ordained Ministry in its recent meetings of the two boards. Through dialogue and discussion, openly asking and answering questions of one another, and a spirit of cooperation and support, the effectiveness of both boards is being enhanced.

The Board of Diaconal Ministry welcomes suggestions and ideas on how to better accomplish our goals. We appreciate the conference-wide support we have enjoyed in the past and we look forward to serving this conference and the UMC even more effectively in the years to come.

Steve Lee, Chairperson

BOARD OF ORDAINED MINISTRY

Report No. 1

The Board of Ordained Ministry is organized with three principle sections — Membership and Ordination, whose responsibility it is to shepherd those in the process of preparation for ordination, including seminary students; Local Pastors, whose responsibility is the supervision and accountability for part-time and full-time local pastors; and Conference Relations, who are responsible for the care and supervision of full members of the conference as their relationship to the conference changes, i.e., retirement, leave of absence, etc.

The contrast between last year’s retirement class of twenty-three persons and the incoming full connection class of seven persons highlights the dramatic need for a recruitment of ministers. The Board engages itself in seeking to identify as well as to prepare candidates for ministry. November 11-13, 1994, are the dates for EXPLORATION ’94 in Richmond, Virginia, a denomination-wide conference on the call to the ministry. We except to take a large number of outstanding youth to this event. The EXPLORATION ’92 in Louisville, Kentucky, brought 750 youth and young adults together, including twenty from Alabama-West Florida. All twenty of those made commitments to diaconal or ordained ministry.

A corollary concern to recruitment is funding and training of those who are recruited. The Ministerial Education Fund is the apportionment used to provide scholarships for seminary students as well as to local pastors involved in the Course of Study School. This apportionment, an investment in effective ministerial leadership, is being paid better in recent years, but we still could provide twenty-five percent more scholastic help for our students if the fund were paid in full. The average student graduates from seminary with and indebtedness for school work greater than his or her beginning salary.

The Board of Ordained Ministry has sought this year to change the tone of the Clergy Session on Sunday night from a business meeting to a worship experience. A committee of the Board, under the direction of Vice Chairperson Charles Fail, has written a service that seeks to underscore our covenant together, acknowledging our diverse settings, but emphasizing the work of Jesus Christ we are called to do in our own appointment. We trust this change will remind us once again of our commonality as brothers and sisters, rather than focusing on our differences and divisions.

Herb Sadler, Chairperson

Report No. 3 — JUDICIAL COUNCIL DECISION

The Judicial Council, in Decision No. 702, ruled:

The Annual Conference must make any determination which would effect a change in ministerial standing. In order to do that, the words “status” and “self-avowed practicing homosexuals” must be defined by either the General Conference or the various annual conferences.

In response to that ruling, the Council of Bishops established a committee, chaired by Bishop Robert Fannin, to consult with the Division of Ordained Ministry of The Board of Higher Education and Ministry in preparing a model definition to be proposed to each Annual Conference for consideration. Bishop Fannin met with the staff of the Division and legal counsel for both the Board of Higher Education and Ministry and the General Council on Finance and Administration. After researching the history of both terms in *The Discipline* and the action of the General Conferences to determine the legal meanings and to discern the intent of the General Conference, the sub-committee made recommendations to the Executive Committee of the Council of Bishops.

On March 22, 1994, the Board of Ordained Ministry of the Alabama-West Florida Annual Conference voted to recommend to this Conference the model definitions proposed from the Council of Bishops. Should the Annual Conference adopt these model definitions then Alabama-West Florida would have the same standard of measurement as the other annual conferences of the denomination.

We proposed the following definitions:

“A self-avowed practicing homosexual is a person who engages in sexual acts with a person or persons of the same sex which are either witnessed or openly acknowledged.”

“Status” is defined as: “A legal relationship or legal condition of a group of persons based on race, gender or national origin.”

Herb Sadler, Chairperson

SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL

We begin this report with appreciation to Dr. Reginald Ponder whose vision, energy, skill, and commitment to Christ's church provided the Council leadership for seven years.

Now, as the Council moves forward, we recall Lake Junaluska's Assembly founding “...for the help of preachers and [laypersons] and the general upbuilding of the Church...in our onward movement for the evangelization of the world”; remember the work of previous councils; and restate our mandate: (a) To coordinate and help make effective the work within the jurisdiction of boards and agencies of the UMC. (b) To study changing missional needs of the jurisdiction. (c) To give oversight to jurisdictional programs and agencies. (d) To give oversight and care to Lake Junaluska Assembly and the Atkins House.

The mission of 3.2 million United Methodists in the Southeast is to join God in Disciplining the World into Christlikeness, while a motivating vision for the Council is to be a servant center in which spiritual nurture and growth is experienced and from which Christian witness and service flow as lay and clergy are equipped for faithful discipleship through information, communication, leadership training, and resources.

The Program Division provided ministry with and to 11,000 persons from all 16 SEJ Conferences, while eight Agencies assisted over 16,000 persons with training, outreach and consultation.

Ongoing Council programs in faith development, leadership training, missions, and justice advocacy combined with new offerings by the Centers for Lay Ministry and Congregational Development to equip more than 4900 Sunday School teachers, pastors, and lay leaders. Another 6100 persons, including 4987 youth, were provided spiritual growth and Bible study experiences.

In Ethnic Concerns ministries with and to Afro-American, Hispanic, Korean and Native American persons were developed and annual conferences received consultation and resources to help draw strength for a more inclusive community.

A growing awareness of the relationship between physical wellbeing and spiritual wholeness summoned plans for a Family Health & Fitness Center to meet needs of conferees, Assembly residents and members of the wider community as well as to provide training for persons who will guide an increasing number of family life centers being developed throughout the Church.

A strategic portion of the SEJ outreach is carried on by our Jurisdictional Agencies with separate boards but common mission:

1. **Archives & History and The Heritage Center** emphasizes preserving historic materials and helps thousands remember and learn from our southeastern UM heritage.

2. **Gulfside Assembly**, designated as the national training center in the Bishop's Initiative to combat Drug Abuse, provided meaningful experiences for 2,200 youth, offered a School of Black Sacred Music and began an Elderhostel program. 1994 promises more emphasis on youth adults.

3. **Hinton Rural Life Center** trained 2678 persons toward more effective ministries through Small Membership churches, distributed Planning/Visioning models to over 700 small membership congregations, and helped cabinets explore work with lay persons in pastoring roles and pastors who are ineffective. Fifteen Annual Conferences benefited from consultation and 822 volunteers from 16 states were engaged in ministry through Hinton.

4. **The Intensive Growth Center's** 46 events helped 2,620 persons grow spiritually and emotionally, enrich marriages, increase Bible understanding, enhance abilities to lead congregations and staffs, and develop stewardship ministries. Counseling services and Elderhostel programs are major components of this ministry.

5. **The Protestant Hour** completed its 49th year broadcasting inspiring music and preaching to over 2,000,000 persons.

6. **SEJANAM** helped establish two Native American congregations, conducted dialogues in eight annual conferences, trained and consulted with conference Committees on Native American Ministries, helped establish 10 summer internships in ordained diaconal ministry, and advocated on behalf of Native American communities.

7. **SEMAR** consulted with nine annual conferences seeking to develop residential alternatives for adults with handicapping conditions, five annual conferences to increase awareness of church facilities accessibility, and Lake Junaluska to secure equipment in hotels to accommodate persons who are deaf. Currently work is underway to assist in developing Intermediate Care Facilities for Mentally Retarded Persons in Western North Carolina.

8. **UMVIM** networked over 5400 Volunteers in Mission overseas and among disaster victims in the U.S., sending the first all Afro-American teams in 1993. New initiatives assist individuals seeking to volunteer from one to twelve months of service as well as GBGM-approved candidates awaiting placement pending funding. Interest in mission to Cuba and former USSR countries grows.

The Lake Junaluska Division reports more than 77,000 participants in 1993 — 35,690 who resided in Assembly facilities and 42,400 others who participated in activities or attended events held in Stuart Auditorium. Staff and volunteers, with support from Junaluska Associates, Junaluskans, and others, made extensive improvements including: beautification of the grounds, work on the Terrace Hotel and Jones Cafeteria, development of nine additional holes on the golf course, paving of 175 parking spaces and three miles of street (cost equally shared by homeowners).

In 1994 priority will be given to children's and youth facilities, tennis courts, and swimming pool needs. In all, the Assembly will strive to be a spiritual renewal place for families and individuals, a year-round center for discipleship training, a school for leadership, and a model Christian community.

The Department of Public Relations, Marketing & Development communicated our shared vision by sending quarterly editions of THE SEJ UNITED METHODIST to over 13,000 church leaders, responded to 4,746 individual requests for information, developed and distributed brochures and program calendars to local church, district, and conference leaders, and promoted the planned Family Ministry Center for Health and Fitness, while seeking funds for this and other important causes.

The Business Department serves the SEJ Administrative Council, Lake Junaluska, the Agencies and Associations and provides Treasurer functions for the Southeastern Jurisdiction, while administering an annual Council Budget of \$5,960,000, coordinating services to 645 homeowners, giving personnel support to 124 year-round part or fulltime and 225

summer employees, and maintaining an extensive data processing and communications network.

Essential to this ministry is the \$908,787 contributed by local congregations to **The SEJ Missional Fund**. One-half was used to support: Archives & History (\$30,000); Gulfside (\$50,000); Ethnic Concerns (\$25,000); Intentional Growth Center (\$32,950); Hinton (\$95,000); SEMAR (\$52,000); UVMIM (\$70,000); SEJ Associations (\$40,300); Justice & Emerging Issues (\$31,000); The Protestant Hour (\$5,568); and New Programs including the Lay Ministry and Congregational Development Centers (\$53,000). One-half was used at Lake Junaluska for Jones Cafeteria renovation (\$51,102); street paving (\$56,996); parking improvements (\$40,000); pool study and escrow for pool improvements (\$240,735). The balance (\$65,558) went to a maintenance reserve for future improvements to youth and children's facilities.

Aware of your trust and our responsibility, the SEJ Administrative Council will endeavor to discern God's will and serve Christ's Church as together we journey forward in faith.

CANDLER SCHOOL OF THEOLOGY

Dean's Report to the Annual Conference

Since its founding in 1914, Candler School of Theology at Emory University has helped to equip men and women to live out God's call to ministry. Candler graduates have distinguished themselves as bishops, preachers, pastors, teachers, scholars, chaplains, and church administrators, and as lay leaders in all walks of life. The largest seminary of the United Methodist Church, Candler has become known for its strong faculty, a curriculum combining theological study with the practice of ministry, and innovative joint-degree programs with other Emory schools and divisions.

Faculty at Candler continue to take an interdisciplinary approach to research and problem-solving that helps move the church to new levels of understanding. For example, Dr. Nancy Ammerman, associate professor of the sociology of religion, is working on a research project titled "The Congregation in Changing Communities." Funded by a grant from the Lilly Endowment, the project examines the dynamics of congregational and community change by studying how congregations make sense of new situations and how they develop new strategies for action.

In the classroom and through research like Dr. Ammerman's which benefits local congregations, the Candler faculty seeks to educate creative and faithful leaders for the church's ministries. More than ten books were published by Candler faculty authors in 1993-1994. In fall 1993, we welcomed Dr. Belle Miller McMaster, former director of the Social Justice and Peacemaking Unit of the Presbyterian Church (USA), as acting director of the Program for Women in Theology and Ministry. Bishop W.T. Handy, Jr., recently retired from the active episcopacy in the Missouri Area of the United Methodist Church, also joined the faculty as Visiting Arthur J. Moore Professor of Evangelism.

Fifty-eight rising high school seniors from across the country gathered at Candler last summer to explore the meaning of religious faith and how the faith relates to the world around them in the first annual Youth Theology Institute. The month-long program was directed by Dr. Don Richter and funded by a grant from the Lilly Endowment. Participants used Atlanta as their classroom, and guest speakers from a variety of theological backgrounds enriched their study. Another session will begin July 1994.

We continue to ask for support from local churches through the Ministerial Education Fund (MEF) and through prayers for our faculty, students, and staff. Increased support of the MEF will directly reduce student debt and assure that the church of the next millennium is served by pastors who are committed and effective. We are grateful for the trust that you have placed in Candler School of Theology at Emory University as with you we share the work of preparing creative and faithful leaders for the churches of this conference.

Your credit union account is insured up to \$100,000.00 by the National Credit Union Association (NCUA) which is the strongest of all the federally insured insurance funds.

The Alabama-West Florida Methodist Credit Union is open to all ministers of our conference, and to all members of their families (spouses, children, grandchildren, etc.), to employees of any Methodist church in the conference and their families, and to employees of institutions owned or sponsored by the conference. SEXUAL HARASSMENT POLICY ALABAMA-WEST FLORIDA ANNUAL CONFERENCE UNITED METHODIST CHURCH

I. PURPOSE

To provide a policy for clergy, diaconal, and lay employees of the Alabama-West Florida Annual Conference and to provide guidance for annual conference agencies, districts and local churches in cases of sexual misconduct, sexual harassment, and abuse.

Ethically and legally it is our responsibility to ensure that the Annual Conference has mechanisms to deal justly with concerns of all involved parties of sexual misconduct.

It is our hope that the existence of a policy, including procedures for complaints, will act as a deterrent against inappropriate behavior.

II. THEOLOGICAL STATEMENT:

We believe and proclaim that all persons are created by God. Our experience as United Methodists is that God values human life, intending all men, women and children to have worth and dignity in all relationships with God and others.

We believe in justice for all persons. Sexual harassment is a misuse of power and is therefore unjust. It interferes with relationships by distorting a person's feelings of worth and dignity. The person being harassed usually has less power in the relationship and feels dehumanized and victimized. When sexual harassment takes place in the church it poses a threat to the quality of community life, and a church's ministry is compromised. The United

Methodist Church must identify harassment and respond by vigorously addressing the problem and restoring broken relationships.

Working with persons caught in a relationship of sexual harassment tests our healing capabilities as a Christian community. All sexual harassment tests our healing capabilities as a Christian community. All sexual harassment must be stopped and reconciliation facilitated. All attempts to restore relationships should follow the dictum, "do no harm." Our community of faith possesses the large reservoir of love and commitment necessary to meet the challenge.

III. DEFINITIONS:

- (A) **Sexual Harassment** is defined by the United Methodist Book of Resolutions as a sin, specifically "any unwanted sexual advance or demand, either verbal or physical, which is perceived by the recipient as demeaning, intimidating or coercive." Sexual harassment exploits a power relationship, including the creation of a hostile or abusive working environment wherein a person's continued employment is subject to his or her submission to sexual coercion.
- (B) **Sexual Misconduct** includes sexual exploitation, any form of criminal sexual conduct and some aspects of sexual harassment.
- (C) **Sexual Abuse** is sexual intrusion of the body by force or coercion. It is also an internal assault, a deliberate violation of emotional integrity; a hostile, degrading act of violence.

IV. PROCEDURES:

- A. The policy and grievance procedures apply to all clergy, diaconal and lay employees of the Alabama-West Florida Conference of the United Methodist Church.
- B. Individuals who believe that they have been sexually harassed are encouraged to take action to deal with the situation in a rational, responsible and timely way. The aims of individual action are as follows:
 - 1. To give the harassed and harasser a chance to see the issue from the same perspective. Since neither person may have an understanding of how their behavior is being perceived by the other, discussion may help.
 - 2. To encourage persons who are unsure if they have been harassed, as well as those who have inadvertently given misunderstood signals, to present a consistent and clear message.
 - 3. To warn the accused that his/her behavior is perceived as harassment and to give the accused an opportunity to defend himself/herself.
 - 4. Where possible, give those who are accused the chance to make amends.
 - 5. To provide the harassed person an immediate chance to get the harassment stopped without provoking a public counterattack, experiencing public embarrassment, harming third parties, damaging church's reputation, or causing the harasser to lose face.
 - 6. To provide harassed persons with the means to demonstrate that they tried all reasonable means to get the harasser to stop. This step may be convincing later if and when more formal action is taken.
- C. Set forth below are a series of steps through which a person may wish to proceed if she or he believes that sexual harassment is occurring.
 - 1. If you perceive the behavior as harassment be sure that you take initial responsibility to de-escalate the situation by describing the offensive behavior to the harasser. Tell the harasser in private that you don't like his or her behavior and you do not want to participate. If the behavior does not stop, or escalates, it is an important component of your defense that you did take action to stop the behavior.
 - 2. Keep a confidential log or diary of each incident, noting the time, place and details of the harasser's behavior, your reaction, and any attempts to stop him or her.
 - 3. Share your feelings about the behavior with a close, trusted friend or associate to check that you are not off-base, to enlist help in stopping the behavior, and to go on record and have witnesses to your feelings and perhaps the behavior itself.

- 4. Write a letter to the harasser stating your concerns and objections regarding the specific behavior which is causing you discomfort. Reiterate the dates and times of your conversations with the harasser and your efforts to stop the behavior. Tell him or her that you are planning to take more formal action, if he or she does not stop. Keep a copy of your letter. Deliver the letter accompanied by a third party to witness the delivery.
- 5. The following cannot be emphasized enough:
 - (a) DOCUMENT! Regardless of what you decide about personal reconciliation, document all interactions with the harasser.
 - (b) Do not ignore the situation. Situations do not get better if they are ignored.
 - (c) The main objective is to stop the harassment!
- D. It is hoped that a resolution of charges of sexual harassment can be reached through informal grievance procedures and persons involved reconciled to one another in Christian love. If such a resolution does not take place, however, a person victimized by sexual harassment will have the right to make formal charges, in writing, in accordance with the *Book of Discipline of the United Methodist Church*, 1992, paragraph 2622-2628.

V. NOTIFICATION OF BOARDS AND AGENCIES:

- A. The Conference Board of Ordained Ministry shall inform clergy persons of these policies and procedures.
- B. The Conference Board of Diaconal Ministry shall inform diaconal ministers, certified personnel, and deaconesses of these policies and procedures.
- C. The appropriate supervisor of conference lay employees shall inform lay employees of these policies and procedures.

ADDENDUM TO THE REPORT ON HIGHER EDUCATION AND CAMPUS MINISTRY

A. University of South Alabama Wesley Foundation

During the past seven months, a representative of USA Wesley Foundation visited each church in the Mobile District. This goal was accomplished by a joint effort on the part of students, board members, alumni and other volunteers. We are looking forward to March 11 when we will enter the next phase of this campaign with a preview and distribution of a seven minute promotional video that outlines our need for a facility to house our campus ministry.

We have added a Monday morning prayer coffee to our weekly schedule that we call Weekend Recovery. We are spearheading the formation of a Habitat for Humanity student

affiliate chapter that will be involving students from the Department of Housing and the BCM. Our Spring Break mission trip is planned for March 20-26. It will be a Habitat project in Sumter, SC. Our newly formed ensemble is planning a short tour this summer that hopefully will include a white water rafting experience. Other big events before the end of the year include Jr/Sr Day, Oozeball Weekend and another Great Night of Methodist singing.

PERSONAL GOALS

- 1) Continue to develop leadership through more intensive training with emphasis on building relationships.
- 2) Expand the music program (find a name for the ensemble)
- 3) Offer more local service opportunities

As most of you know, ten USA students,, Paula Roane and myself were involved in a traffic accident en route to our joint retreat at Camp Sumatanga in February. The care and support we received from the other students and campus ministers gave us a sense of belonging to a very large and very special family. I appreciate the opportunity to serve in this ministry.

Sandra Brining

B. Troy State University Wesley Foundation

This year I have had the pleasure of watching the students of the Troy State Wesley Foundation grow in the spirit of service and community action while witnessing the love of Christ on campus and in the towns we have visited. The students have dedicated themselves to at least one mission project each quarter and we are excited about discovering new ways in which to use their talents to serve the Lord. In addition to missions, the students are excited about the addition of a 1200 square foot room onto their existing building, which will enable them to accommodate the ever increasing Troy State enrollment. We are praising God for the things we have been able to accomplish through Him and for Him and we are awaiting new opportunities to serve Him.

Ted C. Spencer, Director

ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION

The United Methodist Foundation began 1994 with a very positive meeting of their board of directors on April 20th with 29 board members present. A tribute was made to the late Mr. Harry P. Hall, founding director of the Foundation, who passed away in January of this year. Mr. Hall was responsible for the early establishment and success of the Foundation through his leadership and contributions. He will be greatly missed by our board and the Conference.

Your Alabama-West Florida Foundation is recognized on the national level as a leader in Foundation growth and leadership. Ranked in 1993 as the 11th largest Foundation among 44 nationally, we currently manage in excess of \$17 million in trusts and funds. With 26 new trusts valued at \$2,250,890 coming to the Foundation in 1993 for management, this represents a continued commitment by our local church membership to support future ministry through their gifts and leadership. The Foundation is committed to helping donors understand the spiritual joy of giving and enabling these monies to fund many worthy ministries. We are most proud of the disbursement of over \$616,000 in 1993 to various ministries throughout the Conference. These beneficiaries include local churches, scholarships, Methodist Colleges, the Methodist Children's Home, Methodist Homes for the Aging and many others. We praise the vast number of local churches and members who sought to expand their stewardship visions by using the resources and services of the Foundation.

The Foundation's Board of Directors encourages all local churches, church members and agencies to explore and utilize the many financial services and opportunities of the Foundation. The Board also unanimously endorses and recommends to the Annual Conference the following laity for election on the Foundation's Board of Directors: Dr. M.B. Davis, Guy Kelly, Stanton Lewis, James Powell and Ted Wilson.

UNITED METHODIST DEVELOPMENT FUND

The Alabama-West Florida United Methodist Development Fund continues to offer loans for local church building projects at attractive rates and terms. These loans are made possible by "Certificates of Participation" deposits from churches and church members throughout our Conference. With assets exceeding \$3 million in this Fund, \$2.1 million represents outstanding loans and mortgages of our local churches. We appreciate the faithfulness of these depositors and churches who have contributed greatly to church growth and development in areas throughout the Alabama-West Florida Conference.

The Fund's Board of Directors, while maintaining high standards of investment and fund management, regards the United Methodist Development Fund as a unique ministry supporting church growth and expansion. We appreciate the work and commitment of the Board of Directors and ask for your prayers as they continue in this work. The Board of Directors unanimously endorses and recommends Guy Medley as the Lending Institution Representative to the Board.

BOARD OF COMMUNICATIONS/ADVOCATE

Why should the Alabama-West Florida Conference have its own publication?

Why are we changing our historic relationship with North Alabama and establishing our own Conference publication?

There are several reasons:

1. Our relationship with the North Alabama Conference changed drastically a few years ago when we were given our "own" Bishop and became a distinct Episcopal Area. While we still maintain connections via our shared Children's Homes and Methodist Colleges, it could be argued that we have almost as much in common with other bordering conferences, such as Florida or North and South Georgia.

2. Concerned with the number of subscribers to the Advocate, the Joint Board of Communications/Advocate commissioned a marketing study of the newspaper and its readership. One of its strongest recommendations was to divide the Office of Communications/Advocate to create two separate publications, each more relevant to the needs of its respective conference. (Those who still want news from the other conference may subscribe to both publications.)

3. Both Annual Conferences voted at the last sessions to dissolve this joint relationship, with the implication that each conference would set up its own publications and Communications Offices. This confirms the findings of the marketing study. We must face the reality of our growing conferences and our changing readership.

When could we have our own publication? What will this cost us?

These questions, and many others, cannot be answered until this Annual Conference takes action to establish and empower a new AWF Conference Office of Communications. The current Joint Board members from the AWF Conference have spent a great deal of time since last Conference Session planning contingencies. If in general you approve of their

planning, we hope to establish our own publication and Communications Office by autumn of 1994. (The last *Advocate* will be published in last June.) These plans include an anticipation of *no increase in cost* to the conference, to be made possible by increased subscribers and by producing the new publication only once a month. By having an editor who lives within our conference and whose focus is exclusively upon our churches, we hope the product and its promotion will be improved.

How will these changes help me and my local church?

Our new publication will be relevant to you and your church and will offer a variety of articles to help you in your spiritual walk. In keeping with the recommendations of our marketing study, we plan to include ministry-oriented features, highlighting ministries of local churches which put faith into action; how-to columns, offering expert counsel in areas of practical and common concern; personal living helps, addressing personal and family needs and interests of readers; inspirational material, including the Sunday School Lesson, testimonies, reader contributions, and the like; a regular column by the Bishop; a “remembering” column, to celebrate our past; and of course, news from the national, conference and district levels.

What personnel will be hired and how much equipment purchased?

Current budget projections should allow us to hire one full-time Editor/Director and one part-time Assistant, or perhaps two part-time professionals. Since publication will be only monthly, that should be an adequate staff.

The equipment and assets of the existing joint *Advocate* will be divided evenly between the two conferences. Our share of those assets will be ample to provide our office with high-quality, high-tech desk-top publishing equipment. (The actual printing can be sub-contracted to a high-volume professional printer.) We believe such as Office can deliver a magazine-like monthly of better quality both in form and content.

What would the new magazine or newspaper look like?

It would have about the same dimensions and layout as what you have in your hand, which represents better paper and print quality than currently used in the *Advocate*. We estimate a monthly would need 18 to 24 pages, much like a small magazine.

Photos, editorials from the Bishop and clergy and laity, how-to articles, church success stories, Conference Council updates and promotions, and local church news would make up the bulk of the magazine. The focus would be very much on the churches of our conference, but articles from the larger UM “connection” would be included, too — with regional, national and international news as appropriate. Tasteful advertising (usually Christian in nature) would continue to be a small part of the publication.

What about current subscribers to the *Advocate*?

They will be given an option either to roll over any existing credit to a subscription for the new publication or be given a refund. Subscribers will be mailed details as they are worked out in the coming weeks. Subscription rates will remain at \$10 annually.

Organizationally, who will oversee the work of the AWF Office of Communications/Conference publication?

Rather than add another layer of complexity to our existing Conference Council on Ministries and Staff, we recommend the establishment of an elected Board of Directors. The Director/Editor will be expected to cooperate fully with the Bishop, Cabinet, and CCOM Director, and be immediately accountable to the Board.

What about the *Connectional Link*? Isn't it our own newspaper?

The *Connectional Link* has a simple purpose: to promote programs and ministries of the Conference COM. The Conference Council Staff puts this together four times a year. They do not have the time, budget, or equipment to produce a true conference publication or to run an Office of Communications. We need specifically trained and dedicated journalistic professionals who also have knowledge and experience within the United Methodist Church and the media at large.

To be more efficient in production and mailing, the *Connectional Link* would become a regular section within the larger monthly magazine. Those currently receiving the *Link* will continue to receive it in its new form.

How can we be assured of the success of this new endeavor?

In our video culture, newspapers across the country have struggled to stay in print. Many have closed. However, considering the expense and complexity of other forms of communication, we feel a simple print medium is still the best use of our communication dollar. To meet the changing needs of our readers and potential readers, research suggests that a magazine format directly addresses the concerns of our conference will be more successful than our existing publication. Also, with our own director of communications being able to focus exclusively on our conference (with your help), we hope to boost subscriptions and readership significantly. We will be asking each pastor and local church to continuously emphasize the importance of this conference connection. We also will be asking each district to be intentional in funneling news of our local churches into the Communications Office.

What else can we, as Annual Conference delegates, do?

Approval of this Annual Conference is necessary before these plans can move forward, We, the existing AWF portion of the Joint Board, realized that an Annual Conference cannot micro-design a publication or an Office of Communications. We believe you placed faith in us by our election to the *Advocate* Board; thus, after carefully studying our options, we present to you our conclusions in this pamphlet and in the accompanying Resolution of Establishment. These recommendations come to you after much prayer, consultation with experts, with North Alabama, and with the AWF Conference Committee on Interpretation/Communication. Change is unsettling, but we believe the best course of action is to move ahead with these general plans over the next Conference year. We need your prayers and support, especially among the local church leadership.

Sincerely, the AWF Members of the
Joint Board of Communications/Advocate

Resolution of Establishment

WHEREAS, the Joint Board of Communications/Advocate of the North Alabama Conference and the Alabama/West Florida Conference is being dissolved by action of both Annual Conferences, and

WHEREAS, each annual conference is now free to establish its own Board to provide this ministry as of 1 July 1994,

THEREFORE, be it resolved that the Alabama-West Florida Conference in session at Huntingdon College, Montgomery, Alabama, approve the establishment of a Board of Communications effective 1 July 1994, to provide the ministry formerly provided by the Joint Board. Funding shall be provided through a line item in the Conference Benevolence Budget.

BE IT FURTHER RESOLVED, that the Conference approve the division of all assets of the Joint Board as recommended by a Joint Committee on Partition composed of representatives of each annual conference, such division to be completed within 90 days following this session of Annual Conference, and further, that these assets be used by the new Board for its ministry.

BE IT FURTHER RESOLVED, that the new Board of Communications shall be composed of nine members, nominated by the Conference Committee on Nominations, and elected by the Annual Conference. In addition, the following persons shall be ex-officio members: the Bishop, the Executive Director of the Conference Council, a representative of the Cabinet, the Conference president of the United Methodist Women, the Conference president of the United Methodist Men, the chairperson of the Conference Council Committee on Interpretation/Communication, and any conference members serving on the General Board of Publications and Communications. The name of the publication will be the Alabama-West Florida CHRISTIAN ADVOCATE.

COURTESIES AND APPRECIATION

Our beloved father in the faith, John Wesley, left us with great truth that the best reality of all is the fact that God is with us. Those of us who gathered in the 166th Annual Conference Session of The Alabama-West Florida Conference of the United Methodist Church can testify that we have sensed the presence of God. Since we began the Conference calling upon our Lord to “come and reign over us” we have felt God among us.

God was in the jubilant music of Cokesbury Church of Pensacola’s Mountain Gospel Group and Aldersgate Church of Montgomery’s Praise Singers during Sunday night’s opening service of worship. God was glorified throughout the Conference by our talented organist Marjorie Ann Ellisor, and the pianist Janice Hayes. God was praised in the powerful singing of the members of the conference night and day. Yes, United Methodists do sound great when we have a thousand tongues to sing our great Redeemer’s praise because we are yet alive and see each other’s face.

We heard God’s voice in the enlightened teaching of Dr. Ross Freeman and in the inspired preaching of Bishop Robert Spain and our own Bishop Morris. We celebrated God’s guidance through the 538 years of Christian ministry offered by the 15 clergy members of the conference who now enter the retired relationship. We felt the hand of God touching each of us as the hands of consecration and ordination were laid on the newest class of diaconal and ordained ministers.

We remembered the service of those ordained ministers, minister’s spouses, and diaconal ministers who have entered the Church Triumphant since last we met. Dr. Lawson Bryan beautifully reminded us that these dear names now are added to the list of those who “by faith” gave themselves to the call of God and who form that great cloud of witnesses that helps us “run with perseverance that race that is set before us, looking to Jesus the pioneer and perfecter of our faith.” (Hebrews 12:1-2)

God was felt in the early morning communion services, in the rich fellowship around the tables and under trees, in reports of dedicated communities, boards, agencies, and institutions of our great Church, and even in the sometimes spirited debate over the best way to say and do what God’s call demands in the face of today’s moral, theological, social, and spiritual needs. We felt the leading of God as our bishop presided so pastorally and efficiently keeping us in good order unhurried, but on time. The faithful presence of our own Bishops McDavid and Duffey strengthened us all.

God’s love was felt in the joy and laughter of a Laity Banquet where classical music, favorite hymns, and the energetic message of Scott Hunter challenged us to take some lessons from athletics and “make something happen” for good and for the glory of God.

We felt God working in the lives of youth delegates and pages who enriched the conference with their presence and their service. These young people inspire hope for the future in some fainting hearts.

We rejoiced to recognize Local Pastors and Associate Members who make Christ real to so many and Harry Denman Evangelism Award recipients whose lives and ministries call us to be more effective Christian witnesses.

The stirring music of the Nellie Burge Community Singers and the Toulminville-Warren Street Church Choir lifted our souls and touched our hearts for God.

We felt God’s love in the wonderful arrangements made by Huntingdon College and First United Methodist Church to host the conference so graciously. Once again the Rev. Tom Sheppard and his helpers made registration so easy for the members of the conference. The careful work of layman Ed Robbins and Huntingdon’s Superintendent of Physical Plant “set the stage” for our conference speakers and leaders. The theme sign and banners kept proclaiming that in VISION 2000 we reach for the future to celebrate and witness.

We as we come to Bishop Cannon’s closing message, Bishop Morris reading the 1994-1995 appointments, and the end of this harmonious conference session, we do celebrate and we do witness to that truth taught to us long ago by John Wesley and experienced afresh by this conference this year — the best of all is still that God is with us! Praise be to God, Father, Son, and Holy Spirit.

COMMISSION ON ARCHIVES AND HISTORY

Report of the Conference Historian

The year just completed has been one of significant progress toward making Archives and History a more aggressive, productive, and respected area of ministry among the people of our Conference. The enthusiasm of the Commission members is, I believe, a direct result of the energetic leadership of our Chairperson, Dr. Charles R. Britt. We are also all greatly indebted to Conference Archivist, Mrs. Mary Ann Pickard, whose expertise and years of experience in her position make all our jobs much easier.

At our 1993 Annual Conference, we announced a plan to produce an updated history of our Conference, for which the Council on Finance and Administration granted funds enabling us to get started. After determining that the most helpful finished product would be a three-volume history, and that it would be most wise for us to commission the work, we secured the services of Mr. Peter Branum, a Ph.D. student at Auburn University. The volume for which he is presently doing research, a narrative history of the Conference from 1939 to 1992, will serve as his dissertation. It is our goal to have the manuscript for this volume completed by our 1995 Annual Conference. Mr. Branum, in conjunction with Charles Britt, Mary Ann Pickard, and myself, is conducting a series of oral histories, the results of which will add personal experiences and perspectives to the retelling of key moments and events in the life of our Conference. The other two volumes will be an encyclopedia of the ministers who have served here since 1808, the year Methodism officially came to Alabama, and an encyclopedia of the churches which have been established in west Florida and Alabama through the years.

Rev. Britt's idea of having a paper presented at each of our Commission meetings has been very well received. We look forward to Rev. Si Mathison's paper on "Camp Glory" at our next meeting, and to the others that will follow. Another idea which has grown into fruition during the past year has been the establishment of several Historical Societies around the Conference. Three have been formed thus far: 1) the St. Francis Street Methodist Historical Society; 2) the Selma District Historical Society; and 3) the Dothan District Historical Society. It is hoped that a society will be established in each of the nine Districts, and that other local church or regional societies will organize, as well.

We look forward with great anticipation to the 1995 Annual Meeting of the Southeastern Jurisdiction Historical Society July 11-14 at Huntingdon College in Montgomery. I will attend the 1994 meeting July 12-15 at Emory & Henry College in Emory, Virginia.

Independent Auditor's Report

February 16, 1994

Council on Finance and Administration
Alabama - West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have audited the accompanying statements of certificates of deposit for the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church at January 6, 1994, and the related statement of cash receipts, disbursements and transfers for the period January 8, 1993 through January 6, 1994. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of recorded cash receipts, disbursements and transfers are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As explained in Note 1, the Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when paid rather than when earned and certain expenses are recognized when paid rather than when the obligation was incurred. Accordingly, the financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the statements referred to above present fairly, in all material respects, certificates of deposit at January 6, 1994, and the receipts, disbursements and transfers for the period January 8, 1993 through January 6, 1994, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church on the basis of accounting described above.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies:

Nature of Activities

As an agency of the Alabama - West Florida Conference of the United Methodist Church, the Council receives funds from member churches and related individuals in South Alabama and West Florida and disburses these funds to or on behalf of the various boards and agencies of the Conference.

Basis of Accounting

The Council prepares its financial statements on the basis of cash received and cash disbursed. Consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

Income Taxes

The Council, as an agency of the Alabama - West Florida Conference of the United Methodist Church, is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and related provisions of the State of Alabama and Florida.

Note 2 - Investments:

U.S. Treasury bills and notes which are included in this statement at cost of \$2,150,305.97 have a fair market value of \$2,155,430.34.

He served actively until declining health caused him to take disability leave in 1982. He retired in 1989.

After a long illness, Fred Folkles died at home in Excel on July 21, 1993. In addition to his wife and children, he is survived by three grandchildren, Anne Adams, Crystal Adams, and Paul Adams. JESSE DALE GUY

(1934-1994)

Jesse Dale Guy was born July 22, 1934 in Clarke County, Alabama. He was the son of Minnie Gates and Eli Carlton Guy. He graduated from J.U. Blackshear High School in Uriah, Alabama in 1952. Following high school, Jesse attended Asbury College, graduating in 1956. He then attended seminary at Candler School of Theology at Emory University.

Jesse and the former Marion Jacqueline Kinsey were married July 15, 1956, in Excel, Alabama. Four children were born to them: Stephen Dale Guy, born December 14, 1959; Philip Christopher Guy, born July 2, 1964; and twins, Charmain Renee' Guy Register and Vincent Joseph Guy, born November 8, 1967.

At the 1993 Annual Conference, Jesse Guy was recognized as the Marianna-Panama City District nominee for the Harry Denman Evangelism Award. He felt greatly honored and challenged by this recognition for outstanding service in evangelism. At the time of his death, Jesse was serving as President of the Calhoun County Ministerial Association. He was also very interested in the work of the American Center for Law and Justice, which actively defends the rights of Christians in court proceedings. He valued the Holy Bible as the inspired Word of God, relevant to this day, and he worked to commit considerable portions to memory. Jesse practiced a daily prayer life throughout his ministry and encouraged the people of his churches to do the same. The people he served through the years often praised him for his ministry as a true pastor.

Rev. Guy battled non-Hodgkins lymphoma during the latter years of his ministry. A fourth recurrence, diagnosed in January 1994, led to his death on April 1. A memorial service was held at the Blountstown, Florida UMC, where he was serving his third year as pastor. The service was held on April 3rd, Easter Sunday. The Reverends Paul Griffin, John Lane, and Billy O'Bryan took part in the service, with primary eulogy delivered by Marianna-Panama City District Superintendent, Rev. Richard Wright. The funeral service was held at the Monroeville, Alabama First UMC on Monday, April 4th. Bishop William W. Morris, Rev. Richard Sigler, Rev. Richard Wright, and Dr. Thomas Butts participated in the service, with Rev. J. Edward Chandler delivering the primary eulogy. Mr. Roger Williams of Blountstown provided organ music for the service. Rev. Jesse Guy was buried at Memorial Gardens Cemetery in Monroeville.

RALPH EZELL HOWELL (1916-1993)

Ralph Ezell Howell was born August 3, 1916 in Evergreen, Alabama. He was the son of Willie H. and Narcissa Brooks Howell. His was an interesting and somewhat unusual life. He served in the U.S. Navy from August 1941 until June 1961. It was during this phase of his life that he married the former Helen L. Fish of Hallowell, Maine (July 7, 1945), and was licensed to preach (1975 in the Virginia Conference).

Several years after the Howell's moved back to Evergreen, Ralph took his first pastoral appointment in this Conference. Of the thirteen years he served in Alabama-West Florida, twelve were at Mt. Zion, West. During those years and in the years in between, Rev. Howell took part in the Course of Study program at Emory, earned both a Bachelor of Science in Education and a Master of Arts degree from the University of Alabama, and an Education Specialist degree in Vocational Education from Auburn University. Only declining health kept him from continuing his studies.

Ralph Howell died at home October 3, 1993 after a lengthy illness. At his request, his body was donated to the medical school at the University of South Alabama. Eventually his remains will be buried in Evergreen. A memorial service was held at Mt. Zion (West) United Methodist Church October 7, 1993, with Rev. Michael Bledsoe officiating. The Howells had no children. Helen now resides in Evergreen.

CECIL AUBREY MASSEY (1909-1994)

Cecil Aubrey Massey was born January 13, 1909, in Butler, Alabama. He was the son of Lula Bertha Harris and Joseph Turner Massey. He married the former Lynda Lee Wimberly in Silas November 7, 1930. She is a native of Wimberly, a small community in Choctaw County, where she was born March 30, 1908.

Aubrey Massey was licensed to preach June 19, 1940 at the Millry Methodist Church. He made approved supply in November of 1944.

Rev. Massey graduated from Leon High School in Tallahassee, Florida in 1946. Four years later, he received an A.B. degree from Livingston. He later completed the Course of Study program.

Rev. and Mrs. Massey were retired in Montgomery at the time of his death, which occurred February 19, 1994. Dr. Karl Stegall spoke at the memorial service at the St. Luke UMC in Montgomery.

A Tribute to a Humble Servant

By the Rev. Karl K. Stegall, Pastor
First United Methodist Church, Montgomery

A telephone call came yesterday, informing me that the Rev. Cecil Aubrey Massey, a retired United Methodist minister here in Montgomery, had died. There was no headline today in the *Montgomery Advertiser*, nor any mention of this death during the telecast of

the evening news. This humble servant had quietly moved from the church militant to the church triumphant.

The family called and asked if I might participate in a memorial service for the Rev. Massey that (was) held at the St. Luke United Methodist Church. I was honored by the invitation to participate in the memorial service for this humble servant who significantly touched my life.

When I was only 10 years of age, the Rev. Massey came to be our pastor when he was appointed to the Gainesville Circuit. He and Lyda Lee brought with them four children — Bobbie, Naomi, Lamar, and Ruth. Lamar and I were in the same class at school, and we spent many hours playing together.

My father dearly loved Rev. Massey, and I grew to love him, too. Those three years between the ages of 10 and 12 were very impressionable years in my life. The Rev. Massey served us faithfully for three years as part of the Gainesville Circuit that included Emelle, Gainesville, Geiger, and Sardis. At the close of his ministry among us, he and his family loaded all of their earthly belongings into an uncovered cattle truck and moved to their next appointment.

Living in a world of television evangelists, sometimes we forget that it was those faithful, humble servants like the Rev. Massey who made our church what it is today. I doubt very seriously if he ever appeared on any television program. I am confident that he never wrote one letter as a part of a mass appeal for funds to support his ministry. He simply went about doing good — preaching, teaching, healing the broken-hearted, and offering a word of encouragement for those who had lost their way in life.

It takes a special kind of love and devotion to be willing to pick up and move on less than a week's notice from Wilmer to Sneads to Gainesville to Ramer to Napier Field to New Brockton to Phenix City to Bayou La Batre to Daleville to Rocky Mount-White Oak to Selma to Pennington to Loxley to Pine Hill and, finally, to Burke Memorial here in Montgomery.

The Rev. Aubrey Massey truly exemplified the words of the unknown poet:

“Forty-four years he preached, and then retired;
An honest servant, as his people knew.
He preached, e'en when he did not feel inspired.
Two thousand sermons, give or take a few.
A scholar in his rather humble way, he studied
constantly; he knew his Greek.
He searched the Scriptures every single day that
he might better preach Christ week by week.
He loved his people; so they loved him, too.
He wept their tears and shared their joy and pain.
When someone said, ‘I’ll bet you’re glad you’re through,’
he smiled and said, ‘I’d do it all again.’
A colleague asked him, ‘What is your final word from all
those years that you saw come and go?’
He thought a while and said, ‘It sounds absurd, but that
Christ loves us — that is all I know.’ ”

OLIVER MICHAEL SELL (1910-1993)

Oliver Michael (Red) Sell was born on December 11, 1910 to Simon Oliver and Gertrude Zeigler Sell of Altoona, Pennsylvania. The Sells had immigrated to America from southern Germany in the eighteenth century and settled in the Gettysburg area. Although his ancestors were farmers and later railroad men, the lineage of ministers of the gospel traces back to the original settlers.

Red lost both parents in his youth and early learned to fend for himself. He attended Juniata College in Pennsylvania in 1931 before transferring to the University of Alabama in 1932. It was there he met Evelyn Ellisor, a young language major from Andalusia, Alabama and sister to four Methodist ministers. She was born October 15, 1911. Her parents: Ethel Leone Dillard and John Oscar Ellisor. After a whirlwind courtship, Red and Evelyn were married April 11, 1937 and moved to Bob Jones College in Lynn Haven, Florida. By that time, Red had changed his major from accounting to religion, and in 1933 elected to complete his formal education at Birmingham Southern College. Working his way through school, from 1934 until 1937 Red served four churches in the Opp Mission and six on the Sepulga circuit in South Alabama and four on the New Castle circuit in north Alabama. Their daughter, Ethel Evelyn, was born in 1936 in the same bedroom of the family home in Andalusia where her mother was born, attended by the same physician.

Red received his Bachelor of Arts degree from Birmingham Southern in 1937, and the three of them commenced his postgraduate ministry as pastor to six churches on the Forest Home circuit. From there he moved to the five church Ramer-Pine Level circuit before accepting an appointment to the First Church in Chickasaw. Thereafter, he held appoint-

ments at West Side in Mobile and the First Church at Prattville, Tuskegee, Ashland Place in Mobile, and Port St. Joe, Florida.

Returning to his first love of accounting, he served as conference treasurer and financial secretary for the Alabama-West Florida Conference for four years, stationed at Montgomery and Andalusia from 1962 to 1966. He was responsible for contacts with approximately 700 local church treasurers and some 5,000 individual remittances amounting to more than one and one-half million dollars annually. In the words of Paul Mathison, speaking to Bishop Kenneth Goodson, "Reverend Sell handled the business of the Conference in a careful, exact and diplomatic manner...unusually responsive to the general call of Christ's Church, (overseeing) a financial system the envy of other conferences...cooperative and untiring in his efforts to fulfill the responsibilities of his office." He also served for many years as business manager of the Methodist Youth Assemblies at Camp Grandview, Camp Perdido, and Huntingdon College, and for a similarly long tenure on the Conference Committee on World Service and Finance. A true fiscal conservative, he was scrupulously honest and highly organized. In his personal affairs, he customarily paid cash, and if he couldn't pay for it he didn't buy it.

In his ministry, he was aptly described as a pulpit orator and took great pains to incorporate inspirational messages from varied sources. Two of his favorite were from his lifelong preoccupation with reading and with sports. In the latter, he was fascinated with team sports and followed them avidly. He advocated church sponsorship of sporting events and was enormously popular with high school student athletes. He had played baseball as a youth and enjoyed golf for many years into retirement.

However, in the words of the late Grover Hall, publisher of *The Montgomery Advertiser*, he made a vice of reading. He was an habitue' of the public library, devouring histories and biographies with astonishing concentration. During his last years of long suffering with Parkinson's Disease, when asked by his physician what bothered him most, he replied, "I can't read." During his active ministry, every sermon was made more interesting by the frequent use of literary references.

Not an easy characterization, he played the violin in the Juniata Symphony Orchestra, was a loyal Kiwanian, liked cats, identified the Salvation Army as his favorite charity, was a newshound of the printed press as well as radio and television, had a penchant for bare essentials (especially at moving time) and was time conscious to a fault.

He was also the object of devotion for 61 years of marriage to a wife whose unselfish dedication is worthy of sainthood in itself. And in his own quiet way, he was immensely proud of his extended family — his daughter who completed two college degrees and pursued a professional career as a certified school psychologist, three grandchildren — all successful in professional and business occupations, and two beautiful great-grandchildren.

Rev. Oliver Michael Sell died August 5, 1993 in Montgomery after a long illness. His funeral service was held August 7, 1993 at the Normandale UMC, with Rev. Bryant Wilson and Rev. Joe reams officiating. He was laid to rest in Tuskegee Cemetery, Tuskegee, Alabama.

Rev. Sell is survived by his wife; his daughter, Mrs. Ethel Sell Vaughan; three grandchildren and two great-grandchildren.

For 41 years a servant of the church militant, Red Sell has laid his burden down and entered into the eternal halls of the church triumphant. May we all benefit from his example.

J.T. Vaughan

ROBERT LEE WILSON (1918-1993)

On September 12, 1918, a son was born to William Lee and Ida Mae Mathison Wilson of Skipperville, Alabama; and they named him Robert Lee Wilson. Bob was born into a Christian home and given parents who had a great love for and commitment to The Methodist Church. From this family came two other ministers who have served with distinction in this conference: Cullen Bryant Wilson, Sr., Bob's late brother, and Cullen Bryant Wilson, Jr., Bob's nephew. At a very early age, Bob was extremely sensitive to the feelings of others; and consistently expressed his desire to be a preacher when he grew up. In his eleventh year, he accepted Jesus Christ as his personal Savior and joined the Skipperville Methodist Church. That was the beginning of a 63-year walk with Christ and commitment to service in The Methodist Church.

When Bob was 16 years of age, his family moved to Auburn, Alabama; where he graduated from Auburn High School and Auburn University. Afterward, he enrolled at the Candler School of Theology, Emory University, to pursue training for the ministry. In the meantime, he was Licensed to Preach by the Montgomery District in 1942. He was Admitted on Trial into the Alabama Conference of The Methodist Church in 1945; ordained Deacon and Admitted into Full Connection in 1947; and ordained Elder in 1949.

December 20, 1943 was a very important day in the life of Robert Lee Wilson; because, on that day, he was married to Martha Carolyn Kelly in the Society Hill Methodist Church in Macon County. (Her parents were Willie Walters and John Vail Kenny.) Carolyn became not only Bob's devoted wife but also his partner in ministry. For almost 50 years, this fine couple left a trail of people whose lives were changed by the gospel they taught and lived. Three children were born to this union: Angela Carolyn was born on April 24, 1945; Robert Lee, Jr. was born on November 29, 1946; and Gloria was born on December 20, 1957. Bob was a devoted husband and a loving father and grandfather.

For over 51 years, Bob Wilson got up every morning and addressed himself to the business of his Lord. He was an effective and popular minister wherever he served; and God honored and blessed his ministry in an extraordinary manner. His pastoral appointments were as follows: Salem Circuit; Lee Circuit; Burge Memorial, Montgomery; Dalraida, Montgomery; Graceville, Florida; St. Andrew, Panama City; First Church, Prichard; St. Mark, Pensacola; Dothan District; Normandale, Montgomery; Trinity, Opelika; St. Mark, Pensacola (second time); and First Church, Andalusia. For nine years following his retirement and in 1984, Bob served on the staff of the Frazer Memorial United Methodist Church, Montgomery; and preached regularly at the Halcyon Terrace Home for the Aging.

Bob served on numerous boards, agencies and commissions of the conference. He served for five years as Conference Missionary Secretary; and he assisted in the organization of the Perry Hill and Whitfield Memorial United Methodist Churches in Montgomery. Under his leadership, church sanctuaries were constructed at Pine Grove, Dalraida and Prichard; an educational building at St. Andrew; and parsonages at Burge Memorial, Dalraida, St. Mark, Pensacola, and the Dothan District. Bob's leadership was recognized in many ways including his election as a delegate to both the General and Jurisdictional Conferences.

Bob was a powerful and effective preacher. He had a strong voice and he spoke with conviction. When he prayed, you felt yourself in God's presence. He challenged his hearers to make a personal commitment of their lives to Jesus Christ. Because of his evangelistic fervor, Bob was invited to lead revival services in many churches.

In addition to his skills and graces as a minister, Bob was quite a versatile and talented person. One of his talents was as a poet. He wrote poems about his early life, his family, special occasions in churches and in the lives of friends, and experiences he had in the ministry. Many of these brought out the wit and unusual insight Bob possessed.

Robert Lee Wilson departed this earthly life to enter the Father's House on July 30, 1993 while a patient at University Hospital, Birmingham. A memorial service celebrating the

life and ministry of this good man was held on August 2, 1993 at the Frazer Memorial United Methodist Church, Montgomery, with Dr. John Ed Mathison, Dr. Asa Boozer and the Reverend Clifford M. Abbott officiating. Burial was in the Greenwood Cemetery, Montgomery. He is survived by his wife, Carolyn; their three children: Angela of San Diego, California, Bobby and Gloria, both of Montgomery; Bobby's wife, Lynda; two grandsons: Wade and Wes; and two sisters: Mrs. Jean Sanders and Mrs. Jewel Barringer.

In John's Gospel, chapter 1, verse 47, Jesus refers to Nathaniel with these words: "Behold an Israelite in whom is no guile." I am sure Bob Wilson received a similar commendation when he met his Lord. Because there was no guile in his life! No deceit! No hypocrisy! No dishonesty! No prejudice! He was a man whose life was lived by the principle of love. He never forgot that childhood desire to be engaged in his heavenly Father's work. Now, he is resting from his labors and his works will follow him throughout eternity.

She was certified as a United Methodist Church Business Administrator in 1966.

When Voncile applied for Consecration to the office of Diaconal Minister in 1978, she was asked to state briefly her commitment to the nature of the church and its mission. Her answer was as follows: "The church is here to administer to its people. I consider my job as being part of that force that enables members to become aware of and to fulfill their stewardship responsibilities in the various areas of church life. It is through the area of finance that I am more able to contribute to this on-going work of the church and its mission." She was Consecrated that year and retired in 1980.

Mrs. Voncile P. Jones died December 22, 1993. She is survived by her husband, Sam Prize Jones, Sr., a son, Sam P. Jones, Jr., and a daughter, Melanie Jones Turner; all of Dothan.

Rachel Brooks was a key leader in helping establish a fund for maintenance and upkeep of the Black Community Center. She was also instrumental in helping get the grounds of the Black UMC landscaped with plants and flowers. She always saw to it that there were special decorations (usually homemade) on the church Christmas tree each year.

Mrs. Brooks was a very well liked, respected person. Until she retired to look after her husband, she worked for many years as a seamstress at the Van Heusen shirt factory in Geneva. She continued her sewing, crocheting, and quilting as long as she was physically able.

Rachel Brooks died at home of congestive heart failure and renal failure on February 18, 1994. Her funeral service was held February 20 at the Black UMC, with her brother Millard and Rev. John Sanders presiding. She was buried in the Black Community Cemetery. In her husband's words, "Rachel loved her church, and the Methodist Conference has been good to us."

ETHELEEN HANKS HENNE (1933-1993)

Etheleen Hanks Henne was born June 2, 1933, in Butler County, Alabama. She was the first child of Homer Powell Hanks and his wife, Edna Ruth Hill Hanks.

She attended elementary school in Andalusia, Alabama, and high school in Greenville, Alabama. She graduated as salutatorian of the 1951 class of Greenville High School.

Etheleen married The Rev. Edward Dell Henne on May 13, 1953, at Liberty Methodist Church, Greenville, Alabama. She faithfully stood with him in the ministry of the Alabama-West Florida Conference for forty years.

Two children were born to this marriage: Sharon Kay Henne Blankenship was born March 23, 1958, and Michael Edward Henne was born June 27, 1961. Both children and her husband survive Etheleen.

Etheleen's vision and general health deteriorated for several years before her death. She was diagnosed with Lymphoma in February of 1992, and began a long series of radiation and chemotherapy treatments. However, she was able to remain fairly active until the fall of 1993. She became an invalid at that time, and her health very rapidly failed. She died quietly at home in Montgomery, Alabama, on December 27, 1993.

Etheleen's funeral was held at Alabama Heritage Funeral Home in Montgomery on December 29, 1993. The service was conducted by The Rev. Ben Sawada, assisted by Bishop Paul Duffey and Dr. Karl Stegall. She was buried at Alabama Heritage Cemetery. Bishop William Morris and Dr. Larry Davis assisted with her interment.

Etheleen will be remembered as a neat, attractive, very quiet person. For much of her married life she worked outside the home as a secretary and/or bookkeeper. She never took a leadership position in the church, but she was always there to faithfully assist and support the work of Christ and the Church. She spent countless hours in volunteer work behind the scenes, and excelled in her task as a wife, mother and homemaker.

"Etheleen" is an Old English word meaning "Noble One." Truly Etheleen was noble in bearing and dignity. And now she has received the crown which was laid up for her as a child of the King.

MARTHA OWENS TURNIPSEED (1913-1994)

Martha Curry Owens was born October 1, 1913 in Adel, Georgia. She was the daughter of Martha Williams and George Baker Owens. Martha C. Owens became the wife of Andrew Spencer Turnipseed on November 9, 1935 at the Hyde Park UMC in Tampa, Florida. They were blessed with two children: Minnie Martha Turnipseed, born May 11, 1942, and Andrew Spencer Turnipseed, Jr., born October 20, 1948.

Mrs. Martha Turnipseed died February 7, 1994 in Montgomery. She is survived by her husband, Dr. Andrew Spencer Turnipseed of Ramer, Alabama; a son, Rev. Andrew Spencer Turnipseed, Jr. and daughter-in-law, Sally Akers Turnipseed of Auburn, Alabama; and two grandsons, Andrew Spencer Turnipseed, III and William Talmadge Turnipseed, also both of Auburn; and one brother, Marion Owens of Valdosta, Georgia. She was preceded in death by a daughter, Minnie Martha Turnipseed Moore, and a granddaughter, Martha Andrea Moore.

Mrs. Turnipseed's funeral service was February 9, 1994 at the Ramer United Methodist Church. Those officiating were Dr. Thomas Lane Butts, Dr. Roger Dick Johns, and Rev. Larry Bennett. Burial was in the Ramer Cemetery. The following eulogy was written and delivered by Dr. Butts:

My Brothers and Sisters in Christ, we have come today as a Christian Community to confess our Resurrection Faith in Jesus, The Christ, and to honor and celebrate the life of one of God's brightest and best servants, our own dear Martha Turnipseed.

What in this world can we say that would add to a life so eloquently and so beautifully and so unselfishly lived that it is worthy of emulation by all of us?! Her whole life was a sermon, so subtly and sincerely delivered that we scarcely realized what she was doing until we looked back on it later. She had the gift of non-threatening influence and powerfully subtle

leadership. She appeared to be on the sidelines, and in the background until at length it began to dawn on you she was in the middle of it all, up front, leading the way. She could cut to the heart of a delicate matter with one sentence, and the anesthetic quality of her gracious demeanor and winsome smile would so deaden the pain that you didn't know until later that you had undergone serious philosophical surgery by a real "pro."

If anybody in the world was going to tell me I was wrong about something, I wanted it to be Martha, because she did it with such clear and gentle love that would leave your dignity and personhood intact. And yet, for all her subtlety and gentle love, no one ever doubted who she was or where she stood or what she thought. That is a God-like characteristic, which she exemplified better than anyone I have ever known. I would tell Martha *anything* because I knew she would treat it with love.

I pray that this beautiful example of such Godly love is not lost on those of us who so benefited by it, or that it will be diminished in her children and grandchildren in whom she lives on.

I have had occasion to know more than most people outside the family about the life and work of Dr. Turnipseed's mother, Minnie Townsend Turnipseed, who was a prominent, courageous, and rather successful leader in the social Gospel and social justice long before it was fashionable to be such an advocate, especially for a woman. It has always been a matter of singular interest to me to see how much Martha and her mother-in-law were alike in this, and in so many other commendable ways. And, from what I have learned of their relationship from intimate conversations within the family, Martha and Minnie were like Ruth and Naomi in the Bible. They were powerful women whose sense of loyalty and justice were exactly alike. Perhaps it is true, as many thoughtful psychologists think, that strong marriages and good families tend to come from unions in which a man marries a woman who tends to inherently have the best characteristics of his mother.

Dr. Turnipseed, I do not know whether you planned it that way (which I doubt) or whether it was Divine Providence or whether you were just lucky. Who could fathom that imponderable?! And, of further and more intricate interest is that the union of Andrew and Martha produced a female who was given the name of them both, Minnie Martha (Marty) who was just like them both, and even more so. And if the stories of the lives of these three women in this conference were rightly told, Minnie, Martha, and Minnie Martha would go down in history as three of our most enlightened leaders in church and society. Knowing how history is so often prejudicially edited, I doubt that the real true story of the lives of these three women — Grandmother, Mother, and Grandchild — will ever be properly told, because they were women, they were liberals, and their courage and virtue tend to threaten the paucity of our lesser lives.

But, we will remember, won't we? And God, in whose bosom all three now rest, will never forget!!!

One of the most sacred memorials of the civil rights movement, in which all three of these Turnipseed women were so deeply involved, is the Martin Luther King Memorial Baptist Church on Dexter Avenue in Montgomery, Alabama. This great church has only two stained-glass windows which honor and memorialize white people. The windows face Dexter Avenue and they bear the names of Martha and Minnie Martha and Andrew Spencer Turnipseed. That is eloquent!

(Please do not be impatient with the length of this service. One does not say the closing words about the life of Martha Turnipseed with brevity or in haste — and I am not yet finished. There is more.)

For all of her gentle kindness, Martha was not a "shrinking violet." We all know that Dr. Turnipseed; and his daughter, Martha; and his son, Spencer, have been in the forefront of every significant movement for social justice all of their lives. They know what a KKK cross in the front yard looks like. They have been spat upon, ridiculed, belittled, put in jail, and sent into exile for years up north because in a time in which it was not fashionable they stood up for causes that most of us now tacitly approve, and sometimes applaud. What you may not know is that Martha was always in the middle of it all, cheering them on, and giving them courage when their own courage ran thin.

In the 40 years that I have known the Turnipseed family well, I must have been in their home a thousand times. And what a joy it was, always, to be surrounded by the love and graciousness of this dear family. Martha always made you feel like somebody special. More

than a few times in my life I've been to Martha's house when it seemed like my whole world had come unglued. As a fuzzy-cheeked young preacher in Mobile in the mid 50's, when Dr. Turnipseed was my District Superintendent; when the KKK got after me and my whole congregation seemed to turn against my family and me, I would go to the Turnipseed home for somebody to tell me we might survive. I cannot tell you what courage came to me to have Martha put her arms around me and say, "Thomas, God is with us, and it will be all right." Of course, Dr. Turnipseed was a considerable help to me, but when Martha hugged me and blessed me, I always left ready to storm the gates of hell with a water pistol.

A few years ago, I turned on the TV one night for the evening news from Montgomery. They were reporting on a Peace march, and to my utter surprise, who was trudging along with all those young people up Dexter Avenue, right up front? Martha Turnipseed. I later asked her why she marched, and she said: "Andrew was out of town and Spencer couldn't come, and I felt like the family ought to be represented in a cause we all believed in." She was never too old, or too tired, or too sick, or too afraid to represent what was right with soul and body.

I do hope that some of what she had so much of has rubbed off on those of us who have so little of it!

For all that we knew of how serious her condition was, and for whatever preparation that knowledge may have provided, none of us were ready for her to go. She was a pilgrim. She was not here to stay. She had places to go, but we wanted her to stay. And she stayed as long as she could, but early Monday morning she found a narrow place in the river, and she stepped across to the other side. This, like all our griefs goes back to this one thing, "something ended before we wanted it to." She loved the earth, but could not stay. This world was not her home. She was a pilgrim, and now she has rounded the bend in the river of life that we call death. She is out of sight, but for all who knew her she will never be out of mind.

I don't know about you, but I plan to cry a lot, in fact, I already have, but then, I hope to dry my tears and follow her. She has out run us to heaven, but she has always been a good bit out in front of us all along. She has left a heritage that is a treasure for us all. She has left an inspired husband, and a brilliant son, and two beautiful grandsons, and who knows what they will become. I see a lot of Martha in them all. And a little bit of her in you *and in me*. And I know when the going gets tough and all the old evils she fought come back to plague us in new forms, Martha will reach down and hug us and say, "Get on with it. It's going to be all right. God is with us."

When I think of Martha, where she came from and where she has gone, I can hear the last lines of Oliver Wendell Holmes' *Chambered Nautilus*.

"Build thee more stately mansions, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting sea!"

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

1994 PETITION No. 2

Concerning: The Re-Imagining Conference in Minneapolis From: The Administrative Board of The Clanton First United Methodist Church (and signed by 49 persons)

As members of the Administrative Board of the Clanton First United Methodist Church, we strongly protest the recent "Re-Imagining" Conference in Minneapolis. We are aware that while it was not a United Methodist meeting, it was attended and in some ways supported by officials representing the United Methodist Women.

We implore the Council of Bishops and other leaders in our Church to take immediate action to make sure that the responsible Women's Division Staff be reprimanded for participating and for paying the expenses to the meeting for 56 staff members and annual conference vice-presidents. Also, for their grant of \$2,500.00 to the Minnesota Annual Conference U.M.W. for scholarships to the event.

Signed: 4/6/94

The Committee on Resolutions votes: Concurrence.

From: The Congregation of the Honeyville United Methodist Church,
the Rev. Paul Belardino, Pastor**

The Petition as perfected by the Annual Conference:

**A RESOLUTION CONCERNING SOPHIA WORSHIP
AND HOMOSEXUALITY IN THE UNITED METHODIST DENOMINATION**

WHEREAS; 391 United Methodist women were among the 2200 participants and some were leaders, presenters, and members of the steering committee, attending a "Re-Imagining Conference," November 4-7, 1993, in Minneapolis, Minnesota, where the goddess Sophia was recognized and glorified as deity, while Jesus Christ was ignored,

AND WHEREAS; the speakers attacked the Christian Church and orthodox Christian doctrine as a source of oppression of women, racism, classism,, violence in our cities, abuse of children, abusive rejection of gay and lesbian sexuality, and pollution of the environment,

AND WHEREAS; those attending the conference prayed to and worshipped the goddess Sophia, derided and denied essential Christian doctrinal tenets, and publicly celebrated lesbianism,

NOW THEREFORE BE IT RESOLVED; that every member and/or employee of the United Methodist Church that attended the conference be encouraged to publicly apologize to the United Methodist Church and promise to totally reject the conference positions referred to above, and reaffirm their faith in Jesus Christ as their personal Lord and Savior, and as loyal United Methodists to give their complete allegiance to the Church, the Body of Christ,

BE IT FURTHER RESOLVED; that the Council of Bishops address this theological crisis within the United Methodist Church, plainly, forcefully, and with the determination to rid the United Methodist Church of all Sophia worship and the support of homosexual lifestyles,

The Committee on Resolutions votes: Concurrence.

The Conference Supports the Committee and approved this "perfected" Petition.

(Note No. 1: The original petition did not contain the words "be encouraged to" in the paragraph: "NOW THEREFORE BE IT RESOLVED; that every member and/or employee of the United Methodist Church that attended the conference publicly apologize to.....")

(Note No. 2: The original petition contained the following paragraph: "BE IT FURTHER RESOLVED; that those refusing to do this be fired from all positions held within the United Methodist Church, and that the Council of Bishops begin the procedure of excommunication against them,")

Both Notes No. 1 and No. 2 were changed by vote of the Annual Conference. See the Official Minutes for details.

1994 PETITION No. 4

**Concerning: The Re-Imagining Conference in Minneapolis
From: The First United Methodist Church of Flomaton,
The Rev. Ray T. Bass, Jr., Pastor**

The Petition as perfected by the Annual Conference:

We wish to express our sincere concern regarding the matter in which the United Methodist Church has not accepted responsibility for its part in the "Re-Imagining" Conference held last November in Minneapolis. We are especially concerned that instead of admitting that a mistake was made the Church and several of its agencies seem to be

trying to justify what took place instead of fixing a problem that is only going to grow if not dealt with properly.

We call upon this Conference to send a message to the Cabinet and every other agency connected with this matter and let them know that we in the Alabama-West Florida we should be governed by and adhere to God's Holy Word and to the *Discipline* of the United Methodist Church. Both state that we are not to live in sin. The Christian Faith is built on the foundation of the Atonement. Are we now to say that we do not need the Blood of Jesus Christ for the Forgiveness of our sins? The Bible states that Jesus died for all, every sinner: homosexuals, lesbians, bisexuals, transsexuals, and heterosexuals. We are to love all of God's creation but are to condone sin as well?

THEREFORE, BE IT RESOLVED, that the Alabama-West Florida Conference seek to ensure that all church related organizations sponsoring and/or attending conferences or meetings thoroughly evaluate, for spiritual appropriateness, the agenda, materials and doctrine presented when they are spending monies received from the Grass Roots of the United Methodist Church. We request that the Women's Division of the General Board of Global Ministries repudiate this activity and grant assurance that attendance at any similar function will not be repeated. Let us learn from our mistakes. We love the United Methodist Church and we do not want to see the Church hurt further.

The Committee on Resolutions votes: Concurrence.

The Conference voted to "Table" this petition; thus the Petition was not voted upon.

(Note: The Original petition contained these words at the end of the second paragraph: "Are we to believe that sex between friends is proper for Christians?" — The Conference voted to delete this sentence before the motion to table the petition.)

1994 PETITION No. 5

**Concerning: Networking with Other Annual Conferences concerning
a National "Direct Voice for Vulnerable Life"**

**From: The Sardis United Methodist Church (Hartford, Alabama)
and signed by the Rev. James H. Lolley, Mr. Thomas G. Sullivan
(Church Administrative Board) and four others**

WHEREAS: The United Methodist position on Abortion (paragraph 71.H of the *Discipline*) confirms our respect for the "sacredness of Life," the "well-being of the mother," and the "sanctity of unborn human life"; and emphasizes that abortion should never be used as a "means of birth control" or "gender selection"; and

WHEREAS: The primary national voice of the United Methodist Church on the abortion problem has been that of UM-agency representatives advocating directly and through the Religious Coalition for Abortion Rights (aka Religious Coalition for Reproductive Choice) for tax-payer funded abortions, with no disclaimers against 90% of abortions done for birth-control and gender-selection reasons; and

WHEREAS: This conference has previously passed a resolution to "speak alone or in conjunction with like-minded conferences" with regard to the abortion problem;

THEREFORE BE IT RESOLVED: That this annual conference authorize the church submitting this petition to propose to the 1995 session of annual conference a way to join like-minded conferences in having a direct and official national voice to federal officials and elected representatives to: (a) promote the United Methodist Church's clear opposition to the over 90% of abortions done for birth-control and gender-selection reasons; (b) preach the inviolable sanctity of pre-born human life in light of the Christian Church's historic witness; (c) protect women from economic, social, and legal inducements to seek abortions and to use abortifacient-type contraceptives such as Norplant; (d) work to prevent the funding of abortions for birth-control and gender-selection reasons; (e) protest experiments on human fetuses, as well as *in vitro* or *in vivo* experimentation on human embryos, not obtained from natural abortion.

The Committee on Resolutions votes: Concurrence.

The Conference Supports the Committee.

NOTE: The following Resolution was printed in the Pre-Conference BROCHURE OF REPORTS, but was withdrawn on the floor of the Conference by the author before a recommendation from the Committee on Resolutions and Petitions:

A RESOLUTION FOR ANNUAL CONFERENCE

WHEREAS: There is presently in the state of Alabama an educational grant available to college students on the basis of need;

AND WHEREAS: This grant is not available to students who plan to major in and become employed in a Religious profession because of "Separation of Church and State";

AND WHEREAS: The Federal government never asks the question about one's intended major and intended profession;

AND WHEREAS: When said student graduates and becomes employed in a religious profession, the state of Alabama will tax that person's income earned in that religious profession;

AND WHEREAS: This policy places those in majors intended for religious careers in double jeopardy;

AND WHEREAS: This policy limits the financial aid available for colleges such as Huntingdon;

AND WHEREAS: Those in Religious profession make up a rather large portion of the work/tax base in the State of Alabama;

THEREFORE, BE IT RESOLVED that this Annual Conference of the United Methodist Church, Meeting in Montgomery at Huntingdon College, May, 1994, petition both houses of state government in their next session meeting after Annual Conference to move as quickly as possible to remove the policy which disallows those going into Religious professions from receiving State Education Grants.

SECTION F

The President of the Conference United Methodist Women, Mrs. Jean Sublette, made the following statement to the Annual Conference concerning the Re-Imagining Conference held in Minneapolis, Minnesota. By vote of the Annual Conference, her statement is included in the Conference Journal.

The statement that I want to make is not for or against the resolutions which are before you but to clarify some of the questions that are being asked.

It was not until January of this year that we began receiving information about the "Re-Imagining Conference" held in Minneapolis, Minnesota in November of 1993. We had, however, received an invitation last May from the Women's Division inviting our Conference Vice President to apply for a scholarship to attend the meeting. It was stated that only ten scholarships would be given and these would be given to those vice presidents who would make a commitment to return to their conference and in some way empower other interested women to advocate for programs in solidarity with women, both in the church and the community. Due to our vice president's personal circumstances at the time and our uncertainty of how his could be used in our conference with the full calendar we already had, we decided not to apply for the scholarship.

After hearing reports about the conference, our Conference Executive Committee immediately drafted a statement to be mailed to all local unit presidents and ministers, including associates, within our conference. These statements were mailed to each district president in our conference to be copied and mailed. If for some reason you who were supposed to receive this did not, you need to contact your district president.

The three basic doctrinal concerns which we addressed were:

- (1) Replacing a part of the Trinity with a female (Sophia) — We believe that the Trinity is composed of God as Father, Son and Holy Spirit and cannot be changed.
- (2) Questioning the necessity of atonement for salvation — The scriptures and the United Methodist Church *Book of Discipline* confirm this as being basic to our Christian faith.
- (3) The Praise Service for Lesbians. This is not the position of the United Methodist Church nor United Methodist Women.

We also addressed the issue of using Undesignated Funds to finance scholarships for 56 persons — 36 Women's Division directors, nine staff, and eleven conference vice-presidents — to attend this meeting. In addition \$2,500.00 was given to the Minnesota Conference United Methodist Women as a grant for scholarships for women from that conference to attend the conference — a total of \$31,357. The funds came from the budget for spiritual and theological concerns. We have objected to any undesignated mission monies being used to send Women's Division Directors or Staff to any event during which their Christian witness cannot be presented, and if it felt advantageous to have representation at the conference in question, that only a minimum number attend.

We have called on the Women's Division, in the future, to keep us informed by issuing a church-wide statement refuting heretical theological ideas espoused at any conference where the Women's Division has representation, thereby avoiding much of the furor connected with the "Re-Imagining Conference."

We have received a statement from the Administrative Committee of the Women's Division with the following assurances: These are direct quotes:

- (1) "The Women's Division has not engaged in goddess worship and will not do so. The Women's Division believes in the Triune God incarnate in Jesus Christ."
- (2) "Faithful to the church, the Women's Division has supported no stance in opposition to the church's stated position on homosexuality."

Their statement concerning finance was this:

"United Methodist Women model an exemplary standard of second mile giving within the denomination. As members of local congregations, United Methodist Women uphold the United Methodist Church in prayer, presence, gifts, and service. Going the second mile, United Methodist Women provide over \$20 million annually for mission projects and programs administered through the General Board of Global Ministries. A gift to the whole church, the undesignated giving of United Methodist Women provides 28.5% of the General Board of Global Ministries' budget and exceeds the dollars received from the entire denomination through World Service benevolent giving. Additionally, several millions are received through United Methodist Women channels of giving designated for specific projects. The commitment of United Methodist Women to mission is unparalleled, and the Women's Division takes very seriously the fiscal responsibilities entrusted to it by United Methodist Women.

"We do need to understand that Women's Division directors vote on expenditure of funds and division staff have no authority to expend funds except as voted.

"We have requested of our Conference United Methodist Women three things:

"First — continue to support the United Methodist Women's pledge to missions. This is the largest single source of income for the National and World Divisions of the General Board of Global Ministries. Much good and needed work has been done on behalf of ministries with women, children and youth worldwide. We want to continue this good work, but make sure at the same time that our money is being used in the proper manner. It is our fervent prayer and hope that such will not be necessary, but if the present trends of the Women's Division continue, we will reconsider our recommendations regarding 'undesignated mission giving.'

"Secondly — pray that God will be our guide in every decision we make concerning this and other issues. We still believe that 'God is King of Kings and Lord of Lords' and we will become even stronger for having weathered this storm.

"Thirdly — as you can see from this experience, the Women's Division does hear when we speak loudly and clearly. After all, the local woman is the heart and soul of the Women's Division. When you have concerns,

write: Women's Division
General Board of Global Ministries
475 Riverside Dr.
New York, NY 10115"

Two last statements that I want to make are about withholding funds. As stated, if it comes to this, we certainly would recommend it, but we feel that once you withdraw your giving, you lose your right to question or debate the use of funds. The only way to bring about change is to stay in the process and fight for what is right.

The other is about funds given through church budget apportionments being given to United Methodist Women. This is absolutely not true. The church budget does not support United Methodist Women in any way.
